## **TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this “**Agreement**”), dated as of January 16, 2014 is entered into by and among each grantor party to this Agreement, each having a mailing address of c/o XL Marketing Corp., 1000 Wisconsin Avenue, N.W., Suite 100, Washington, D.C. 20007 (each and together, jointly and severally, the “**Grantor**”) and **SILICON VALLEY BANK** (the “**Assignee**”), pursuant to that certain Loan and Security Agreement, dated as of the date hereof (as amended, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the “**Credit Agreement**”), between, among others, the Grantor, certain of the Grantor’s affiliates, and the Assignee.

Capitalized terms not otherwise defined herein have the respective meanings ascribed to them in the Credit Agreement.

WHEREAS, pursuant to the Credit Agreement, the Grantor has granted in favor of the Assignee a security interest in certain Collateral, including the federally registered Trademarks set forth on Schedule A hereto as of the date hereof.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Assignee hereby agree as follows:

1. Grant of Security Interest

(a) Subject to the terms and conditions of the Credit Agreement, to evidence further the security interest granted by the Grantor to the Assignee pursuant to the Credit Agreement, the Grantor hereby grants to the Assignee a security interest in all of the Grantor’s right, title and interest in, to and under the Trademarks, whether now owned or existing or at any time hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor’s Obligations. For the purposes of this Agreement, “Trademarks” means (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, Internet domain names and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to on Schedule A hereto, and (ii) the right to obtain all renewals thereof, provided, that no United States intent-to-use trademark or service mark application shall be included in the Trademarks to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application under Federal law.

(b) Schedule A hereto contains a true and accurate list of all of the Grantor’s federally registered United States registrations and applications for registration for the Trademarks (excluding Internet domain names) existing as of the date hereof.

(c) The security interest granted hereby is granted concurrently and in conjunction with the security interest granted to the Assignee under the Credit Agreement. In the event that any of the provisions of this Agreement are in conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.

2. Modifications

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Credit Agreement. In connection with the foregoing, the Grantor authorizes the Assignee, upon notice to the Grantor, to modify this Agreement without obtaining the Grantor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule A hereto, to add any right, title or interest in any Trademarks owned or subsequently acquired by the Grantor or to delete any reference to any right, title or interest in any Trademarks in which the Grantor no longer has or claims any right, title or interest. The Grantor additionally agrees to execute any additional agreement or amendment hereto as may be reasonably required by the Assignee from time to time, to subject any such owned or subsequently acquired right, title or interest in any Trademark to the security interests and perfection created or contemplated hereby or by the Credit Agreement.

3. Applicable Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

4. Counterparts

This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

*[Signature page follows]*

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
