GRANT OF SECURITY INTEREST IN TRADEMARKS AND PATENTS

WHEREAS, Marine Accessories Corporation, an Arizona corporation, Monster Marine Products, Inc., a Delaware corporation, Great Lakes Boat Top LLC, a Delaware limited liability company, and Xtreme Marine Corporation, a Delaware corporation (collectively, the "Grantors"), respectively own the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith, and the patents and patent applications, in each case set forth on Schedule A and Schedule B attached hereto; and

WHEREAS, COLE TAYLOR BANK, an Illinois banking corporation (the "Grantee"), desires to acquire a security interest in, and lien on, all of the Grantors' right, title and interest in and to the Grantors' trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications; and

WHEREAS, the Grantors are willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications described above.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Credit and Security Agreement, dated as of December 27, 2013, between the Grantors, Marine Accessories Corp., Inc., a Delaware corporation, and the Grantee (as amended from time to time, the "Credit Agreement"), each of the Grantors hereby grants to the Grantee a security interest in, and a lien upon, all of Grantors' right, title and interest in and to (i) the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the "Marks") set forth on Schedule A attached hereto, (ii) the patents and patent applications (the "Patents") set forth on Schedule B attached hereto, in each case together with (iii) all Proceeds (as such term is defined in the Credit Agreement) of the Marks, (iv) all of the goodwill of the businesses with which the Marks are associated, and (v) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Marks and/or Patents or unfair competition regarding the same.

This GRANT OF SECURITY INTEREST is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Credit Agreement) of the Grantors and shall be effective as of the date of the Credit Agreement.

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Credit Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.

Notwithstanding any other provision contained herein, this Grant of Security Interest, the liens created hereby and the rights, remedies, duties and obligations provided for

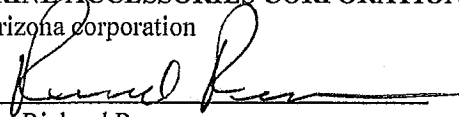

herein are subject in all respects to the provisions of the Medley Debt Intercreditor Agreement (as such term is defined in the Credit Agreement). In the event of any conflict or inconsistency between the provisions of this Grant of Security Interest and the Medley Debt Intercreditor Agreement that relates solely to the rights or obligations of, or relationship between, Grantee and the Medley Debt Agent (as such term is defined in the Credit Agreement), the provisions of the Medley Debt Intercreditor Agreement shall control.
