TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 30, 2013 (the "Effective Date"), is entered into by and among each of the undersigned and each other Person from time to time joining as a party hereto in accordance with the terms of the Indenture referred to below (each of the undersigned and each such other Person are referred to herein, collectively, as "Debtors" and, individually, as a "Debtor"), and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association, as Collateral Agent for the benefit of the Secured Creditors (as defined below) ("Collateral Agent"). Debtor hereby grants to Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in and to, and Lien on, all of the Trademark Collateral (as defined in Section 2 of this Agreement). Debtor and Collateral Agent hereby further agree as follows:

1. SECURED OBLIGATIONS: The security interest and Lien hereby granted shall secure the full, prompt and complete payment and performance of all of the "Note Obligations," as defined in the Security Agreement dated of even date herewith, by and among Collateral Agent and the Debtors (as may be amended, renewed, consolidated, restated or replaced from time to time, the "Security Agreement").

2. TRADEMARK COLLATERAL: The collateral in which a security interest and Lien is hereby granted (all of the following being, collectively, the "Trademark Collateral") comprises collectively (whether now owned or hereafter acquired): (a) all of each Debtor's right, title and interest in and to all of its now or in the future owned or existing trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service mark applications (exclusive, for purposes only of this Agreement, of any Intent to Use Applications as defined below), including each mark, registration, and application listed on Schedule I attached hereto and made a part hereof (the property in this item (a) being, collectively, the "Trademarks"); (b) all renewals of each of the Trademarks; (c) all income, royalties, damages and payments now and in the future due or payable under or with respect to any and all of the Trademarks, including damages and payments for past or future infringements of any and all of the Trademarks; (d) all rights to sue for past, present and future infringements of any and all of the Trademarks; (e) all rights corresponding to any and all of the Trademarks throughout the world; (f) all rights of each Debtor as licensor or licensee under, and with respect to, trademarks, service marks, trade names, and trademark and service mark registrations and applications, including the licenses listed on Schedule I (each Debtor's rights as licensor or licensee sometimes referred to in this Agreement collectively as "Trademark License Rights"); and (g) together in each case with the goodwill of each Debtor's business connected with the use of, and symbolized by, the foregoing; provided, however, that in no event shall the Trademark Collateral include any Excluded Assets (as defined in the Indenture). Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement is intended to be, or may be construed to be, an assignment of any application to register any trademark or service mark based on any intent to use filed by, or on behalf of, any Debtor ("Intent to Use Applications"), and any Intent to Use Applications are specifically excluded from the Trademark Collateral for purposes of this Agreement. For purposes of this Agreement, "Material Item of Trademark Collateral" means each item of the Trademark Collateral that is necessary to the business or financial condition of any Debtor, and shall include, without limitation, any of the Trademark Collateral that is comprised, in whole or in part, of marks, logos, or symbols using (or depicting) in any manner and of the words "SIERRA ENGINEERING" or "HAMILTON ENGINEERING" (alone or in combination with any other words, symbols or images).

3. DEFINITIONS: Any capitalized term used but not defined herein shall have the meaning ascribed thereto in the Indenture dated of even date herewith by and among Collateral Agent, the Trustee and the Debtors (as may be amended, renewed, consolidated, restated or replaced from time to time, the

“Indenture”) or the Security Agreement, as applicable. “Uniform Commercial Code” means the Uniform Commercial Code as adopted in each applicable jurisdiction, as amended or superseded from time to time. The “New York UCC” means the Uniform Commercial Code, as adopted in New York, as amended or superseded from time to time. All of the uncapitalized terms contained in this Agreement which are now or hereafter defined in the New York UCC will, unless the context expressly indicates otherwise, have the meanings provided for now or hereafter in the New York UCC, as such definitions may be enlarged or expanded from time to time by amendment or judicial decision. As used in this Agreement, “Secured Creditors” means, collectively, Collateral Agent, Trustee and each Holder of Notes, and each of their respective permitted successors and assigns.

