WHEREAS, American College of Surgeons ("Assignor"), an Illinois corporation doing business at 633 North St. Clair Street, Chicago, IL 60611, is the owner of the trademark NATIONAL TRACS, Registration No. 1,809,951 for "software program containing a registry of medical information related to trauma injuries" in International Class 9 (hereinafter referred to as the "Mark"); and

WHEREAS, Digital Innovation, Inc. (the "Assignee"), is a Maryland corporation with a principal office of 302 Dove Court, Forest Hill, MD 21050;

WHEREAS, Assignor and Assignee entered into a License and Transfer Agreement dated November 24, 2004, which stated "Upon full satisfaction of the obligation to pay royalties to ACS for Year I and Year 2 under Section J below hereof, and contingent upon fulfillment of the material terms of this Agreement on or after July 1, 2007, ACS shall promptly execute an assignment of all rights, title and interest in the NTRACS Software, including but not limited to all Intellectual Property Rights;"

WHEREAS, Assignee completed payment of all royalties and other obligations under the License and Transfer Agreement, and now requests that Assignor transfer all of its rights, title and interest in the Mark to Assignee; and

WHEREAS, no trademark assignment was ever prepared or executed upon Assignee's fulfillment of its obligations under the License and Transfer Agreement; and

WHEREAS, Assignee is entitled to transfer of all rights, title and interest that Assignor may have in and to the Mark since its date of first use of the Mark, together with the goodwill of the business in connection with which the Mark is used and which is symbolized by the Mark; along with the right to recover damages and profits for past infringement thereof, if applicable.

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby assign unto Assignee all of its right, title and interest in and to the Mark in the United States and throughout the world, together with the goodwill of the business in connection with which the Mark is used and which is symbolized by the Mark, along with the right to recover all damages and profits for past, present and future infringement thereof.

Assignor agrees to execute and deliver at the request of the Assignee, all reasonably necessary papers, instruments and assignments, and to perform any other reasonable acts the Assignee may require in order to vest in Assignor of all rights, title and interest in and to the Mark in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of Assignor.
