ASSIGNMENT

1. Assignor hereby sells, transfers, assigns and sets over to Assignee Assignor's entire right, title and interest (for all countries) in and to the Marks, and all the rights and privileges under any Marks that may be granted therefor, together with the goodwill of the business associated with the Marks; and all applications for industrial property protection, including without limitation, all applications for Marks which may hereafter be filed for said Marks in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from the Marks under the laws of the United States, or any international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all applications for industrial property protection, including, without limitation, all applications for marks which may hereafter be filed for said Marks in any country or countries, together with the right to file such applications; and all forms of industrial property protection, which may be granted for said Marks in any country or countries.

2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States, whose duty is to issue Marks or other evidence or forms of industrial property on applications as aforesaid, to issue the same to Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

3. Assignor agrees that, at any time, upon the request of the Assignee, Assignor will execute and deliver all papers, take all rightful oaths, and do all acts, at Assignee's sole cost and expense, which may be necessary or desirable to secure and maintain protection on the Marks throughout all countries of the world and for vesting title thereto in Assignee, its successors, assigns and legal representatives or nominees, and otherwise to do the necessary, at Assignee's sole cost and expense, to give full effect to and to perfect the rights of the Assignee under this Agreement, including the execution, delivery and procurement of any and all further documents evidencing this Agreement, transfer and sale as may be necessary or desirable.

4. Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Agreement.