4. LICENSES: Except for licenses attendant to products and services provided by such Debtor in the ordinary course of business, each Debtor expressly covenants and agrees that such Debtor shall not license, as licensor, any Material Item of Trademark Collateral (a “Material Trademark License”) without the prior written consent of Collateral Agent, which consent may be granted or withheld by Collateral Agent acting at the direction of the Holders of the Notes in accordance with the terms of the Indenture; provided, however, that such consent shall not be required if (i) such Material Trademark License is non-exclusive and is reasonably determined by such Debtor to be necessary or appropriate in the ordinary course of such Debtor’s business, and (ii) no Event of Default has occurred and is continuing. Each such license so granted shall be subject to the terms and conditions of this Agreement.

5. REPRESENTATIONS AND WARRANTIES:

Each Debtor represents to the Secured Creditors that the following statements are, as of the Effective Date, true (it being acknowledged and agreed that each reference in the representation and warranties in this Section 5 to Schedule I shall be taken as a reference to Schedule I as most recently modified, amended, or supplemented pursuant to Section 6(b)):

(a) Such Debtor is, and as to any property which at any time forms a part of the Trademark Collateral, shall be, the owner or licensee of each and every item of the Trademark Collateral, or otherwise has the right to grant a security interest in the Trademark Collateral, in each case free from any Lien or license granted by such Debtor except (i) Permitted Liens, and (ii) to the extent of any license expressly permitted by this Agreement;

(b) Set forth in Schedule I is a complete and accurate list of all Trademarks, applications for Trademarks (including, without limitation, any Trademarks and applications for Trademarks registered in any country other than the United States or any political subdivision of such country) and Trademark License Rights owned by such Debtor or in which such Debtor has any rights, in each case, to the extent constituting Trademark Collateral;

(c) Except as otherwise set forth on Schedule I, (i) each Trademark set forth on Schedule I is subsisting and has not been adjudged invalid, unregistrable or unenforceable, in whole or in part, and, to such Debtor’s knowledge, each application for any Trademark set forth on Schedule I is valid, registered or registrable and enforceable. Such Debtor does not have any knowledge of any prior uses of any item of the Trademark Collateral which would reasonably be expected to lead to such item becoming invalid or unenforceable, including known prior unauthorized uses by third parties;

(d) Such Debtor has not granted any license, release, covenant not to sue, or non-assertion assurance to any Person with respect to any of the Trademark Collateral except as expressly permitted by Section 4 or as otherwise disclosed on Schedule I;

(e) The Trademark License Rights that are necessary to the business or financial condition of such Debtor (collectively, the “Material Trademark License Rights”) are in full force and effect. Such Debtor is not in default under any of the Material Trademark License Rights, and, to such Debtor’s knowledge, no event has occurred which with notice, the passage of time, the satisfaction of any other condition, or all of them, would reasonably be expected to constitute a default by such Debtor under any of the Material Trademark License Rights; and

(f) Except for the filing of financing statements and the recording of this Agreement with the United States Patent and Trademark Office (or any similar office or agency in any other country or any political subdivision of that country), no authorization, consent, approval or other action by, and no notice to or filing or recording with, any Governmental Authority is currently or is reasonably expected to be required either: (i) for the grant by such Debtor of the Liens granted hereby or for the execution, delivery or performance of this Agreement by such Debtor or (ii) for the perfection of the security interest granted hereunder or the exercise by Collateral Agent of the Secured Creditors’ rights and remedies hereunder.

6. DEBTORS’ RESPONSIBILITIES AND AGREEMENTS: Until the payment in full in cash of the Note Obligations:

(a) Each Debtor will furnish to Collateral Agent annually a current list of all of the items of the Trademark Collateral for the purpose of identifying the Trademark Collateral, including any licensing of Trademark Collateral, and further execute and deliver such supplemental instruments, in the form of assignments or otherwise, as shall be necessary or desirable for the purpose of confirming and perfecting Collateral Agent’s security interest in any or all of the Trademark Collateral; *provided* that the Debtors shall not be required to furnish such annual list of Trademark Collateral if there have been no changes to the Debtors’ Trademark Collateral since the delivery of list most recently provided pursuant to this Section 6(a).

