This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this "**Agreement**") is entered into at New York, New York, as of December 6, 2013, between VIOLIFE, LLC, a Delaware limited liability company, with its chief executive office located at 1 Executive Blvd., Yonkers, New York 10701 (the "**Borrower**"), Banyan Mezzanine Fund II, L.P., a Delaware limited partnership, with an address of 1111 Brickell Avenue, Suite 1300, Miami, Florida 33131 ("**Banyan**"), Diamond State Ventures II Limited Partnership, an Arkansas limited partnership, 200 River Market Avenue, Suite 400, Little Rock, Arkansas, 72201 ("**Diamond State**" and together with Banyan, the "**Lender**") and Banyan Mezzanine Fund II, L.P., a Delaware limited partnership, as collateral agent for the Lender (solely in its capacity as collateral agent for the Lender, the "**Collateral Agent**").

FOR VALUE RECEIVED, pursuant to that certain Loan Agreement dated as of the date hereof (as amended, restated or otherwise modified, the "**Loan Agreement**") by and between Borrower and Lender and in consideration of the granting by Lender of financial accommodations to or for the benefit of Borrower, including, without limitation, respecting the Obligations (as defined in the Loan Agreement), Borrower represents to and agrees with Collateral Agent for the ratable benefit of Lender, as of the date hereof and until the Obligations are paid in full in cash, as follows:

NOW, THEREFORE, in consideration of the premises, Borrower and Lender hereby agree as follows:

1. Defined Terms. All capitalized terms used herein which are not otherwise defined herein shall have the meanings given to them in the Loan Agreement and the following terms shall have the following meanings, unless the context otherwise requires:

"**IP Collateral**" shall have the meaning assigned to it in Section 2 of this Agreement.

"**Material IP Collateral**" shall mean IP Collateral that is material to the operation of Borrower's business.

"**Proceeds**" shall have the meaning assigned to it under Section 9-102(64) of the UCC, and in any event, shall include, but not be limited to, (i) any and all proceeds of any insurance, indemnity, warranty or guarantee payable to Borrower from time to time with respect to any of the IP Collateral, (ii) any and all payments (in any form whatsoever) made or due and payable to Borrower from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the IP Collateral by any governmental body, authority, bureau or agency (or any person acting under color of governmental authority), and (iii) any and all other amounts from time to time paid or payable under or in connection with any of the IP Collateral.

2. Grant of Security Interest. (a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished, registered or unregistered, and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on Schedule A attached hereto (collectively, the "**Copyrights**");

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) All Proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

enforceability of any registration that issues from such intent-to-use application under applicable federal law..

3. Subordination to Senior Debt. Lender has agreed to subordinate the payment and performance of the Obligations to the payment and performance of the Senior Debt (as defined in the Subordination Agreement) pursuant to the terms of the Subordination Agreement. Until the Senior Debt is Paid in Full (as defined in the Subordination Agreement), notwithstanding anything to the contrary in any Loan Document, Lender shall not: (i) require the delivery of Collateral to Lender, (ii) require the execution and delivery of control agreements, or (iii) otherwise exercise its rights and remedies hereunder, except as expressly authorized by the Subordination Agreement.

4. Appointment of Collateral Agent.

(a) Lender irrevocably appoints Banyan as Collateral Agent and authorizes Collateral Agent to take such actions on its behalf and exercise such powers as are delegated to Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. For all purposes hereunder, Collateral Agent shall have the right to enforce any and all rights of Lender hereunder, for Lender's ratable benefit. Collateral Agent shall have the same rights and powers in its capacity as any Lender and may exercise the same as though it were not Collateral Agent. The provisions of this Article 4 are solely for the benefit of Collateral Agent and Lender, and neither the Borrower, nor any Affiliate or Subsidiary of Borrower, shall have rights as third party beneficiaries of this Article 4.

(b) Collateral Agent's Duties. Collateral Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Collateral Agent shall not be liable to Lender for any action taken or not taken by it in the absence of its own gross negligence or willful misconduct. Collateral Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by Collateral Agent and Collateral Agent shall not be liable for the actions of any sub-agents appointed with due care. Collateral Agent shall be responsible for promptly delivering notices and any other communications that Collateral Agent receives pursuant to the terms of the Loan Documents to Diamond State.

