ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (this "**Assignment**") is made as of January 31, 2014 by and between Compuware Corporation, a Michigan corporation ("**Assignor**"), and Uniface B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands, having its official seat in Amsterdam, the Netherlands, and its registered office address at Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands and registered with the trade register of the Dutch Chamber of Commerce under number 59760559 ("**Assignee**"), a wholly-owned subsidiary of M4 Global Solutions Holding BV ("**Buyer**"). Defined terms used and not defined herein shall have the meaning set forth in the Asset Purchase Agreement (as defined below).

WHEREAS, Buyer, as assignee of MEP PX Acquisition LLC, and Assignor have entered into that certain Asset Purchase Agreement, dated as of January 7, 2014 (the "**Asset Purchase Agreement**"), pursuant to which Assignor has agreed to sell and assign, and Buyer has agreed to buy and acquire the Uniface business unit assets constituting Purchased Assets (as defined in the Asset Purchase Agreement).

WHEREAS, pursuant to the Asset Purchase Agreement, Assignor desires to assign to Assignee, and Assignee desires to accept, all right, title and interest in and to the trademark applications, trademarks, trade names, service marks and logos listed in Attachment A, and all rights appurtenant thereto, including but not limited to all common law rights, trade name rights, and the right to recover for past infringement throughout the world (the "**Trademarks**");

WHEREAS, Assignor has acquired goodwill associated with and symbolized by the Trademarks and has not abandoned the same;

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration (including the consideration recited in the Asset Purchase Agreement), the sufficiency of which is hereby acknowledged, Assignor makes the following assignment and agrees as follows:

- 1. ASSIGNMENT.** Assignor hereby assigns and sells to Assignee all rights, title and interest in and to the Trademarks throughout the world, for all of the goods and/or services in conjunction with which the Trademarks are used, together with the goodwill of the Acquired Business (as defined in the Asset Purchase Agreement) symbolized by the Trademarks; said rights, title and interest include, without limitation, any and all causes of action heretofore accrued in Assignor's favor for infringement or other violation of the aforesaid rights, to have and to hold the same unto Assignee, its successors, assigns and nominees, for the full duration of all such rights, and any renewals and extensions thereof, as fully and entirely as the same would have been held by Assignor had this assignment and transfer not been made.
- 2. FURTHER ASSURANCES.** Assignor agrees, at the request of Assignee, to execute any and all other instruments in writing, further applications, papers, affidavits, powers of attorney, assignments and other documents, and at Assignee's expense take or cause to be taken all such other actions, which may be reasonably required or necessary to more effectively secure to, record in the name of, protect and vest in, Assignee and its successors and assigns, the entire right, title and interest in and to the Trademarks and otherwise to effectuate fully the purposes, terms and conditions of this Assignment.
- 3. AUTHORIZATION.** Assignor hereby authorizes the respective patent office, intellectual property office or applicable governmental agency in each and every jurisdiction worldwide (including the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities) to do the following: (a) to issue any and all registrations, certificates or equivalent which may be granted in respect to any of the Trademarks in the name of Assignee, as the assignee to the entire interest therein; and (b) to record Assignee as the assignee and owner of the Trademarks and any and all registrations, certificates or equivalent in respect thereto and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by the terms and conditions of this Assignment.

4. **MISCELLANEOUS.** If any provision of this Assignment shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Assignment shall otherwise remain in full force and effect and enforceable. This Assignment shall be deemed to have been made in, and shall be construed pursuant to the laws of the State of Delaware without regard to conflicts of laws provisions thereof.

(Signature Page Follows)

IN WITNESS WHEREOF, ASSIGNOR has executed this Assignment as of the date set forth above.

ASSIGNOR

By: *Daniel S. Follis, Jr.*
Name: DANIEL S. FOLLIS, JR.
Title: GENERAL COUNSEL & SECRETARY