(b) Should any Debtor () obtain an ownership interest in any Trademark License Rights or Trademarks and applications for Trademarks (or any registered Trademarks and applications for Trademarks registered in any other country or any political subdivision of that country), in each case, to the extent constituting Trademark Collateral, which is not now identified in Schedule I or () become aware of any event or occurrence that would cause any representation or warranty in Sections 5(b), 5(c), or 5(d) hereof not to be true: (i) Sierra Hamilton LLC, a Delaware limited liability company (“Sierra Hamilton”), will give written notice on behalf of such Debtor to Collateral Agent, contemporaneously with the delivery by Sierra Hamilton to the Holders of Notes of the financial reports required by Section 4.03 of the Indenture, of such Debtor obtaining any such ownership interests during such fiscal quarter, (ii) the provisions of Section 2 shall automatically apply to the Trademark License Rights and Trademarks (exclusive of any Intent to Use Applications) acquired or obtained, and (iii) each of such Trademark License Rights and Trademarks (exclusive of any Intent to Use Applications), together with the goodwill of the business connected with the use of the mark and symbolized by it, shall automatically become part of the Trademark Collateral under this Section 6(b). If any default or Event of Default under the Note Documents would occur solely as a result of any representation or warranty being untrue because of a failure of any Debtor to update Schedule I hereto more frequently than once each fiscal quarter, no such Event of Default shall be deemed to have occurred. Each Debtor authorizes Collateral Agent to modify this Agreement by amending Schedule I to include any Trademarks and Trademark License Rights which become part of the Trademark Collateral under this Section 6(b);

(c) To the extent that any Debtor determines in its reasonable discretion that it is in such Debtor’s best interest to do so, such Debtor will take all necessary steps in any proceeding before the United States Patent and Trademark Office (or any similar office or agency in any other country or any political subdivision of that country) or in any court to maintain each Trademark and to pursue each item

of Trademark Collateral, including the filing of applications for renewal, the payment of maintenance fees, and the participation in opposition, interference and infringement proceedings. To the extent necessary to the conduct of its business (as determined by each Debtor in its commercially reasonable discretion), each Debtor agrees to take corresponding steps with respect to each new or other registered Trademark and application for Trademark registration to which such Debtor is now or later becomes entitled. Any expenses incurred in connection with such activities shall be borne by the Debtor who incurs the expenses. No Debtor shall, except as otherwise permitted under the Note Documents, (i) abandon any registration of or any item of Trademark Collateral or (ii) abandon any right to file an application for Trademark registration, or abandon any pending application, registration, or Trademark, unless the goodwill of the business connected with and symbolized by such application, registration, or Trademark is not, in the commercially reasonable determination of such Debtor, material in the conduct of such Debtor's business. Notwithstanding the foregoing, this Section 6(c) shall apply only with respect to property constituting Trademark Collateral;

(d) Each Debtor will notify Collateral Agent in writing, promptly, and, in any event, within five Business Days after such Debtor receiving or obtaining knowledge of such information, (i) of any information which such Debtor has received or is otherwise known to such Debtor, which would reasonably be expected to materially adversely affect the value of the Trademark Collateral or the rights of the Secured Creditors with respect thereto and (ii) when such Debtor has knowledge (A) that any item of the Trademark Collateral material to its business may become abandoned (unless abandoned in accordance with Section 6(c)) or dedicated; (B) of any adverse written determination by a court or other Governmental Authority (including the institution of any proceeding in the United States Patent and Trademark Office or any other United States or foreign court or tribunal of any kind) regarding any item of the Trademark Collateral material to its business; or (C) that such Debtor is or potentially could be in default of any of the Material Trademark License Rights;

(e) Each Debtor will promptly notify Collateral Agent should such Debtor become aware that any of the Trademark Collateral is infringed or misappropriated by any Person, and will, to the extent that such Debtor determines in its discretion, exercised in a commercially reasonable manner, that it is in such Debtor's best interests to do so, promptly sue for such infringement or misappropriation and for recovery of all damages caused by such infringement or misappropriation, and will take all other commercially reasonable actions, as reasonably determined by such Debtor under the circumstances, to protect the Trademark Collateral. Any expense incurred in connection with the foregoing activities will be borne by such Debtor;

