ASSIGNMENT OF TRADEMARK

WHEREAS, Medcon Biolab Technologies, Inc. fka Medcon Products, Inc., a Massachusetts corporation with a principal place of business located at 50 Brigham Hill Road, Grafton, Massachusetts, herein referred to as the "Assignor" and Oakmed Developments Limited, a company registered in England and Wales with a principal place of business in Northampton, United Kingdom, herein referred to as the "Assignee" are parties to an agreement wherein the Assignor has agreed to sell, assign, convey, transfer and deliver to Assignee, and Assignee has agreed to acquire from Assignor, all of Assignor's rights, title and interests in and to, inter alia, the intellectual property shown in this Assignment;

WHEREAS, Assignor has adopted and is using trademark(s) registered in the United States Trademark Office, that are shown in Schedule A ("Assigned Trademarks") and Assignee is desirous of acquiring Assigned Trademarks and the registration thereof.

Now therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby assign to Assignee all rights, title and interest in and to the Assigned Trademarks together with (1) the goodwill of the business relating to the products and services in respect upon which the Assigned Trademarks are used and for which they are registered: (2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the Assigned Trademarks, including without limitation, damages, and payments for past or future infringements and misappropriations of the Assigned Trademarks: and (3) all rights to sue for past, present and future infringements or misappropriations of the Assigned Trademarks.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the applicable officials of any other agencies or authorities, governmental or otherwise, to issue or transfer all said Assigned Trademarks to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

The terms and provisions of this Assignment shall be binding upon, and inure to the benefit of, Assignor and Assignee, and each of their respective successors and assigns.

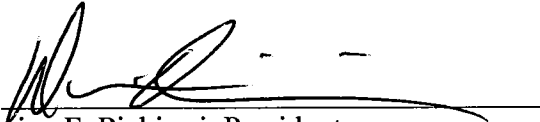

As and to the extent that any governmental or quasi-governmental office or agency pertaining to the filing, registration, application or processing of intellectual property, including without limitation the United States Patent and Trademark Office or the offices in which any of the Assigned Trademarks listed in Schedule A is or was registered, applied for, pending or recorded, requests that additional forms or documents be presented or executed by Assignor or its agents, affiliates or attorneys, Assignor shall at the written request of the Assignee and at Assignee's sole cost and expense, execute such documents and deliver them to Assignee or its agents, attorneys or designees, as applicable.

Except to the extent that federal law preempts state law with respect to matters covered hereby, this Assignment and the rights and obligations of the parties hereto shall be governed by and shall be enforced and interpreted in accordance with the laws of the Commonwealth of Massachusetts, without regard to conflicts of law doctrines.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be duly executed and delivered as of the date first set forth below.

Date: April 10,, 2013
