4. REPRESENTATIONS AND WARRANTIES. Assignor represents and warrants to Assignee that the statements contained in this **Section 4** are true and correct as of the date hereof.

4.1 Authority of Assignor. Assignor has all necessary corporate and other power and authority to enter into this Assignment, to carry out its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery by Assignor of this Assignment, the performance by Assignor of its obligations hereunder and the consummation by Assignor of the transactions contemplated hereby have been duly authorized by all requisite corporate or other action on the part of Assignor. This Assignment has been duly executed and delivered by Assignor, and (assuming due authorization, execution and delivery by Assignee) this Assignment constitutes a legal, valid and binding obligation of Assignor, enforceable against Assignor in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity).

4.2 No Conflicts; Consents. The execution, delivery and performance by Assignor of this Assignment, and the consummation of the transactions contemplated hereby, do not and will not: (a) result in a violation or breach of or conflict with any provision of the certificate of incorporation or by-laws (or equivalent organizational documents) of Assignor, in each case, amended to the date of this Assignment; (b) create any Encumbrance upon any of the Luxottica Group Intellectual Property; or (c) result in a violation or breach of or conflict with any provision of any Law or Governmental Order applicable to Assignor or the Luxottica Group Intellectual Property. No consent, approval, Permit, or Governmental Order of, declaration or filing with, or notice to, any Governmental Authority or other Person is required by or with respect to Assignor in connection with the execution and delivery of this Assignment and the consummation of the transactions contemplated hereby.

4.3 Intellectual Property. **Exhibit A, Exhibit B and Exhibit C**, together, contain a complete and accurate list of all Intellectual Property owned by Assignor that is, or has been prior to the Effective Date, exclusively used or held for use in connection with the Revo Product. To the extent indicated on **Exhibit A, Exhibit B and Exhibit C** annexed hereto, the Luxottica Group Intellectual Property has been duly registered in, filed in or issued by the United States Patent and Trademark Office, a duly accredited and appropriate domain name registrar, or the appropriate Governmental Authorities of other jurisdictions (foreign and domestic). Assignor has not received any notice or claim (including threats or offers to license and cease and desist communications) from any Person challenging the right of the Assignor to use any of the Luxottica Group Intellectual Property, Assignor's ownership or the validity or enforceability of the Luxottica Group Intellectual Property, or alleging any infringement, misappropriation, or violation of any Person's Intellectual Property rights. Except as set forth on **Exhibit D**, Assignor has not asserted any claim of a violation, infringement, misappropriation or misuse by any Person of any Luxottica Group Intellectual Property. To the

Knowledge of Assignor, except as set forth on **Exhibit D**, no Person is infringing, violating, misappropriating or misusing any Luxottica Group Intellectual Property. Other than the Luxottica Group Intellectual Property, there is no Intellectual Property owned by Assignor that is used or held for use exclusively in connection with the Revo Product prior to or as of the Effective Date.

5. INTERCOMPANY LICENSE AGREEMENT. Assignor hereby assigns and transfers to Assignee, its successors, assigns and legal representatives, Assignor's entire right, title and interest in and to the Intercompany License Agreement, which shall be deemed terminated upon completion of the aforementioned assignment.

6. FURTHER ACTIONS. Assignor hereby covenants and agrees to execute and deliver, at the request of Assignee, such further instruments of transfer and assignment and to take any other action as such Assignee may reasonably request to more effectively consummate the assignments and assumptions contemplated by this Assignment. Specifically, Assignor agrees to: (i) at Assignee's expense, execute, acknowledge and deliver such further documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to register in the name of Assignee the assignment of the Luxottica Group Intellectual Property in any appropriate governmental agency or registrar, including preparing and transmitting the necessary InterNic Registrant Name Change Agreement (RNCA) and/or corresponding with any domain name registrars to accomplish the transfer of the Domain Names; and (ii) use commercially reasonable efforts to provide information requested by Assignee pertaining to the Luxottica Group Intellectual Property in order for Assignee to prosecute, maintain and enforce the Luxottica Group Intellectual Property.

7. MISCELLANEOUS.

7.1. Headings. The headings in this Assignment are for reference only and shall not affect the interpretation of this Assignment.

7.2. Governing Law. This Assignment shall be governed by and construed in accordance with the domestic laws of the State of New York without giving effect to any choice or conflict of law provision or rule (other than sections 5-1401 and 5-1402 of the New York General Obligations Law) that would cause the application of the laws of any jurisdiction other than the State of New York.

7.3. Counterparts/Amendments. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same instrument. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