(f) No Debtor will (i) sell, assign (by operation of law or otherwise), license or otherwise dispose of any of the Trademark Collateral except as permitted by this Agreement or the Indenture; (ii) create or suffer to exist any Liens on, or with respect to, any of the Trademark Collateral except Permitted Liens; or (iii) take any other action in connection with any of the items of Trademark Collateral that would reasonably be expected to materially impair the value of the interests or rights of such Debtor or the Secured Creditors in, to or under such Trademark Collateral (taken as a whole);

(g) Each Debtor will pay all reasonable expenses and attorneys' fees and expenses incurred by Collateral Agent or the Secured Creditors in the exercise (including enforcement) of any rights or remedies under this Agreement or applicable law; and each Debtor agrees that said expenses and fees shall constitute part of the Note Obligations and be secured by the Trademark Collateral and the other Collateral; and

(h) Each Debtor will defend the Trademark Collateral against all claims and legal proceedings by Persons other than Collateral Agent or any Secured Creditor (except to the extent, if any, of the Permitted Liens).

7. POWER OF ATTORNEY: Each Debtor hereby makes, constitutes and appoints Collateral Agent its true and lawful attorney in fact: (a) to execute and/or authenticate on its behalf and/or file financing statements reflecting its security interest in the Trademark Collateral and any other documents necessary or desirable to perfect or otherwise further the security interest granted herein, (b) to record the security interest in any and all Trademark Collateral in favor of Collateral Agent with the United States Patent and Trademark Office (and each other applicable Governmental Authority), and (c) upon the occurrence and during the continuance of an Event of Default: (i) to file any claims or take any action or institute any proceedings that Collateral Agent may deem necessary or desirable for the maintenance, protection, and collection of any of the Trademark Collateral, (ii) to assign of record in the United States Patent and Trademark Office (and each other applicable Governmental Authority) any and all of the Trademark Collateral in Collateral Agent's name (or the name of any nominee), or (iii) otherwise to enforce the rights of the Secured Creditors with respect to any of the Trademark Collateral. It is understood and agreed that the foregoing powers of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until the termination of this Agreement in accordance with Section 9(k) of this Agreement.

8. DEFAULT:

(a) If an Event of Default occurs and is continuing, then, in any such event, Collateral Agent may, at Collateral Agent's option and without further notice to any Debtor except as expressly provided in the Indenture, the Intercreditor Agreement or the other Note Documents, as applicable, resort to the rights and remedies available at law, in equity and under the Note Documents, including the rights and remedies of a secured party under the Uniform Commercial Code (whether or not the Uniform Commercial Code applies to the affected Trademark Collateral) including, to the maximum extent permitted by applicable law, (i) causing the assignment of record in the United States Patent and Trademark Office (or any other applicable Governmental Authority) of the Trademark Collateral in Collateral Agent's name or in the name of any nominee of Collateral Agent; (ii) requiring any Debtor to assemble all or any part of the documents embodying the Trademark Collateral as directed by Collateral Agent and make the documents available to Collateral Agent at a place to be designated by Collateral Agent; (iii) licensing the Trademark Collateral or any part thereof, or assigning its rights to the Trademark License Rights to any Person and exercising any and all rights and remedies of the Secured Creditors under or in connection with the Trademark License Rights or otherwise in respect of the Trademark Collateral; and (iv) selling the Trademark Collateral at public or private sale, and the applicable Debtor will be credited with the net proceeds of such sale, after payment in full in cash of all Note Obligations, only when they are actually received by Collateral Agent, and any requirement of reasonable notice of any disposition of the Trademark Collateral will be satisfied if such notice is sent to such Debtor 10 days prior to such disposition. In the event of any sale, assignment, or other disposition of any of the Trademark Collateral following the occurrence and during the continuance of such Event of Default, (A) the goodwill of the business connected with and symbolized by any Trademark Collateral subject to such disposition shall be included, and (B) each Debtor will, at the request of Collateral Agent, use its best efforts to make available to Collateral Agent such Persons as can supply to Collateral Agent or its designee each Debtor's (I) know-how and expertise relating to the manufacture and sale of products or the provision of services relating to any Trademark Collateral subject to such disposition and (II) customer lists and other records relating to such Trademark Collateral and to the distribution of such products and services.

