TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment") is entered into as of 10/05/20, 2013, by and between Harsco Infrastructure Services Ltd., a company incorporated in England and Wales having a place of business at Harsco House, Regent Park, 299 Kingston Road, Leatherhead, Surrey, United Kingdom KT22 7SG 7SH ("Assignor"), and Harsco Corporation, a Delaware corporation having a place of business at 350 Poplar Church Road, Camp Hill, PA 17011 ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment of Assigned Trademarks. Assignor does hereby sell, transfer, convey, assign and deliver to Assignee all of the trademarks and service marks, and related registrations and applications, listed on Schedule 1 hereto (the "Assigned Trademarks"), together with all goodwill associated with any of the Assigned Trademarks, and all of Assignor's rights, claims and privileges pertaining to any of the Assigned Trademarks, along with the right to sue and recover damages for past, present and future infringement or dilution of any of the Assigned Trademarks, including without limitation, all income, royalties, damages, settlements and payments now or hereafter due or payable with respect to the Assigned Trademarks in all causes of action (either in law or in equity). Assignor agrees to execute and deliver at the request of the Assignee, all papers, instruments and assignments, and to perform any other reasonable acts the Assignee may require in order to vest all Assignor's rights, title, and interest in and to the Assigned Trademarks in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of Assignor. If Assignee is unable, for any reason whatsoever, to secure Assignor's signature to any document that Assignor has been requested to execute, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as Assignor's agents and attorneys-in-fact to act for and in its behalf and instead of Assignor, to execute and file any such document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor. Assignor hereby declares that the foregoing power is coupled with an interest and, as such, is irrevocable.

2. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

3. Counterparts. This Trademark Assignment may be executed in counterparts (each of which shall be deemed to be an original but all of which taken together shall constitute one (1) and the same agreement) and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other party hereto.

IN WITNESS WHEREOF, the undersigned have caused this Trademark Assignment to be duly executed and delivered as of the date first set forth above.