(c) Collateral and Other Guaranty Matters. Lender irrevocably authorizes Collateral Agent, at its option and in its discretion, to: (a) release or subordinate any Lien on the IP Collateral, (b) release any guarantor from its obligations under a Guaranty or any other Loan Document, and (c) release any Pledgors from its obligations under the Pledge Agreement or any other Loan Document.

(d) Diamond State Acknowledgement. Diamond State acknowledges that it has, independently and without reliance upon Collateral Agent and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Diamond State also acknowledges that it will, independently and without reliance upon the Collateral Agent and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any

document furnished hereunder or thereunder.

5. Authorization. Borrower authorizes that the Register of Copyrights and the Commissioner of Patents and Trademarks record this Agreement, and any amendments thereto, or copies thereof.

6. Representations and Warranties. Borrower covenants and warrants that:

(a) Borrower is the lawful owner of the IP Collateral, and the IP Collateral is free and clear of all Liens (other than Permitted Liens) and non-exclusive licenses granted by Borrower to its customers in the ordinary course of business;

(b) Performance of this Agreement does not conflict with or result in a breach of any material agreement to which Borrower is bound;

(c) During the term of this Agreement, Borrower will not transfer or otherwise encumber any interest in the IP Collateral, except for Permitted Dispositions and Permitted Liens and non-exclusive licenses granted by Borrower in the ordinary course of business or as otherwise permitted in the Loan Agreement or this Agreement;

(d) No part of the IP Collateral has been judged invalid or unenforceable, in whole or in part, and no claim has been made in writing that any part of the IP Collateral violates the rights of any third party;

(e) Borrower shall advise Collateral Agent of any subsequent ownership right of the Borrower in or to any Trademark, Patent, Copyright, or Mask Work specified in this Agreement together with the Officer's Certificate delivered pursuant to the Loan Agreement;

(f) Borrower shall (i) use reasonable commercial efforts to protect, defend, and maintain the validity and enforceability of the Material IP Collateral, (ii) use reasonable commercial efforts to detect infringements of the Material IP Collateral and promptly advise Collateral Agent in writing of material infringements detected, and (iii) other than Permitted Dispositions, not allow any Trademarks, Patents, Copyrights, or Mask Works material to Borrower's business to be abandoned, forfeited or dedicated to the public without the written consent of Collateral Agent, which shall not be unreasonably withheld, unless Borrower determines that reasonable business practices suggest that abandonment is appropriate.

(g) Borrower shall take such further actions as Collateral Agent may reasonably request from time to time to perfect or continue the perfection of Collateral Agent's interest in the IP Collateral, including, short form security interest with respect to IP Collateral to be filed with the United States Patent and Trademark Office, substantially in the forms of Exhibit I and Borrower hereby authorizes Collateral Agent to execute and file one or more financing statements (and similar documents) or copies thereof or of this Agreement with respect to the IP Collateral signed only by Collateral Agent.

(h) This Agreement creates, and in the case of IP Collateral acquired after the date hereof, this Agreement will create, at the time Borrower first has rights in such after

acquired IP Collateral and Collateral Agent has taken all actions required for perfection, in favor of Collateral Agent, subject to Permitted Liens that are permitted to have superior priority over Collateral Agent's security interest, in each case, (y) prior to the Senior Debt being Paid in Full (as such terms are defined in the Subordination Agreement), a valid and perfected second priority security interest and collateral assignment in the IP Collateral in the United States securing the payment and performance of the Obligations evidenced by the Loan Agreement and (z) after the Senior Debt has been Paid in Full, a valid and perfected first priority security interest and collateral assignment in the IP Collateral in the United States securing the payment and performance of the Obligations evidenced by the Loan Agreement;

(i) Except for, and upon, the filing of UCC financing statements, or other notice filings or notations in appropriate filing offices, if necessary to perfect the security interests created hereunder, no authorization, approval or other action by, and no notice to or filing with, any United States governmental authority or United States regulatory body is required either (y) for the grant by Borrower of the security interest granted hereby, or for the execution, delivery or performance of this Agreement by Borrower in the U.S. or (z) for the perfection in the United States or the exercise by Collateral Agent and/or Lender of its rights and remedies thereunder;

(j) All information herein or hereafter supplied to Collateral Agent by or on behalf of Borrower with respect to the IP Collateral is true and correct in all material respects.