(b) No remedy set forth herein is exclusive of any other available remedy or remedies, but each is cumulative and in addition to every other remedy given under this Agreement, the other Note Documents or now or hereafter existing at law or in equity or by statute. The Secured Creditors may proceed to protect and enforce their rights by an action at law, in equity or by any other appropriate proceedings. No failure on the part of the Secured Creditors to enforce any of the rights hereunder shall

be deemed a waiver of such rights or of any Event of Default and no waiver of any Event of Default will be deemed to be a waiver of any subsequent Event of Default.

(c) Each Debtor acknowledges and agrees that Collateral Agent shall have no obligation to, and each Debtor hereby waives to the fullest extent permitted by law any right that it may have to require Collateral Agent to: (i) prepare any of the Trademark Collateral for sale, (ii) pursue any Person to collect any of the Note Obligations or (iii) exercise collection remedies against any Persons obligated on the Trademark Collateral. Collateral Agent's compliance with any applicable local, state or federal law requirements, in addition to those imposed by the Uniform Commercial Code in connection with a disposition of any or all of the Trademark Collateral will not be considered to adversely affect the commercial reasonableness of any disposition of any or all of the Trademark Collateral under the Uniform Commercial Code.

9. GENERAL PROVISIONS:

(a) All rights of the Secured Creditors shall inure to the benefit of their successors, assigns, and all obligations of each Debtor shall bind the successors and assigns of each Debtor.

(b) This Agreement and the other Loan Documents contain the entire agreement of the parties with respect to the subject matter of this Agreement and supersede all previous understandings and agreements relating to the subject matter hereof, and no oral agreement whatsoever, whether made contemporaneously herewith or hereafter shall amend, modify or otherwise affect the terms of this Agreement. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which together shall constitute one and the same instrument. This Agreement may be signed by facsimile signatures or other electronic delivery of an image file reflecting the execution hereof, and, if so signed: (i) may be relied on by each party as if the document were a manually signed original and (ii) will be binding on each party for all purposes.

(c) All rights and liabilities hereunder shall be governed and limited by and construed in accordance with the local laws of the State of New York (without regard to New York conflicts of law principles).

(d) If any provision of this Agreement is found invalid by a court of competent jurisdiction, the invalid term will be considered excluded from this Agreement and will not invalidate the remaining provisions of this Agreement.

(e) Each Debtor hereby irrevocably authorizes Collateral Agent to file with the United States Patent and Trademark Office a copy of this Agreement and any amendments thereto or any document which may be required by the United States Patent and Trademark Office. Each Debtor also hereby irrevocably authorizes Collateral Agent at any time and from time to time to file in any filing office in any jurisdiction any initial financing statements and amendments thereto that: (i) describe the Trademark Collateral and (ii) provide any other information required by Part 5 of Article 9 of the Uniform Commercial Code for the sufficiency or filing office acceptance of any financing statement or amendment, including whether any Debtor is an organization, the type of organization and any organizational identification number issued to any Debtor. Each Debtor hereby irrevocably authorizes Collateral Agent at any time and from time to time to correct or complete, or to cause to be corrected or completed, any financing statements, continuation statements or other such documents as have been filed naming such Debtor as debtor and Collateral Agent as secured party. Collateral Agent is hereby authorized to give notice to any licensor or licensee of any Trademark Collateral or any other Person as may be necessary or desirable under applicable laws to evidence, protect, perfect, or, following the

occurrence and during the continuance of an Event of Default, enforce the security interest granted to Collateral Agent in the Trademark Collateral.

