INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment (this “*Assignment*”), dated as of January 23, 2014 (the “*Effective Date*”), is entered into by and between The Faucet-Queens Inc., a Delaware corporation (the “*Assignor*”) and HBC/FQ LLC, a Delaware limited liability company (the “*Assignee*”). The Assignor and the Assignee are referred to individually in this Assignment as a “*Party*” and collectively as the “*Parties*.”

WHEREAS, the Assignor and Assignee have entered into that certain Asset Purchase Agreement dated January 23, 2014 (the “*Asset Purchase Agreement*”); and

WHEREAS, pursuant to the Asset Purchase Agreement, Assignor has agreed to assign to Assignee all of Assignor’s right, title and interest in and to the Intellectual Property (as defined below), including the patents and patent applications set forth on the attached Schedule 1 (collectively, the “*Patents*”), trademark and/or service mark applications and registrations set forth on the attached Schedule 2 (collectively, the “*Trademarks*”), and the Internet domain names set forth on the attached Schedule 3 and all sublevels of such Internet domain names (collectively, the “*Domain Names*”), and the Assignee has agreed to acquire all right, title and interest in and to the Intellectual Property;

NOW, THEREFORE, in consideration of the recitals set forth above and the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Except as defined herein, capitalized terms shall have the meaning ascribed to them in the Asset Purchase Agreement.

2. Assignment of Intellectual Property. As of the Effective Date, Assignor hereby, absolutely and unconditionally, conveys, sells, assigns, transfers, grants and sets over unto Assignee, all of Assignor’s worldwide rights, title, interest and benefit in and to the Intellectual Property; all rights of any kind whatsoever of the Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world; any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any of the foregoing; together with all rights, claims and causes of action, both at law and in equity, whether accruing before, on and/or after the date hereof, including all rights to sue, settle any claim, and collect all damages for any past, present, or future infringement, dilution, violation, misuse, breach or default, or misappropriation of the Intellectual Property; with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages, the same to be held and enjoyed by the Assignee, its successors and assigns forever, as fully and entirely as the same could have been held and enjoyed by the Assignor if this sale had not been made and the Assignee does hereby accept such sale, assignment, transfer, grant, conveyance and set over. All representations, warranties, covenants and indemnities of Seller relating to the Intellectual Property are set forth in the Asset Purchase Agreement and in Sections 3 and 4 of this Assignment.

3. **Cooperation.** Assignor hereby covenants and agrees that it will communicate to Assignee, its successors, legal representatives and assigns, any material facts (including, but not limited to, information relating to use or non-use, enforceability, or infringement of the Intellectual Property) known to Assignor with respect to the Intellectual Property and testify in any legal proceeding, sign all lawful papers, execute all applications (including, but not limited to, powers of attorney, specific assignments, transfers and assurances), make all rightful oaths and use reasonable best efforts at the request of the Assignee to aid Assignee, its successors, legal representatives and assigns in obtaining and enforcing protection for the Intellectual Property and in enjoying the full benefits thereof. Assignor hereby constitutes and appoints Assignee the true and lawful attorney of Assignor to act as the Assignor's attorney-in-fact solely for the purpose of executing any documents and taking all necessary steps to cause Assignor to perform any of the Assignor's obligations set forth in this Assignment.

4. **Recordation and Further Actions.** Assignor hereby authorizes and requests the U.S. Patent and Trademark Office and the Internet Corporation for Assigned Names and Numbers, or any foreign equivalent thereto, and any other applicable governmental officials to record the Assignee as owner of the Patents, Trademarks, and Domain Names and of the entire title and interest in, to and under the same, for the sole use and enjoyment of the Assignee, its successors, assigns and other legal representatives. Assignor shall take such steps and actions following the date hereof, including the execution of any documents or other similar items, to ensure that the assigned Intellectual Property is properly assigned to the Assignee, or any assignee or successor thereto.

5. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to that state's rules regarding choice of law.

6. **Binding Effect.** This Assignment shall be binding upon and inure to the benefit of all of the Parties hereto and, their successors, legal representatives and assigns.

7. **Integration and Amendment.** This Assignment together with the Asset Purchase Agreement constitutes the entire agreement among the Parties hereto pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.

8. **Interpretation.** When a reference is made in this Assignment to a Section such reference shall be to a Section in this Assignment unless otherwise indicated. Whenever the words "included," "includes" or "including" are used in this Assignment, they shall be deemed to be followed by the phrase "without limitation." The parties acknowledge and agree that any rule of construction to the effect that ambiguities are to be construed against the drafting party shall not be applied to the construction or interpretation of this Assignment.

9. **Non-Waiver.** No waiver by any party hereto of any one or more defaults by any party in performance of any of the provisions of this Assignment shall be construed as a waiver of any other default or defaults, whether of a like kind or different nature.

10. **Severability.** The invalidity of any one or more of the words, phrases, sentences, clauses, sections or subsections contained in this Assignment shall not affect the enforceability of

the remaining portions of this Assignment or any part hereof, all of which are inserted conditionally on their being valid in law, and, in the event that any one or more of the words, phrases, sentences, clauses, sections or subsections contained in this Assignment shall be declared invalid, this Assignment shall be construed as if such invalid word or words, phrase or phrases, sentence or sentences, clause or clauses, section or sections, or subsection or subsections had not been inserted.

11. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but which shall together constitute one and the same instrument.