(k) Other than the Senior Debt Documents (as defined in the Subordination Agreement), Borrower shall not enter into any agreement that would materially impair or conflict with Borrower's obligations hereunder without Collateral Agent's prior written consent, which consent shall not be unreasonably withheld. Except as permitted under the Loan Agreement and as otherwise provided in the Senior Debt Documents, Borrower shall not, outside of the ordinary course of business, permit the inclusion in any material contract to which it becomes a party of any provisions that would reasonably be expected to prevent the creation of a security interest in Borrower's rights and interest in any property included within the definition of the IP Collateral acquired under such contracts.

(l) Borrower will promptly notify Collateral Agent in writing of any event that materially adversely affects the value of the Material IP Collateral, the ability of Borrower to dispose of any Material IP Collateral or the rights and remedies of Collateral Agent in relation thereto, including the levy of any legal process against any of the Material IP Collateral.

7. New IP Collateral.

If, before the Obligations shall have been paid in full, Borrower shall obtain rights to any new IP Collateral, the provisions of paragraph 2 shall automatically apply thereto and Borrower shall give Collateral Agent prompt written notice thereof.

8. Collateral Agent's Rights. Collateral Agent shall have the right, but not the obligation, to take, at Borrower's sole expense, any actions that Borrower is required under this Agreement to take but which Borrower fails to timely take, after fifteen (15) days' notice to

Borrower. Borrower shall reimburse and indemnify Collateral Agent for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this Section 8.

9. Further Assurances; Attorney in Fact.

(a) On a continuing basis, Borrower will, upon reasonable request by Collateral Agent, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver to Collateral Agent all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademarks Office and the Register of Copyrights, and take all such action as may reasonably be requested by Collateral Agent, to perfect Collateral Agent's security interest in all Copyrights, Patents, Trademarks, and Mask Works and otherwise to carry out the intent and purposes of this Agreement, or for assuring and confirming to Collateral Agent the grant or perfection of a security interest in all IP Collateral; provided that Borrower shall not be required to register any IP Collateral that Borrower determines, consistent with reasonable business practice, need not be registered.

(b) In addition to Section 9(a) above, Borrower shall not register any Copyrights or Mask Works in the United States Copyright Office unless it: (i) has given at least fifteen (15) days' prior written notice to Collateral Agent of its intent to register such Copyrights or Mask Works and has provided Collateral Agent with a copy of the application it intends to file with the United States Copyright Office (excluding exhibits thereto); (ii) executes a security agreement or such other documents as Collateral Agent may reasonably request in order to maintain the perfection and priority of Collateral Agent's security interest in the Copyrights proposed to be registered with the United States Copyright Office; and (iii) records such security documents with the United States Copyright Office contemporaneously with filing the Copyright application(s) with the United States Copyright Office. Borrower shall promptly provide to Collateral Agent with evidence of the recording of the security documents necessary for Collateral Agent to maintain the perfection and priority of its security interest in such Copyrights or Mask Works. Borrower shall provide written notice to Collateral Agent of any application filed by Borrower in the United States Patent Trademark Office for a patent or to register a trademark or service mark within thirty (30) days of any such filing.

(c) Borrower appoints Collateral Agent as Borrower's attorney-in-fact, with full authority in the place and stead of Borrower and in the name of Borrower, Collateral Agent, Lender or otherwise, from time to time in Collateral Agent's discretion, upon Borrower's failure or inability to do so, to take any action and to execute any instrument which Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including:

(i) to modify this Agreement without first obtaining Borrower's approval of or signature to such modification solely by amending the Schedules attached hereof, as appropriate, to include reference to any right, title or interest in any Copyrights, Patents, Trademarks or Mask Works acquired by Borrower after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents, Trademarks, or Mask Works in which Borrower no longer has or claims any right, title or interest; and

(ii) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto, or other notice filings or notations in appropriate filing offices, relative to any of the IP Collateral, without notice to Borrower, with all appropriate jurisdictions as appropriate, in order to perfect or protect Collateral Agent's interest in the IP Collateral as contemplated hereby.

(d) This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Borrower further agrees to execute any additional documents which Collateral Agent may require to confirm this power of attorney, or which Collateral Agent may deem necessary to enforce any of its rights contained in this Agreement.

