a Texas Limited Liability Company (LLC)

and

JWB Wine LLC dba Braman Winery (the "Assignee")
a Texas Limited Liability Company (LLC)

WHEREAS, the Assignor is the sole and rightful owner of Eaglefire, a trademark registered with the United States Patent and Trademark Office (USPTO), Registration Number 4277954, Registration date January 22, 2013; and

WHEREAS, the Assignee desires to purchase or acquire the entire rights, title, and interest in and to the Trademarks in perpetuity; and

WHEREAS, the Assignor and Assignee are duly authorized and capable of entering into this Assignment.

NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, the parties hereto agree as follows:

1. ASSIGNMENT

The Assignor does hereby irrevocably sell, assign, transfer and set over all of its right, title, and interest (including, but not limited to, all registration rights with respect to the Trademark, all rights to prepare derivative marks, all goodwill and all other rights), in and to the Trademarks in the United States and all jurisdictions outside the United States including, without limitation, the ongoing and existing portion of the Assignor's business associated with the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to sue and recover for any past or continuing infringements or

contract breaches related to the Trademarks, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

The Assignor authorizes the USPTO and any other applicable jurisdictions outside the United States to record the transfer of the registrations and/or registration applications for the Trademark to the Assignee as recipient of Assignor's entire right, title, and interest therein.

The Assignor further agrees to, upon the request and at the expense of the Assignee: (a) cooperate with the Assignee in the protection of the trademark rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge, and deliver all such further papers, including registration applications and instruments of transfer, and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Trademarks and any and all applications and registrations for the Trademarks.
