2. Grant of Security Interest.

2.1 Security Interest. As collateral security for the payment and performance in full of all of its respective Secured Obligations and subject to the MLB Rules and Regulations, each of the Grantors hereby unconditionally grants to the Administrative Agent a continuing security interest in and first priority lien on the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) the Pledged Trademarks to the Administrative Agent.

In no event shall this Trademark Agreement, the grant, assignment, transfer and conveyance of the Pledged Trademarks hereunder, or the recordation of this Trademark Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Administrative Agent or the Secured Parties in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement and this Trademark Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Trademarks), or any present or future rights and interests of the Administrative Agent or the Secured Parties in and to the Collateral under or in connection with the Security Agreement, this Trademark Agreement or the Uniform Commercial Code; provided, that the foregoing are subject to the MLB Rules and Regulations. entire and unencumbered right, title and interest in and to each of the Trademarks that are material to such Grantor or its business (other than ownership and other rights reserved by third party owners with respect to Trademarks that such Grantor is licensed to use), free and clear of any liens, charges or other encumbrances, other than Permitted Liens and the security interest and conditional assignment created by the Security Agreement and this Trademark Agreement; (g) subject to the MLB Rules and Regulations, such Grantor has the unqualified right to enter into this Trademark Agreement and to perform its terms; (h) such Grantor has used, and will continue to use, all legally required notices in connection with its use of the Trademarks, except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect; (i) such Grantor has used, and will continue to use for the duration of this Trademark Agreement, consistent standards of quality in its provision of products and services sold or provided under the Trademarks, except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect; (j) this Trademark Agreement, together with the Security Agreement, will create in favor of the Administrative Agent a valid and perfected first priority security interest in the Pledged Trademarks listed on Schedule A upon making the filings referred to in clause (k) of this Section 3; and (k) solely with respect to the Pledged Trademarks listed on Schedule A, except for the filing of financing statements with the appropriate filing office under the Uniform Commercial Code and the recording of this Trademark Agreement with the PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (A) for the grant by such Grantor or the effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Agreement by such Grantor, or (B) for the perfection of or the exercise by the Administrative Agent (for the benefit of the Secured Parties) of any of its rights and remedies hereunder, except for any approvals or consents required in connection with a foreclosure by the Administrative Agent. For the avoidance of doubt, any representation or warranty contained in this Section 3 that is based upon any of the Grantors' "knowledge" or any similar phrase shall not be deemed to include the knowledge of any MLB Entity.

4. Inspection Rights.

Subject to the MLB Rules and Regulations, each of the Grantors hereby grants to the Administrative Agent and its employees and agents the right, upon reasonable notice during normal business hours, to visit such Grantor's plants and facilities, if any, that manufacture, inspect or store products sold under any of the Trademarks and to inspect the products and quality control records relating thereto upon reasonable advance notice at reasonable times during regular business hours.

5. No Transfer or Inconsistent Agreements.

Without the Administrative Agent's prior written consent and except for licenses of the Pledged Trademarks in the ordinary course of the Grantors' respective businesses, the Grantors will not (a) except as permitted pursuant to the terms of the Credit Agreement, mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged Trademarks, or (b) enter into any agreement (for example, a license agreement) that is inconsistent with the Grantors' obligations under this Trademark Agreement or the Security Agreement.

6. After-Acquired Trademarks, etc.

6.1 After-Acquired Trademarks. Subject to the MLB Rules and Regulations, if, before its respective Secured Obligations shall have been finally paid and satisfied in full and the Aggregate Commitments have been terminated, any Grantor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights (other than any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a

security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law), the provisions of this Trademark Agreement shall automatically apply thereto. Not less frequently than annually, the Grantors shall request from the appropriate MLB Entity a report that lists and reasonably describes all Trademarks, Trademark Registrations and Trademark Rights acquired by or on behalf of the Grantors during the immediately preceding twelve (12) months. Promptly after receipt of such report, the Grantors shall provide to the Administrative Agent a copy thereof and, subject to the MLB Rules and Regulations, execute and deliver to the Administrative Agent such documents or instruments as the Administrative Agent may reasonably request further to implement, preserve or evidence the interest of the Administrative Agent, for the benefit of the Secured Parties, in the Trademarks, Trademark Registrations and Trademark Rights described therein.

6.2 Amendment to Schedule. Each of the Grantors authorizes the Administrative Agent to modify this Trademark Agreement without the necessity of the Grantors' further approval or signature, by amending Schedule A hereto to include any future or other Trademarks, Trademark Registrations or Trademark Rights under Section 2 or 6 hereof.

7. Trademark Prosecution.

7.1 The Grantors Responsible. The Grantors shall have the right and duty to prosecute any action that it determines is necessary or appropriate to protect their interest in the Pledged Trademarks that are material to the Grantors or its business and shall hold the Administrative Agent and each Secured Party harmless from any and all costs, damages, Liabilities and expenses that may be incurred by the Administrative Agent or any Secured Party in connection with the interests of the Administrative Agent and the Secured Parties in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby. In respect of such responsibility, the Grantors shall retain trademark counsel retained in accordance with the MLB Rules and Regulations.