(f) Collateral Agent shall have no duty of care with respect to the Trademark Collateral except that Collateral Agent shall exercise reasonable care with respect to the Trademark Collateral in Collateral Agent's custody. Collateral Agent shall be deemed to have exercised reasonable care if (i) such property is accorded treatment substantially equal to that which Collateral Agent accords its own similar property or (ii) Collateral Agent takes such action with respect to the Trademark Collateral as any Debtor shall reasonably request in writing. Collateral Agent will not be deemed to have, and nothing in this subparagraph (f) may be construed to deem that Collateral Agent has, failed to exercise reasonable care in the custody or preservation of Trademark Collateral in its possession merely because either (A) Collateral Agent failed to comply with any request of any Debtor or (B) Collateral Agent failed to take steps to preserve rights against any Persons in such property. Each Debtor agrees that Collateral Agent has no obligation to take steps to preserve rights against any prior parties.

(g) The definition of any document, instrument or agreement includes all schedules, attachments and exhibits thereto and all renewals, extensions, supplements, restatements and amendments thereof. All schedules, exhibits or other attachments to this Agreement are incorporated into, and are made and form an integral part of, this Agreement for all purposes. As used in this Agreement, "hereunder," "herein," "hereto," "this Agreement" and words of similar import refer to this entire document; "including" is used by way of illustration and not by way of limitation, unless the context clearly indicates the contrary; the singular includes the plural and conversely; and any action required to be taken by any Debtor is to be taken promptly, unless the context clearly indicates the contrary. The description of the Trademark Collateral in this Agreement does not in any way limit the description of, or Collateral Agent's Lien on, the "Collateral" as defined in the Security Agreement or the Secured Creditors' rights or remedies respecting the "Collateral." Without limiting the generality of the foregoing, this Agreement is not in any way intended, nor may it be construed, to replace, impair or extinguish the creation, attachment, perfection or priority of the security interests and other Liens granted to, or held by, Collateral Agent under the Security Agreement or any other Note Documents, which security interests and other Liens, each Debtor, by this Agreement, acknowledges, reaffirms and confirms to Collateral Agent.

(h) COLLATERAL AGENT, EACH SECURED CREDITOR AND EACH DEBTOR HEREBY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY MATTERS ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(i) The remedies provided in this Agreement and the other Note Documents are cumulative and not exclusive of any remedies provided by law. Exercise of one or more remedy(ies) by the Secured Creditors does not require that all or any other remedy(ies) be exercised and does not preclude later exercise of the same remedy. Subject to Section 9(1), if there is any conflict, ambiguity, or inconsistency, in Collateral Agent's judgment, between the terms of this Agreement and any of the other Note Documents, then the applicable terms and provisions, in Collateral Agent's judgment, providing the Secured Creditors with the greater rights, remedies, powers, privileges, or benefits will control.

(j) Each Debtor recognizes that, in the event that such Debtor fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, any remedy at law may prove to be inadequate relief to the Secured Creditors; therefore, each Debtor agrees that the Secured Creditors, if the Secured Creditors so request, shall be entitled to seek temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

(k) This Agreement will terminate on the payment in full in cash of the Note Obligations. Upon the payment in full in cash of the Note Obligations, Collateral Agent's Liens on the Trademark Collateral granted under this Agreement shall terminate automatically and Collateral Agent will, upon any Debtor's request and at such Debtor's expense, execute and deliver to such Debtor a release of its Liens on the Trademark Collateral granted pursuant to this Agreement or similar instrument of re-conveyance prepared by Debtors and deliver UCC termination statements with respect to its Liens on the Trademark Collateral granted pursuant to this Agreement, and otherwise comply with any other applicable provisions of the Note Documents.

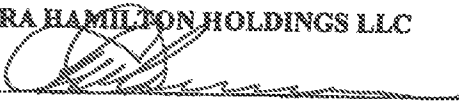

(l) NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT PURSUANT TO OR IN CONNECTION WITH THIS AGREEMENT OR THE TERMS OF ANY OTHER NOTE DOCUMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT, AMONG FIFTH THIRD BANK, AS ABL AGENT THEREUNDER, AND WELLS FARGO BANK, NATIONAL ASSOCIATION, AS NOTE AGENT THEREUNDER. IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT, THE TERMS OF THE INTERCREDITOR AGREEMENT SHALL CONTROL.
