INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is made as of January 27, 2014 ("*Security Agreement*"), by and between Seventh Sense Biosystems, Inc., a Delaware corporation ("*Debtor*"), and Lighthouse Capital Partners VI, L.P. ("*Lender*").

RECITALS

A. Lender has previously lent to Debtor certain funds (collectively, the "*Loan*"), and Debtor desires to restructure the Loan from Lender pursuant to the terms of an amendment to the Loan and Security Agreement No. 1531, dated September 2, 2009 (as the same may be modified, amended, supplemented, restated or superceded from time to time, the "*Loan Agreement*"). Terms not defined herein shall have the meanings ascribed to them in the Loan Agreement.

B. In order to induce Lender to make the Loan, Debtor has agreed to grant a security interest in the Collateral (as defined below) to Lender for purposes of securing the obligations of Debtor to Lender, subject to the terms of this Security Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. **GRANT OF SECURITY INTEREST.** As collateral security for the prompt and complete payment and performance of all of Debtor's present or future Obligations under the Loan Agreement and the other documents executed in connection therewith (as the same may be modified, amended, supplemented, restated or superceded from time to time, collectively, the "*Loan Documents*"), Debtor hereby grants a security interest to Lender, in and to Debtor's entire right, title and interest in, to and under the following, now or hereafter existing, created, acquired or held by Debtor (all of which shall collectively be called the "*Collateral*");

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work of authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, including, without limitation, those set forth on *Exhibit A* attached hereto and incorporated herein by this reference (collectively, the "*Copyrights*").

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products;

(c) Any and all design rights which may be available to Debtor;

(d) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including, without limitation, those set forth on *Exhibit B* attached hereto and incorporated herein by this reference (collectively, the "*Patents*");

(e) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Debtor connected with and symbolized by such trademarks, including, without limitation, those set forth on *Exhibit C* attached hereto and incorporated herein by this reference (collectively, the "*Trademarks*");

(f) Any and all claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(g) All licenses or other rights to use any of the Copyrights, Patents or Trademarks, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(h) All amendments, renewals and extensions of any of the Copyrights, Patents or Trademarks; and

(i) All proceeds and products of the foregoing, including, without limitation, all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. AUTHORIZATION AND REQUEST. Debtor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this security interest.

3. COVENANTS AND WARRANTIES. Debtor represents, warrants, covenants and agrees as follows:

(a) Debtor is now the sole owner of the Collateral, except for non-exclusive licenses granted by Debtor in the ordinary and normal course of business;

(b) Performance of this Security Agreement does not conflict with or result in a breach of any agreement to which Debtor is a party or by which Debtor is bound, except to the extent that certain intellectual property agreements prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this Security Agreement constitutes an assignment;

(c) During the term of this Security Agreement, Debtor will not sell, transfer, assign or otherwise encumber any interest in the Collateral, except for (i) non-exclusive licenses granted by Debtor in the ordinary and normal course of its business as now conducted or as set forth in this Security Agreement and (ii) subject to Debtor's execution of appropriate documents, in form acceptable to Lender, to perfect or continue the perfection of Lender's interest in the Collateral, transfers to affiliates of Debtor;

(d) To its knowledge, each of the Patents is valid and enforceable, and no part of the Collateral has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Collateral violates the rights of any third party;

(e) Debtor shall promptly advise Lender of any material changes in the composition of the Collateral, including but not limited to any subsequent ownership right of Debtor in or to any Copyright, Patent or Trademark not specified in this Security Agreement in the monthly reporting required in the Loan Agreement;

(f) Debtor shall (i) protect, defend and maintain the validity and enforceability of the Copyrights, Patents and Trademarks material to Debtor's business, (ii) use commercially reasonable efforts to detect infringements of the Copyrights, Patents and Trademarks and promptly advise Lender in writing of material infringements detected in material Copyrights, Patents and Trademarks and (iii) not allow any Copyrights, Patents or Trademarks material to Debtor's business to be abandoned, forfeited or dedicated to the public without the written consent of Lender, which shall not be unreasonably withheld, unless Debtor determines that reasonable business practices suggest that abandonment is appropriate;

(g) Debtor shall, from time to time, execute and file such other instruments, and take such further actions as Lender may reasonably request from time to time to perfect or continue the perfection of Lender's interest in the Collateral;

(h) This Security Agreement creates, and in the case of after acquired Collateral, this Security Agreement will create at the time Debtor first has rights in such after acquired Collateral, in favor of Lender a valid and perfected first priority security interest in the Collateral in the United States securing the payment and performance of all present or future Obligations under the Loan Agreement and the other Loan Documents, upon making the filings referred to in Section 3(i) below, subject only to Permitted Liens;

