It is a condition precedent to the obligation of the Lenders to make their respective Loans to the Borrower under the Credit Agreement that the Grantors shall have executed and delivered this Agreement to the Agent, for the ratable benefit of the Secured Parties.

This Agreement is executed pursuant to the terms of the Collateral Agreement dated as of February 19, 2014, among the Borrower, certain of its Subsidiaries party thereto and the Agent for the ratable benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified, the “Collateral Agreement”). Capitalized terms used herein but not defined herein shall have the meaning assigned to them in the Collateral Agreement.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged by the parties hereto, the Grantors agree as follows:

SECTION 1. Grant of Security Interest. Each Grantor hereby grants to the Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired:

(a) (i) all trademarks, rights and interests in trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, service marks, logos and other business identifiers of such Grantor, together with translations, adaptations, derivations and combinations thereof, prints and labels on which any of the foregoing have appeared or appear, whether registered or unregistered, all registrations and recordings thereof, and all applications in connection therewith (other than each application to register any trademark or service mark prior to the filing under applicable Law of a verified statement of use for such trademark or service mark) anywhere in the world, including those listed on Schedule A hereto, (ii) all

extensions and renewals of any of the foregoing, (iii) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including damages or payments for past, present or future infringements of any of the foregoing, (iv) the right to sue for past, present or future infringements of any of the foregoing and (v) all rights corresponding to any of the foregoing (including the goodwill) throughout the world (collectively, "Trademarks"); and

(b) all products and Proceeds of the foregoing.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other United States government officer record this Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by fax, electronic mail or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 4. Conflict Provision. The rights and remedies of the Agent and the other Secured Parties, with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.
