### RECITALS

WHEREAS, Assignor owns the trademark listed on Schedule A attached hereto (the "Mark") that is registered in the United States Patent and Trademark Office;

WHEREAS, pursuant to the Bill of Sale and Assignment Agreement, dated as of the date hereof (the "Purchase Agreement"), by and between Assignor and Gannett Satellite Information Network, Inc., a Delaware corporation ("Assignee"), Assignor has agreed to transfer certain assets, including the Mark, to Assignee; and

WHEREAS, Assignee desires to acquire all rights, title and interests in, to and under the Mark and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged by Assignor:

1. Assignor hereby conveys, assigns, transfers and delivers absolutely to Assignee, its successors and assigns free from encumbrances, all of Assignor's right, title and interest in and to the Mark and the registration, together with the goodwill of the Assignor which is symbolized by the Mark and all rights and powers arising or accrued therefrom including, without limitation, the right to sue and recover damages and other remedies for future and past infringements of the Mark and to fully and entirely stand in the place of Assignor in all matters related thereto.

2. Assignor agrees to take such further action and to execute such additional documents as may be necessary to perfect Assignee's title in and to the Mark.

3. Assignor hereby requests the Commissioner of Patents and Trademarks (the "Commissioner") to record this Trademark Assignment to Assignee and to issue any Certificates of Registration in the name of Assignee. Assignor hereby covenants that the Commissioner has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreements inconsistent herewith.

4. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without reference to its choice of law rules. The parties hereto, by mutual agreement in writing, may amend, modify and supplement this Trademark Assignment. The failure of any party hereto to enforce at any time any provision of this Trademark Assignment shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Trademark Assignment or any part hereof or the right of any party thereafter to enforce each and every such provision. This Trademark Assignment may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement.
