TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated January 16, 2014 (as amended, restated, supplemented or otherwise modified from time to time, this "Trademark Security Agreement"), is made by Canada Goose Inc., an Ontario corporation (together with its successors, by amalgamation or otherwise, and permitted assigns, being hereinafter referred to collectively as the "Grantor"), in favor of Canadian Imperial Bank of Commerce ("CIBC"), as administrative agent hereunder for the Lenders (as defined in the Security Agreement referred to below) (CIBC acting as such administrative agent and any successor or successors to CIBC acting in such capacity being hereinafter referred to as the "Agent").

WHEREAS, the Grantor has entered into a General Security Agreement, dated as of December 9, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), with the Agent. Capitalized terms defined in the Security Agreement and not otherwise defined herein are used herein as defined in the Security Agreement.

AND WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Agent, for the benefit of the Agent and the Lenders, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Agent for the benefit of the Agent and the Lenders a security interest in all of the Grantor's right, title and interest in and to the following (the "Collateral"):

- (a) the Trademark registrations and applications set forth in Schedule A hereto, together with the goodwill symbolized thereby;
- (b) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;
- (c) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (d) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this Trademark Security Agreement secures the payment of all Obligations of the Grantor.

SECTION 3. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. Termination. Upon the termination of the Security Agreement in accordance with its terms, the Agent shall, upon the request and at the sole expense of the Grantor, provide written documentation as reasonably requested by the Grantor to evidence the release of Agent's liens and security interests in the Collateral under this Trademark Security Agreement.

SECTION 6. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (including by telecopy or PDF), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 7. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
