TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") is entered into as of January 24, 2014, by Stone Care International, Inc., a Maryland corporation ("Assignor") in favor of Weiman Products, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, pursuant to the Asset Purchase Agreement dated as of December 31, 2013, as amended from time to time, by and among Assignor, The Homax Group, Inc., Homax Products, Inc., Fluid Enterprises Corporation, and Osmegen Incorporated, on the one hand, and Assignee, on the other (the "Purchase Agreement"), Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of Assignor's right, title and interest in and to the trademark registrations and applications for registration identified and set forth on Schedule A attached hereto (collectively, the "Marks").

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Assignor hereby agrees:

1. Assignor hereby irrevocably sells, conveys, transfers, assigns and delivers to Assignee all of Assignor's right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith, including, without limitation, any renewals and extensions of the registrations and all corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter arising or in effect, together with all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation, unfair competition, dilution or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith.
2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the entire right, title and interest in the Marks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
3. Assignor shall provide Assignee, its successors, assigns, or other legal representatives, cooperation and assistance at Assignee's request (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment.
4. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts-of-law principles of such State.
5. This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
6. This Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Marks.
