CONFIRMATION OF TRADEMARK ASSIGNMENT

This Confirmation of Trademark Assignment ("**Assignment**") is entered into by and between Cisco Systems International S.A.R.L., a Swiss limited liability company, and a wholly-owned indirect subsidiary of Cisco Systems, Inc., a California corporation ("CSIS"), and Cisco Technology, Inc., a California corporation ("CTI").

WHEREAS, pursuant to a prior Agreement for Purchase and Sale of Assets effective July 31, 2011 at 12:00 p.m. Pacific Daylight Time between CSIS and CTI (the "**Asset Purchase Agreement**"), certain intellectual property rights, including without limitation all rights, title and interest in and to the CSIS Marks (as defined below), were assigned previously to CTI.

NOW, THEREFORE, CSIS and CTI agree as follows and confirm that:

"**CSIS Marks**" means all of CSIS's trademarks, service marks, trade names, trade dress, logos, designs and slogans, in word mark, stylized and/or design formats, including without limitation CSIS's trademark registrations and applications (except for CSIS's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office) and any and all of CSIS's common law rights in the aforementioned items, together with all goodwill associated with and symbolized by the aforementioned items, including without limitation the marks identified in Schedule 1 attached hereto and all of the goodwill associated with and symbolized by such marks.

CSIS has assigned and transferred, and CTI has received and accepted, all of CSIS's rights, title and interest in the United States in and to the CSIS Marks and all the rights, claims and privileges pertaining to the CSIS Marks, including without limitation: the registrations and applications pertaining thereto (except for CSIS's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the CSIS Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of CSIS in all matters related thereto.

CSIS hereby authorizes and requests the United States Commissioner of Patents and Trademarks to implement this Confirmation of Assignment.

IN WITNESS WHEREOF, CSIS and CTI have caused this Assignment to be made as of the effective date of the Asset Purchase Agreement referenced above.
