## **TRADEMARK SECURITY AGREEMENT**

THIS TRADEMARK SECURITY AGREEMENT, dated as of May 7, 2013 (this "Agreement"), is made by each of TOP KNOBS USA, INC., a New Jersey corporation, located at 170 Township Line Road, Hillsborough, NJ 08844, and HARDWARE RESOURCES, INC., a Louisiana corporation, located at 4319 Marlena Street, Bossier City, LA 71111, (individually, herein together with its successors and assigns, "Grantor" and collectively, "Grantors"), in favor of PNC BANK, NATIONAL ASSOCIATION, a national banking association, as collateral agent (herein together with its successors and assigns in such capacity, the "Collateral Agent") for the benefit of the Secured Creditors.

### **WITNESSETH:**

WHEREAS, pursuant to the Credit Agreement, dated as of May 7, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Top Knobs USA, Inc., a New Jersey corporation (together with its successors and assigns, "TKUSA"), Hardware Resources, Inc., a Louisiana corporation (together with its successors and assigns, "HRI" and, together with TKUSA, each a "Borrower" and collectively the "Borrowers"), the other Credit Parties party thereto, the financial institutions named as lenders therein (herein, together with any other person that becomes a "Lender" under the Credit Agreement and the respective successors and assigns of such "Lenders", the "Lenders") and PNC Bank, National Association, as a Lender, the Swing Line Lender, the Issuing Bank, the Collateral Agent, and as the Administrative Agent, the Lenders will provide certain loans or advances or other extensions of credit to or for the benefit of the Borrowers;

WHEREAS, in connection with the Credit Agreement, the Borrowers, each Grantor and certain other Affiliates of the Borrowers have executed and delivered a Security Agreement, dated as of the date hereof (as amended, restated supplemented or otherwise modified from time to time, the "Security Agreement"), whereby each Grantor has granted to the Collateral Agent a continuing security interest in, among other things, all of the Trademark Collateral (as defined below) to secure performance of the Secured Obligations;

WHEREAS, pursuant to the Security Agreement, each Grantor is required to execute and deliver this Agreement and to grant to the Collateral Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure performance of the Secured Obligations;

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees, for the benefit of each Secured Creditor, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have

Error! Unknown document property name.Error! Unknown document property name.Error! Unknown document property name.

the respective meanings provided in the Security Agreement and, to the extent not therein defined, the meaning assigned in the Credit Agreement.

SECTION 2. Grant of Security Interest. Each Grantor does hereby grant to the Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in, all of the right, title and interest of such Grantor in, to and under all of the following, whether now existing or hereafter from time to time arising or acquired and wherever located ("Trademark Collateral"):

- (a) all Marks, including each Mark and Mark application set forth in Schedule I;
- (b) all of the goodwill of the business of such Grantor symbolized by the foregoing;
- (c) the right to sue third parties for past, present and future infringements of any of the foregoing; and
- (d) all Proceeds and Products of any and all of the foregoing.

Notwithstanding the foregoing, the Trademark Collateral shall not include any Excluded Property, including without limitation, all intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the PTO, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by each Grantor for the purpose of registering the security interest of the Collateral Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the ratable benefit of each other Secured Creditor under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Secured Creditor thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. Upon the occurrence of an event pursuant to the Credit Agreement or Security Agreement that would result in the release of all or a portion of the Trademark Collateral from the security interest thereon, the security interests granted herein shall automatically terminate, as applicable, with respect to all or such applicable portion of the Trademark Collateral. Upon any such release, the Collateral Agent will, at the request of and at the sole expense of the requesting Grantor, release without any representations, warranties or recourse of any kind whatsoever, all or such applicable portion of the Trademark Collateral held by the Collateral Agent hereunder, and execute and deliver to such Grantor such Documents as such Grantor shall reasonably request to evidence such termination.

SECTION 5. Authorization to Supplement. If any Grantor shall obtain rights to any new Marks, the provisions of this Agreement shall automatically apply thereto. Each such Grantor shall give notice in writing to Collateral Agent as required by the Security Agreement with respect to any such new Marks or renewals or extensions of any registration of a Mark. Without limiting each Grantor's obligation under this Section 5, each Grantor hereby authorizes Collateral Agent to unilaterally modify this Agreement by amending Schedule I to include any such new Marks of such Grantor. Notwithstanding the foregoing, no failure to modify this Agreement or amend Schedule I shall in anyway affect, invalidate or detract from Collateral Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

SECTION 6. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 7. Governing Law, Entire Agreement, etc. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF ILLINOIS.

SECTION 8. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic communication (including ".pdf") shall be effective as delivery of a manually executed counterpart of this Agreement.