7.2 The Grantors' Duties, etc. The Grantors shall have the right and the duty to the extent it determines necessary or appropriate, through trademark counsel retained in accordance with the MLB Rules and Regulations, to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter that are material to the Grantors or their respective businesses, to preserve and maintain all rights in the Trademarks and Trademark Registrations that are material to the Grantors or their respective businesses, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations, unless, in each case, the failure to do so could not reasonably be expected to have a Material Adverse Effect. Any expenses incurred in connection with such applications and actions shall be borne by the Grantors. Unless reasonably required by any MLB Entity, the Grantors shall not abandon any filed trademark registration application, or any Trademark Registration or Trademark, unless the abandonment could not reasonably be expected to have a Material Adverse Effect.

7.3 The Grantors' Enforcement Rights. The Grantors shall have the right and the duty to the extent it determines necessary or appropriate to bring suit or other action in the applicable Grantor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights, except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The Grantors may require the Administrative Agent to join in such suit or action as necessary to assure the applicable Grantor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Administrative Agent is completely satisfied that such joinder will not subject the Administrative Agent to any risk of liability. The Grantors shall promptly, upon demand,

reimburse and indemnify the Administrative Agent for all damages, costs and expenses, including legal fees, incurred by the Administrative Agent pursuant to this Section 7.

7.4 Protection of Trademarks, etc. In general, the Grantors shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as they deem necessary to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks, unless the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The Grantors shall not take or fail to take any action, nor permit any action to be taken or not taken by others under their control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks that are material to the Grantors or their respective businesses.

7.5 Notification by the Grantors. Upon the request of the Administrative Agent, the Grantors shall request from the appropriate MLB Entity a report that describes in reasonable detail in writing, (i) any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or Trademark Registrations or any Grantor's rights, title or interests in and to the Pledged Trademarks that could reasonably be expected to result in a Material Adverse Effect, and (ii) any event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks, the ability of any Grantor or the Administrative Agent to dispose of any of the Pledged Trademarks or the rights and remedies of the Administrative Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks). Promptly following the receipt of such report the Grantors shall deliver a copy thereof to the Administrative Agent.

8. Remedies.

Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have, subject to Section 22 hereof and the restrictions contained in the MLB Rules and Regulations, in addition to all other rights and remedies given it by this Trademark Agreement (including, without limitation, those set forth in Section 2.2 hereof), the Credit Agreement, the Security Agreement, the other Security Documents and the other Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York, and, without limiting the generality of the foregoing, the Administrative Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Grantors, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Trademarks, or any interest that the Grantors may have therein and after deducting from the proceeds of sale or other disposition of the Pledged Trademarks all expenses incurred by the Administrative Agent in attempting to enforce this Trademark Agreement (including all expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations as set forth in Section 19 of the Security Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to the Grantors at least ten (10) days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made, which each of the Grantors hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Administrative Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of. For the avoidance of doubt, pursuant to the MLB Rules and Regulations, no Pledged Trademarks may be used, licensed or sublicensed by or transferred to the Administrative Agent, and the Administrative Agent may not use, license or sublicense any of the Pledged Trademarks, unless the Franchise (or management thereof) has been transferred in accordance with the MLB Rules and Regulations.

9. Collateral Protection.

If any Grantor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of any Grantor shall be breached in any material respect, the Administrative Agent (for the benefit of the Secured Parties), in its own name or that of the applicable Grantor (in the sole discretion of the Administrative Agent but with prior notice to the applicable Grantor such that the applicable Grantor has a reasonable opportunity to do such act or remedy such breach), may (but shall not be obligated to), to the extent permitted by the MLB Rules and Regulations, do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the applicable Grantor agrees promptly to reimburse the Administrative Agent for any cost or expense incurred by the Administrative Agent in so doing.

10. Power of Attorney.

If any Event of Default shall have occurred and be continuing, each of the Grantors does hereby make, constitute and appoint the Administrative Agent (and any officer or agent of the Administrative Agent as the Administrative Agent may select in its exclusive discretion) as the Grantors' true and lawful attorney-in-fact, with full power of substitution and with the power to endorse the Grantors' names on all applications, documents, papers and instruments necessary for the Administrative Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third person, or to take any and all actions necessary for the Administrative Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of the Grantors therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts that the Grantors are obligated to execute and do hereunder, subject in each instance to the terms and conditions of the MLB Rules and Regulations and Section 22 hereof. Each of the Grantors hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases the Administrative Agent from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Administrative Agent under this power of attorney (except for the Administrative Agent's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Agreement.

11. Further Assurances.

The Grantors shall, at any time and from time to time, and at their expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation obtaining consents of third parties), as the Administrative Agent may reasonably request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Administrative Agent the grant, perfection and priority of the security interest of the Administrative Agent, for the benefit of the Secured Parties, in the Pledged Trademarks.

12. Termination.

At such time as all of the Secured Obligations have been finally paid and satisfied in full and the Aggregate Commitments have been terminated, this Trademark Agreement shall terminate and the Administrative Agent shall, upon the written request and at the expense of the Grantors, execute and deliver to the Grantors all deeds, assignments and other instruments as may be necessary or proper to terminate the security interest granted hereunder and reassign and reconvey to and re-vest in the Grantors

the entire right, title and interest to the Pledged Trademarks previously granted, assigned, transferred and conveyed to the Administrative Agent, for the benefit of the Secured Parties, by the Grantors pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof that may have been made by the Administrative Agent pursuant hereto or the Security Agreement.

13. Course of Dealing.

No course of dealing between the Grantors and the Administrative Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Administrative Agent, any right, power or privilege hereunder or under the Security Agreement or any other agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Expenses.
