WHEREAS, the Credit Documents require the Grantor to execute and deliver this Security Interest.

NOW, THEREFORE, in consideration of the premises and in order to ensure compliance with the Credit Documents, the Grantor hereby agrees as follows:

SECTION 1. Defined Terms. Capitalized terms used herein without definition shall have the definitions given to them in the Credit Documents.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Grantor's obligations in accordance with the terms and conditions of the Credit Documents, Grantor hereby mortgages, pledges, hypothecates and assigns to the Grantee, for the benefit of the Grantee, a lien on and security interest in, all of such Grantor's right, title and interest in, to and under the following, in each case, whether now owned or hereafter acquired, and whether now existing or hereafter arising (the "Trademark Collateral"):

(i) all Trademarks and all licenses providing for the grant by or to such Grantor of any right under any Trademark, in each case, including, without limitation, those referred to on Schedule A hereto;

(ii) all renewals and extensions of the foregoing;

(iii) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(iv) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

As used herein, "Trademarks" shall mean, collectively, with respect to any Person, all trademarks, service marks, slogans, logos, certification marks, trade dress, uniform resource locations (URL's), domain names, corporate names, trade names and other source or business identifiers, whether registered or unregistered, owned by or assigned to such Person and all

SECTION 3. Credit Documents. The assignment made, and security interest granted, pursuant to this Security Interest is made and granted in conjunction with the assignment made, and security interest granted, to the Grantee pursuant to the Credit Documents, and Grantor hereby acknowledges and agrees that the rights and remedies of the Grantee with respect to the assignment of and security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Documents, the terms and provisions of which are hereby incorporated by reference herein as if fully set forth herein.

SECTION 4. Grantor Remains Liable. of its rights and obligations under this Security Interest to any successor, and such successor shall thereupon become vested with all the benefits in respect hereof granted to the Grantee herein or otherwise, in each case as provided in the Credit Documents. Grantor may not assign or transfer any rights or obligations hereunder without the prior written consent of the Grantee. No amendment of any provision of this Security Interest shall in any event be effective unless the same shall be in writing and signed by Grantor and the Grantee.
