INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT

THIS INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT (this “Assignment”) is made and entered into as of October 31, 2013 (“Effective Date”) by and between **International Truck Intellectual Property Company, LLC**, an Illinois limited liability company (“ITIPC”), **Bison Coach, LLC**, a Delaware limited liability company (“Bison”) and together with ITIPC, the “Assignors”), and **Bison Horse Trailers, LLC**, an Indiana limited liability company (“Assignee”).

WHEREAS, (i) ITIPC wishes to assign to Assignee, and Assignee wishes to acquire from ITIPC, the intellectual property set forth on Schedule A attached hereto and (ii) Bison wishes to assign to Assignee, and Assignee wishes to acquire from Bison, the goodwill of the business associated with the intellectual property set forth on Schedule A attached hereto to the extent not owned by ITIPC (collectively, the “Intellectual Property”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors and Assignee hereby agree as follows:

1. The recitals to this Assignment are hereby incorporated by reference herein and form an integral part of this Assignment.
2. The Assignors hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to the Intellectual Property, for the United States, Canada and for all foreign countries, including any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions or foreign equivalents thereof, and including the subject matter of all claims which may be obtained therefrom, for Assignee’s own use and enjoyment, free and clear of any and all security interests, debts, liens and encumbrances suffered or incurred by the Assignors, and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignors if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents, with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages for Assignee’s own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.
3. At the reasonable request of Assignee and at Assignee’s expense, the Assignors shall duly execute and deliver or cause to be executed and delivered all instruments of sale, conveyance, transfer and assignment, and notices, releases, acquittances and other documents and perform such further acts, as may be necessary to convey, transfer, assign and deliver to, and consolidate, vest and record in Assignee, full ownership of the Intellectual Property and other rights conveyed herewith.

4. ITIPC hereby requests the U.S. Commissioner of Patents and Trademarks, the Canadian Intellectual Property Office and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Intellectual Property.

5. This Assignment shall be governed, including as to validity, interpretation and effect, by, and construed in accordance with, the internal laws of the State of Delaware applicable to agreements made and performed within the State of Delaware without regard to conflicts of laws principles thereof.

6. If any provision of this Assignment (or any portion thereof) or the application of any such provision (or any portion thereof) to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof (or the remaining portion thereof) or the application of such provision to any other persons or circumstances. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other assigned Intellectual Property.

7. This Assignment may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute one (1) and the same agreement. Any counterpart may be executed by facsimile or electronic portable document format (.pdf) signature and such facsimile or .pdf signature shall be deemed an original.
