TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT AGREEMENT (the "Agreement") is entered into this 31 day of JANUARY, 2014 (the "Effective Date") by and between Truck Accessories Group, LLC, a Delaware limited liability company (the "Assignor") and Astro Truck Covers, Inc., a Kansas corporation (the "Assignee").

WHEREAS, Assignor owns the entire right, title and interest in Trademark Application and Registration of U.S. Mark titled "STOR-MATE", having Registration No. 3996399 and Serial Number 85084751 (the "Mark"); and

WHEREAS, Assignee desires to acquire said Mark and the registrations resulting therefrom and all of the rights to and interests therein, including (without limitation) all the goodwill associated therewith (and which is symbolized thereby).

NOW THEREFORE, be it known for and in consideration of payment by Assignee of good and valuable consideration, receipt of which Assignor hereby acknowledges, Assignor hereby makes the transfer and assignment of all rights in the Mark as follows:

1. Assignor does sell, assign, and transfer all its right, title, and interest, anywhere in the world, in and to the Mark unto Assignee and the registrations thereof, together with the goodwill of the business symbolized by the Mark, together with all applications and royalties derived therefrom from and after the Effective Date.

2. This Agreement includes any and all use rights and all rights to sue for and recover and collect on all claims for damages for infringement of said Mark, whether such infringement occurred in the past or occurs in the future, as fully as if Assignor had filed such action in its own name.

3. This Agreement is to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made.

4. Assignor covenants and warrants that as of the Effective Date, it is the true and lawful owner of the entire right, title, and interest in the Mark and has the full right and power to convey the same; that the same is free and clear of all liens, charges and encumbrances whatsoever; and that Assignor has not executed any assignment, license or other agreement in conflict with this Agreement.

5. Assignor agrees that it will perform such additional acts, including execution and delivery of documents, as Assignee may reasonably require in order to enable Assignee to obtain full and complete title to the Mark.

6. Assignor hereby appoints Assignee to file and record this instrument with the United States Mark and Trademark Office, such filing to be as effective as if filed by Assignor.

IN WITNESS WHEREOF, this Agreement is executed below by each party to be effective as of the Effective Date stated above.