(i) To its knowledge, except for, and upon, the filings with, as applicable, (1) the United States Patent and Trademark office with respect to the Patents and Trademarks, (2) the Register of Copyrights with respect to the Copyrights and (3) the UCC Division of the California Secretary of State, necessary to perfect the security interests created hereunder, and except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any United States governmental authority or United States regulatory body is required either (a) for the grant by Debtor of the security interest granted hereby or for the execution, delivery or performance of this Security Agreement by Debtor in the United States or (b) for the perfection in the United States or the exercise by Lender of its rights and remedies hereunder;

(j) All information heretofore, herein or hereafter supplied to Lender by or on behalf of Debtor with respect to the Collateral is accurate and complete in all material respects;

(k) Debtor shall not enter into any agreement that would materially impair or conflict with Debtor's obligations hereunder without Lender's prior written consent, which consent shall not be unreasonably withheld. Debtor shall not permit the inclusion in any material contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in Debtor's rights and interests in any property included within the definition of the Collateral acquired under such contracts; and

(l) Upon any executive officer of Debtor obtaining actual knowledge thereof, Debtor will promptly notify Lender in writing of any event that materially adversely affects the value of any material Collateral, the ability of Debtor to dispose of any material Collateral or the rights and remedies of Lender in relation thereto, including the levy of any legal process against any of the material Collateral.

4. LENDER'S RIGHTS. Lender shall have the right, but not the obligation, to take, at Debtor's sole expense, any actions that Debtor is required under this Security Agreement to take but which Debtor fails to take,

after fifteen (15) days' notice to Debtor. Debtor shall reimburse and indemnify Lender for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this Section 4.

5. FURTHER ASSURANCES; ATTORNEY IN FACT.

(a) On a quarterly basis, Debtor agrees to deliver to Lender a report, in form acceptable to Lender and certified by an officer of Debtor, which lists all Copyrights, Patents and Trademarks that are material to the operation of Debtor's business on an on-going basis, and in which Lender does not already have a perfected security interest (the "*Quarterly Report*"); *provided, however*, Debtor may provide a general description of the Copyrights by type.

(b) On a continuing basis upon Lender's written request, Debtor will make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademark Office and the Register of Copyrights, and take all such action as may reasonably be necessary or advisable, or as reasonably requested by Lender, to perfect Lender's security interest in all Copyrights, Patents and Trademarks, material to the operation of Debtor's business on an on-going basis or the value of the Collateral, and otherwise to carry out the intent and purposes of this Security Agreement, or for assuring and confirming to Lender the grant or perfection of a security interest in all Collateral.

(c) Debtor hereby irrevocably appoints Lender as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, (i) to modify, in its reasonable discretion, Exhibit A, Exhibit B or Exhibit C of this Security Agreement without first obtaining Debtor's approval or signature to such modification by amending hereof, as appropriate, to include reference to any material right, title or interest in any Copyrights, Patents or Trademarks acquired by Debtor after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents or Trademarks in which Debtor no longer has or claims any right, title or interest, (ii) to file, in its reasonable discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of Debtor where permitted by law and (iii) after the occurrence and during the continuance of an Event of Default, exercise its remedies under the California Uniform Commercial Code.

Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right to exercise all the remedies of a secured party under the California Uniform Commercial Code, including, without limitation, the right to require Debtor to assemble the Collateral and any tangible property in

which Lender has a security interest and to make it available to Lender at a place designated by Lender. Lender shall have a nonexclusive, royalty free license to use the Copyrights, Patents and Trademarks to the extent reasonably necessary to permit Lender to exercise its rights and remedies upon the occurrence and during the continuance of an Event of Default. Debtor will pay any expenses (including reasonable attorneys' fees) incurred by Lender in connection with the exercise of any of Lender's rights hereunder, including, without limitation, any expense incurred in disposing of the Collateral. All of Lender's rights and remedies with respect to the Collateral shall be cumulative.

8. INDEMNITY. Debtor agrees to defend, indemnify and hold harmless Lender and its officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Security Agreement and (b) all losses or expenses in any way suffered, incurred, or paid by any of them as a result of or in any way arising out of, following or consequential to transactions between Lender and Debtor, whether under this Security Agreement or otherwise (including, without limitation, reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of the gross negligence or willful misconduct of Lender.

9. RELEASE OF SECURITY INTEREST. At such time as Debtor shall completely satisfy all of the obligations secured hereunder, Lender shall execute and deliver to Debtor all deeds, assignments, releases, terminations, filings and other instruments as may be necessary or proper to release Lender's security interest hereunder.

13. COUNTERPARTS. This Security Agreement may be executed in any number of counterparts, each of which when so delivered shall be deemed an original, but all such counterparts shall constitute but one and the same instrument.
