COLLATERAL ASSIGNMENT OF TRADEMARKS dated as of December 19, 2013 (“Agreement”), between MP Assets Corporation, a Delaware corporation (together with its successors and assigns, the “Assignor”), and KeyBank National Association, as Administrative Agent (together with its successors and assigns in such capacity, the “Administrative Agent”), for the benefit of the Secured Creditors (as defined in the Security Agreement referred to below):

RECITALS:

(1) This Agreement is made pursuant to the Credit Agreement, dated as of December 19, 2013 (as amended, restated or otherwise modified from time to time, the “Credit Agreement”), among the Assignor, the lenders party thereto (the “Lenders”), and the Administrative Agent.

(2) In connection with the Credit Agreement, the Assignor is a party to a Pledge and Security Agreement, dated as of December 19, 2013 (as amended, restated or otherwise modified from time to time, the “Security Agreement”), among the Assignor, the other grantors named therein and the Administrative Agent, pursuant to which the Assignor has granted to the Administrative Agent, for the benefit of the Secured Creditors, a continuing security interest in, assignment of and lien on substantially all of its assets, whether now owned or existing or hereafter acquired or arising.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby covenants and agrees with the Administrative Agent and the other Secured Creditors as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Assignment and Grant of Security Interest. As security for the prompt payment and performance of the Secured Obligations, the Assignor hereby assigns, transfers, conveys and grants to the Administrative Agent, for the benefit of the Secured Creditors, a security interest in, a general lien upon and/or a right of set-off against (whether now owned or hereafter acquired by the Assignor and whether acquired in the United States or elsewhere in the world) all right, title and interest of the Assignor in and to the following, whether now existing or hereafter acquired:

(i) all trademarks, trade names and service marks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(ii) all applications for the registration of trademarks, trade names and service marks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(iii) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any State, the District of Columbia or any possession or territory of the United States;

(iv) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any other country or any province, department or other governmental subdivision thereof;

(v) all registrations and recordings with respect to any of the foregoing;

(vi) all reissues, extensions and renewals of any of the foregoing;

(vii) all corporate names, business names, trade styles, logos, other source or business identifiers; all information, customer lists, identification of supplier, data, plans, blueprints, specifications, designs, drawings, recorded knowledge, surveys, engineering reports, test reports, manuals, materials standards, processing standards, performance standards, catalogs, computer and automatic machinery software and programs, and the like pertaining to operations by the Assignor in, on or about any of its plants or warehouses; all field repair data, sales data and other information relating to sales or service of products now or hereafter manufactured on or about any of its plants; and all accounting information pertaining to operations in, on or about any of its plants and all media in which or on which all of the information or knowledge or data or records relating to its plants and warehouses may be recorded or stored and all computer programs used for the compilation or printout of such information, knowledge, records or data, and the Administrative Agent shall keep all such information, knowledge, records or data strictly confidential in accordance with the Credit Agreement;

(viii) all licenses and other agreements relating in whole or in part to any of the foregoing, including all rights to payments in respect thereof;

(ix) all rights to sue for past, present or future infringements of any of the foregoing;

(x) all goodwill related to any of the foregoing;
