## TERMINATION OF SECURITY INTERESTS IN TRADEMARKS

This Termination of Security Interests in Trademarks (this "**Termination**") is made and entered into to be effective as of December 19, 2013 (the "**Effective Date**"), by Fifth Third Bank, an Ohio banking corporation, successor by merger to Fifth Third Bank, a Michigan banking corporation ("**Lender**"), for the benefit of ISI Brands, Inc, a Michigan corporation ("**Debtor**").

### Background:

1. On or about January 7, 2008, Lender and Debtor entered a Credit Agreement (the "**Credit Agreement**") and certain other documents, including the **Trademark Security Agreement** (the "**Security Agreement**"). The Security Agreement evidenced Lender's security interests in the United States issued Trademarks (the "**Marks**") listed on **Schedule I** of the Security Agreement (attached hereto and made a part hereof as **Schedule I**). The Security Agreement was subsequently recorded with the United States Patent and Trademark Office.

2. Lender now desires to terminate its security interests in the Marks.

NOW, THEREFORE, for good and valuable consideration, in consideration of the foregoing and in consideration of the mutual covenants contained herein, Lender makes the following Termination:

### Termination

Lender hereby terminates its security interests in the Marks. Nothing herein shall be, or shall be construed to be, a release by Lender of any other loan collateral, the Obligations (as defined in the Loan Agreement) or any other obligations of Debtor to Lender.

*[Signature Page Follows]*

IN WITNESS WHEREOF, Lender has caused this Termination to be executed in its respective name by a duly authorized officer, to be effective as of the Effective Date.
