## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement, dated as of December 18, 2013 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Trademark Security Agreement**”), is made and entered into by and between Trout Coal Holdings, LLC (the “**Grantor**”), and Deutsche Bank AG New York Branch, as administrative agent for the Secured Parties (together with any successors and assigns thereto in such capacity, the “**Administrative Agent**”).

### W I T N E S S E T H:

WHEREAS, Grantor is party to a Pledge and Security Agreement dated as of December 18, 2013 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) among Patriot Coal Corporation, a Delaware corporation (the “**Parent Borrower**”), each of the subsidiaries of the Parent Borrower party thereto from time to time and the Administrative Agent, pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantor hereby agrees with the Administrative Agent, as follows:

SECTION 1. *Defined Terms.* Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. *Grant of Security Interest in Secured Trademarks.*

2.1 *Grant of Security.* The Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the **Grantor’s right, title and** interest in, to and under the following, in each case whether now owned or existing or hereafter acquired or created by Grantor and wherever located (collectively, the “**Secured Trademarks**”):

all United States, and foreign trademarks, trade names, trade dress, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, whether or not registered, and with respect to any and all of the foregoing: (i) all registrations and applications for any of the foregoing including, but not limited to, the registrations and applications referred to on Schedule A hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill of the foregoing, (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, and proceeds of suit, and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (collectively, “**Trademarks**”).

2.2 *Certain Limited Exclusions.* Notwithstanding anything herein to the contrary, in no event shall the Secured Trademarks include or the security interest granted under Section 2.01 hereof attach to any intent-to-use application for trademark or service mark registration filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing under Section 1(c) or Section 1(d) of the Lanham Act of a “**Statement of Use**” or an “**Amendment to Allege Use**” with respect thereto, solely to the extent,

if any, that, and solely during the period, if any, in which, the grant of a security interest therein prior to such filing would impair the validity or enforceability of any registration that issues from such intent-to-use trademark or service mark application under applicable federal law.

SECTION 3. *Security Agreement.* The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Secured Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. *Intercreditor Agreement.* Notwithstanding anything herein to the contrary, the priority of the Lien granted to the Administrative Agent under this Trademark Security Agreement and the exercise of rights and remedies of the Administrative Agent hereunder and under any other Collateral Document are subject to the provisions of the First-Lien Intercreditor Agreement dated as of December 18, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “**First Lien Intercreditor Agreement**”), among Patriot Coal Corporation, the Administrative Agent, the L/C and Term Loan Agents, and the Subsidiaries of Patriot Coal Corporation party thereto. In the event of any conflict between the terms of the First Lien Intercreditor Agreement and the terms of this Trademark Security Agreement or any other Collateral Document with respect to the priority of any Liens granted to the Administrative Agent or the exercise of any rights and remedies of the Administrative Agent, the terms of the First Lien Intercreditor Agreement shall govern and control.

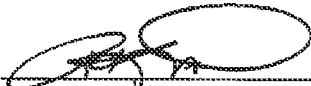

SECTION 5. *Applicable Law.* THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 6. *Counterparts.* This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or in electronic format (e.g., “pdf,” “tif” or other lawful comparable format) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
