RECITALS

WHEREAS, Grantor, owns the Trademarks, Trademark registrations, and Trademark applications listed on listed on **Schedule 1** annexed hereto; and

WHEREAS, Grantor, as Borrower, has entered into that certain Amended and Restated Credit Agreement dated as of October 7, 2011 (as the same has been or hereafter may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with Grantee, the Lenders, each other Loan Party signatory thereto, and GCI Capital Markets LLC, a Delaware limited liability company, as revolver agent for Lenders (in such capacity, "Revolver Agent"); providing for extensions of credit and other financial accommodations to be made to Borrower by Lenders; and

WHEREAS, pursuant to the terms of a Security Agreement dated as of May 15, 2009, or reaffirmed pursuant to that certain Master Reaffirmation Agreement dated as of October 7, 2011 (as the same has been or hereafter may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among Grantor, Grantee, and the other Persons party thereto as "Grantors" thereunder, Grantor has granted to Grantee for the benefit of Administrative Agent, Lender and the other Secured Parties, a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks, Trademark registrations, Trademark applications and Trademark licenses, and all proceeds thereof, to secure the payment of the Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (a) each Trademark, Trademark registration and Trademark application owned by Grantor, including, without limitation, the Trademarks, Trademark registrations and Trademark applications referred to in **Schedule 1** annexed hereto;
- (b) each Trademark license; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement or dilution of any Trademark or Trademark registration owned by Grantor including, without limitation, the Trademarks and Trademark registrations referred to in **Schedule 1** annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred in **Schedule 1** and the Trademarks rights as licensee held by Grantor under any Trademark license.

Notwithstanding any of the other provisions set forth in this Agreement, no security interest is hereby granted in any of the following (the "Excluded Property") to the extent specified below: (i) any permit, license, contract or lease (other than Data Center Leases) to the extent that (and in each case only for so long as) such grant of a security interest is prohibited by any applicable laws or is prohibited by, or constitutes a breach or default under or results in the termination of or gives rise to a right on the part of the parties thereto other than the other Loan Parties and their Subsidiaries to terminate, such permit, license, contract or lease, except to the extent that such laws or the term in such permit, license, contract or lease providing for such prohibition, breach, default or right of termination are ineffective or rendered unenforceable under applicable laws (including the UCC) and (ii) any "intent to use" Trademark applications for which a statement of use has not been filed (but only until such statement is filed); provided, further, that, notwithstanding the foregoing, a security interest shall be, and is hereby, granted in (A) any property immediately upon such property ceasing to be Excluded Property and (B) any and all proceeds, products, substitutions and replacements of Excluded Property to the extent such proceeds, products, substitutions and replacements do not themselves constitute Excluded Property.

2. This Agreement shall terminate upon termination of the Security Agreement. At any time from time to time prior to such termination, the Grantee may, in accordance with the terms of the Security Agreement, terminate its security interest in or reconvey to the Grantor any rights with respect to any or all of the Trademark Collateral. Upon termination of this Agreement and following a request from the Grantor, the Grantee shall, at Grantor's expense, execute and deliver to the Grantor all deeds, releases and other instruments as the Grantor may reasonably request in order to evidence such termination.

3. This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
