**GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

This Trademark Security Agreement, dated as of February 3, 2014, by and between W. R. Grace & Co.-Conn., a Connecticut corporation (the "Grantor"), in favor of GOLDMAN SACHS BANK USA, in its capacity as Collateral Agent pursuant to the Credit Agreement dated as of February 3, 2014 (in such capacity together with its successors and assigns, the "Grantee").

W I T N E S S E T H:

Whereas, the Grantor is party to a Security Agreement dated as of February 3, 2014 (as amended, modified or supplemented, the "Security Agreement") in favor of the Grantee pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

Now, therefore, in consideration of the premises and to induce the Grantee, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Grantee as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Grantee for the benefit of the Secured Parties a security interest in and to all of its right, title and interest in, to and under all the Trademarks owned by such Grantor including, without limitation, those registered or applied for Trademarks listed on Schedule I attached hereto and all Proceeds of any and all of the foregoing; provided that with respect to any United States Trademark, applications in the United States Patent and Trademark Office on the basis of any Grantor's "intent to use" such Trademarks will not be deemed to be Collateral unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed with the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms. In the event that any provision of this Trademark Security Agreement is deemed to conflict with or is otherwise inconsistent with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

SECTION 5. Termination. Upon termination of the Security Agreement, the security interest granted pursuant to this Trademark Security Agreement shall be automatically released and the Grantee shall, at the reasonable request of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in all the Trademarks owned by the Grantor, including, without limitation, those registered or applied for Trademarks listed on Schedule I attached hereto. Upon (i) the sale or other transfer by the Grantor of any Collateral constituting Trademarks (other than to another Grantor) that is permitted under the Credit Agreement or (ii) the Grantor being released from its obligations under the Security Agreement, in each case, the security interest granted pursuant to this Trademark Security Agreement shall be automatically released in accordance with (and subject to) Section 8.13 of the Security Agreement.

SECTION 6. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES OF THE STATE OF NEW YORK.

SECTION 7. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Trademark Security Agreement by facsimile transmission or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.