(e) The powers conferred on Collateral Agent hereunder are solely to protect its interests in the IP Collateral and shall not impose any duty upon it to exercise any such powers. Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to Borrower for any act or failure to act, except for its own gross (not mere) negligence or willful misconduct.

(f) Collateral Agent's foregoing appointment as Borrower's attorney in fact, and all of Collateral Agent's rights and powers, coupled with an interest, are irrevocable until all Obligations have been repaid in full in Cash.

10. Events of Default. The occurrence of an event which under the Loan Agreement would constitute an Event of Default shall be an event of default hereunder (each, an "**Event of Default**" and collectively, the "**Events of Default**").

11. Remedies. Upon the occurrence and during the continuance of an Event of Default, Collateral Agent and Lender shall have the right to exercise all the remedies of a secured party under the UCC and all remedies provided for in the other Loan Documents, including without limitation the right to require Borrower to assemble the IP Collateral and any tangible property in which Collateral Agent has a security interest and to make it available to Collateral Agent at a place designated by Collateral Agent. Collateral Agent shall have a nonexclusive, royalty free license to use the Copyrights, Patents, Trademarks, and Mask Works to the extent reasonably necessary to permit Collateral Agent to exercise its rights and remedies upon the occurrence and during the continuance of an Event of Default. Borrower will pay any expenses (including reasonable attorneys' fees) incurred by Collateral Agent in connection with the exercise of any of Collateral Agent's or Lender's rights hereunder, including, without limitation, any expense incurred in disposing of the IP Collateral in accordance with the terms hereof. All of Collateral Agent's and Lender's rights and remedies with respect to the IP Collateral shall be cumulative.

12. Indemnity. Borrower agrees to defend, indemnify, and hold harmless Collateral Agent, Lender and their officers, employees, and agents (each an "**Indemnified Person**") against: (a) all obligations, demands, claims, and liabilities (collectively, "**Claims**") claimed or asserted by any other party in connection with the loan transactions contemplated by this Agreement, and (b) all losses or expenses to the extent suffered, incurred or paid by Collateral Agent or Lender as a result of or arising out of, following or consequential to transactions

between Collateral Agent and/or Lender on the one hand and Borrower on the other hand, under this Agreement (including without limitation, reasonable attorneys' fees and reasonable expenses), except for Claims and/or losses arising from or out of an Indemnified Person's gross negligence, willful misconduct, or material breach (other than any such breach that may arise from the giving or withholding of consent) of Collateral Agent or Lender or their respective agents and/or representatives.

13. Execution of Power of Attorney. Concurrently with the execution and delivery hereof, Borrower shall execute and deliver to Collateral Agent, in the form of Exhibit II hereto, four (4) originals of a Power of Attorney for the implementation of the assignment, sale or other disposal of the IP Collateral pursuant to paragraph 11 hereof.

14. Performance by Collateral Agent of Borrower's Obligations. If Borrower fails to perform or comply with any of its agreements contained herein and Collateral Agent, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses of Collateral Agent incurred in connection with such performance or compliance shall be payable by Borrower to Collateral Agent on demand and shall constitute Obligations secured hereby.

15. Nonexclusive Remedies. All of Collateral Agent's and Lender's rights and remedies, not only under the provisions of this Agreement, but also under any other Loan Document, shall be cumulative and not alternative or exclusive, and may be exercised by Collateral Agent and/or Lender at such time or times and in such order of preference as Collateral Agent and/or Lender may determine in their sole discretion.

16. Costs and Expenses. Borrower shall pay to Collateral Agent on demand any and all costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements, court costs, or other expenses) incurred or paid by Collateral Agent in establishing, maintaining, protecting or enforcing any of Collateral Agent's or Lender's rights or the Obligations, including, without limitation, any and all such costs and expenses incurred or paid by Collateral Agent in defending Collateral Agent's security interest in, title or right to the Collateral or in collecting or attempting to collect or enforcing or attempting to enforce payment of the Obligations.

17. Terms of Agreement.

(i) This Agreement shall continue in full force and effect so long as any Obligations of Borrower to Lender shall be outstanding and is supplementary to each and every other agreement between Borrower and Lender and shall not be so construed as to limit or otherwise derogate from any of the rights or remedies of Lender or Collateral Agent or any of the liabilities, obligations or undertakings of Borrower under any such agreement, nor shall any contemporaneous or subsequent agreement between Borrower and Lender be construed to limit or otherwise derogate from any of the rights or remedies of Lender or Collateral Agent or any of the liabilities, obligations or undertakings of Borrower hereunder, unless such other agreement specifically refers to this Agreement and expressly so provides.

