EXHIBIT C**INTELLECTUAL PROPERTY ASSIGNMENT**

This INTELLECTUAL PROPERTY ASSIGNMENT (this "IP Assignment") is made and entered into as of September 30, 2013, by and between NORWOOD PROMOTIONAL PRODUCTS, LLC, a Delaware limited liability company (the "Assignor"), and BIC CORPORATION, a Connecticut corporation (the "Assignee").

WITNESSETH

WHEREAS, the Assignor and BIC USA Inc., a Delaware corporation ("BIC USA"), are parties to that certain Plan of Restructure and Asset Transfer Agreement dated as of the date hereof (the "Agreement"), pursuant to which the Assignor has agreed to convey, transfer, assign and deliver to BIC USA the Acquired Assets;

WHEREAS, pursuant to the terms and provisions of the Agreement, BIC USA has assigned its right to acquire certain of the Acquired Assets to BIC Corporation, and BIC Corporation is treated as a "Transferee" under the Agreement with respect to the Acquired Assets assigned to it; and

WHEREAS, the Assignor and the Assignee desire to evidence in writing the assignment of the intellectual property rights and intellectual property related to the Business under the Agreement by the Assignor to the Assignee. The term Intellectual Property as used in this IP Assignment shall be deemed to have the same meaning given to it in the Agreement. For the avoidance of doubt, any remaining Intellectual Property included in the Acquired Assets (and not listed on Schedule I hereto) is being assigned to the Assignee pursuant to the Intellectual Property Assets Bill of Sale between the Assignor and Assignee.

NOW, THEREFORE, in consideration of the above premises and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings given to them in the Agreement.

Section 2. Assignment by the Assignor. The Assignor hereby conveys, delivers, transfers, assigns and delivers to the Assignee all of its right title and interests in and to:

- (a) The Assignor's Intellectual Property listed on Schedule I hereto;
- (b) the goodwill of the Assignor's Business connected with the use of, and as symbolized by, such Intellectual Property; and
- (c) all claims for damages by reason of past infringement thereof, whether arising prior to or subsequent to the date of this IP Assignment with the right to sue for, and collect the same, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, and in any other jurisdiction, subject to and in accordance with the Agreement and (ii) for its own use and benefit and for the

use and benefit of its successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor had this IP Agreement not been made.

Section 3. Plan of Restructure and Asset Transfer Agreement. The terms of the Agreement, including but not limited to the representations, warranties, covenants, agreements and indemnities of Assignor are incorporated herein by reference. The Assignor and the Assignee acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Agreement (and the limitation thereon) shall not be superseded hereby but shall remain in full force and effect. In the event of any conflict or inconsistency between the terms of the Agreement and the terms hereof, the terms of the Agreement shall govern.

Section 4. Cooperation. The Assignor shall execute any documents, including assignments of any existing patent, copyright or trademark rights or other forms of protection (including, without limitation, assignments of trademark(s) and assignment of patent(s)), and provide any assistance as is reasonably necessary to transfer the Intellectual Property, including assistance (at the expense of the Assignee) necessary to prepare, file and prosecute a patent application or to effectuate a registration of a copyright or trademark in and of the Intellectual Property in the United States or elsewhere in the world, in the Assignee's name or the name of a third party, as directed by the Assignee. The Assignor shall provide such further assistance as is reasonably required for sustaining, reissuing or extending any patents or any letters patent based on any improvements to the Intellectual Property and shall provide testimony and evidence in cases of enforcement or interference, all at the expense of the Assignee.

Section 5. No Modification. This IP Assignment shall in no way modify, alter, amend, limit or expand the rights or obligations of any party as provided in the Agreement nor shall it be deemed to create any additional rights or obligations.

Section 6. Binding Effect. This IP Assignment shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

Section 7. Waivers and Amendments. This IP Assignment may be amended; superseded, cancelled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by each of the parties hereto, or, in the case of a waiver, by the party waiving its respective rights.

Section 8. No Third Party Beneficiaries. This IP Assignment is for the sole benefit of the parties hereto and is not intended to benefit any other person or entity.

Section 9. Governing Law. This IP Assignment shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to agreements made and to be performed entirely within the State of Delaware, without regard to the conflicts of law principals thereof.

Section 10. Headings. The headings of this IP Assignment are for reference only, and shall not affect the interpretation of this IP Assignment.

Section 11. Counterparts. This instrument may be executed in several original counterparts, each of which shall be deemed to be an original, and all such counterparts shall together constitute one and same document.
