CONFIRMATORY TRADEMARK ASSIGNMENT

This Confirmatory Trademark Assignment (the "Assignment") is made by and between Alcatel-Lucent USA Inc., a Delaware Corporation, having an office at 600 Mountain Avenue, Murray Hill, NJ 07974-0636 ("Assignor"), and MuleSoft, Inc., a Delaware corporation, having an office at 77 Geary Street, 4th Floor, San Francisco, CA 94108 ("Assignee").

WHEREAS pursuant to the terms and conditions of the Asset Purchase Agreement between Assignor and Assignee dated April 3, 2013 (the "APA"), Assignor assigned and transferred all of its right, title and interest in and to the trademark PROGRAMMABLEWEB (the "Mark"), together with the goodwill symbolized by and associated therewith, effective as of April 18, 2013 (the "Effective Date").

WHEREAS this Assignment is being executed to confirm in writing the earlier transfer of the Mark and its associated goodwill.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby confirms having sold, assigned and transferred to Assignee all of Assignor's right, title, and interest in and to the Mark, in all jurisdictions worldwide, together with the goodwill symbolized by and associated therewith, and in and to all causes of action, either at law or in equity, and the right to sue, counterclaim, and recover for infringement of the rights assigned herein.

Assignor hereby authorizes Assignee to request the United States Patent and Trademark Office to record Assignee as the owner of any and all of Assignor's rights in the Mark, including in the US trademark registration for PROGRAMMABLEWEB (Reg. No. 3,300,956).

In case of any discrepancy between the terms and conditions of this Agreement and the terms and conditions of the APA, the latter shall prevail.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