(ii) Upon the payment in full in Cash of all of the Obligations and the

termination of all obligation to extend credit under the Loan Documents, this Agreement shall automatically be terminated and Collateral Agent, at the request of Borrower, shall forthwith release all of the Liens and security interests granted hereunder and shall execute and/or deliver all UCC termination statements and/or other documents reasonably requested by Borrower evidencing such termination. Notwithstanding the foregoing, all indemnities provided hereunder shall survive termination of this Agreement.

18. Binding Effect of Agreement. This Agreement shall be binding upon and inure to the benefit of the respective heirs, executors, administrators, legal representatives, successors and permitted assigns of the parties hereto, and shall remain in full force and effect (and Lender shall be entitled to rely thereon) until the earlier of (a) termination in writing by Lender and (b) payment in full of the Obligations. Lender may transfer and assign this Agreement and deliver the IP Collateral to a permitted assignee, who shall thereupon have all of the rights of Lender; and Lender shall then be relieved and discharged of any responsibility or liability with respect to this Agreement and the IP Collateral. Borrower may not assign or transfer any of its rights or obligations under this Agreement. Except as expressly provided herein or in the other Loan Documents, nothing, expressed or implied, is intended to confer upon any party, other than the parties hereto, any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

19. Notices. Any notice under or pursuant to this Agreement shall be a signed writing or other authenticated record (within the meaning of Article 9 of the UCC). Any notices under or pursuant to this Agreement shall be deemed duly received and effective if delivered in accordance with Section 9.11 of the Loan Agreement.

20. No Waiver. No course of dealing between Borrower and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

21. Cumulative Remedies. All of Collateral Agent's and Lender's rights and remedies with respect to the Collateral, whether established hereby or by the other Loan Documents, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

22. Severability. If any provision of this Agreement or portion of such provision or the application thereof to any person or circumstance shall to any extent be held invalid or unenforceable, the remainder of this Agreement (or the remainder of such provision) and the application thereof to other persons or circumstances shall not be affected thereby.

23. Amendments and Waivers. This Agreement may be amended only in writing with the prior written consent of Borrower and Collateral Agent and Borrower may take any action herein prohibited, or omit to perform any act herein required to be performed by it, if Borrower shall obtain Collateral Agent's prior written consent to each such amendment, action or omission to act. No course of dealing and no delay or omission on the part of Collateral Agent or Lender in exercising any right hereunder shall operate as a waiver of such right or any other

right and waiver on any one or more occasions shall not be construed as a bar to or waiver of any right or remedy of Collateral Agent or Lender on any future occasion.

24. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

25. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be an original, but all of which shall constitute but one agreement.

26. Governing Law. This Agreement will be construed and enforced under the laws of the State of New York without respect to the principles of the choice of law or the conflicts of laws.

27. Reproductions. This Agreement and all documents which have been or may be hereinafter furnished by the parties hereto may be reproduced by any party hereto by any photographic, photostatic, microfilm, xerographic or similar process, and any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made in the regular course of business).

28. Joint and Several. If more than one Borrower signs this Agreement, then the responsibilities hereunder are joint and several.

29. [Reserved].

30. Jurisdiction and Venue. BORROWER, COLLATERAL AGENT AND LENDER HEREBY EXPRESSLY AND IRREVOCABLY AGREE AND CONSENT THAT ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREIN MAY BE INSTITUTED IN ANY STATE OR FEDERAL COURT SITTING IN THE COUNTY OF NEW YORK, NEW YORK, UNITED STATES OF AMERICA AND, BY THE EXECUTION AND DELIVERY OF THIS AGREEMENT, EXPRESSLY WAIVE ANY OBJECTION THAT THEY MAY HAVE NOW OR HEREAFTER TO THE LAYING OF THE VENUE OR THE JURISDICTION OF ANY SUCH SUIT, ACTION OR PROCEEDING, AND IRREVOCABLY SUBMIT GENERALLY AND UNCONDITIONALLY TO THE JURISDICTION OF ANY SUCH COURT IN ANY SUCH SUIT, ACTION OR PROCEEDING.
