TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of November 12, 2013, is made by each entity on the signature pages hereof (each a “**Grantor**” and collectively, the “**Grantors**”), in favor of Deutsche Bank Trust Company Americas, as Notes Collateral Agent under the Indenture described below (in such capacity, together with its successors and permitted assigns, the “**Notes Collateral Agent**”).

W I T N E S S E T H:

WHEREAS, pursuant to the Indenture, dated as of November 12, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “**Indenture**”), by and among Pittsburgh Glass Works, LLC, a Delaware limited liability company (the “**Company**”), the Guarantors from time to time party thereto, Deutsche Bank Trust Company Americas, as trustee and as the Notes Collateral Agent, the Company has issued, or will issue certain senior secured notes (the “**Notes**”) and the Guarantors have agreed to guarantee the Obligations (as defined in the Indenture) under the Notes and the Indenture;

WHEREAS, all of the Grantors are party to the Security Agreement dated as of November 12, 2013, in favor of the Notes Collateral Agent (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of these premises, each Grantor hereby agrees with the Notes Collateral Agent as follows:

Section 1. *Defined Terms.* Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. *Grant of Security Interest in Trademark Collateral.* Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to the Notes Collateral Agent, for the benefit of the Secured Parties, and grants to the Notes Collateral Agent, for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “**Trademark Collateral**”):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. *Security Agreement.* The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. *Intercreditor Agreement.* Notwithstanding anything herein to the contrary, all Liens granted to Notes Collateral Agent pursuant to this Trademark Security Agreement or any other Notes Document and the exercise of any right or remedy by Notes Collateral Agent in respect of the Pledged Collateral hereunder or under any other Notes Document are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement, this Trademark Security Agreement and any other Notes Document, the terms of the Intercreditor Agreement shall govern and control in all respects, including, without limitation, with respect to any right or remedy.

Section 5. *Grantor Remains Liable.* Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 6. *Counterparts.* This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 7. *Governing Law.* This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[Signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
