Trademark Security Agreement

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Notes Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Notes Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of February 25, 2014 (as amended, restated, replaced, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among Bank of America, N.A., as First Lien Agent, and Wells Fargo Bank, National Association, as Second Lien Agent, and acknowledged and agreed to by Modular Space Corporation and certain of its affiliates. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.

TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Agreement") is made as of February 25, 2014, by the entities identified as grantors on the signature pages hereto (each a "Grantor" and collectively, the "Grantors") in favor of Wells Fargo Bank, National Association, as collateral agent for the Secured Parties (together with its successors and assigns in such capacity, the "Notes Collateral Agent").

WITNESSETH:

WHEREAS, the Grantors are party to a Second Lien Security Agreement dated as of February 25, 2014 (the "Security Agreement") among each of the Grantors and the other grantors party thereto and the Notes Collateral Agent pursuant to which the Grantors granted a security interest to the Notes Collateral Agent in the Trademarks (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree with the Notes Collateral Agent as follows:

1. Definitions.

Capitalized terms used herein without definition shall have the meanings ascribed to such terms in the Security Agreement.

2. Grant of Security Interest in Existing Trademarks and Trademarks Arising or Acquired in the Future.

As security for the due and prompt payment and performance of all Secured Obligations, each Grantor hereby grants to the Notes Collateral Agent, for the benefit of the Secured Parties, a security interest in, lien upon and right of set off against, the following assets (including the power to transfer rights in the following), in each case, whether now owned or existing or hereafter acquired or arising, and regardless of where located: each Grantor's entire world-wide right, title and interest in and to the United States trademarks and their respective registrations and applications for registration listed in Schedule A attached hereto and by reference made a part hereof, as modified from time to time as herein provided, together with the goodwill of the business symbolized by the trademarks, all licenses relating thereto, and all proceeds thereof (collectively, the "Trademarks"); provided, however, the "Trademarks" shall not include:

(x) any rights or interests of a Grantor in any contract if, under the terms of such contract or any Requirement of Law with respect thereto, the valid grant of a security interest or other Lien therein to the Notes Collateral Agent is prohibited and such prohibition has not been or is not waived or the consent of the other party to such contract has not been or is not otherwise obtained or under Requirements of Law such prohibition cannot be waived, *provided* that the foregoing exclusion shall in no way be construed (i) to apply if any such prohibition is ineffective or unenforceable under the UCC (including Sections 9-406, 9-407, 9-408 or 9-409) or any other Requirement of Law or (ii) so as to limit, impair or otherwise affect the Notes Collateral Agent's unconditional security interest in and Lien upon any rights or interests of the Grantors in or to monies due or to become due under any such contract (including any Accounts); or

(y) any "intent-to-use" United States of America based trademark or service mark application until such time that a statement of use has been filed with the United States Patent and Trademark Office for such application, unless the grant of a security interest therein would not render such "intent-to-use" based trademark or service mark application invalid or subject to cancellation.

3. Modification of Agreement.

Each Grantor agrees to modify this Agreement by amending **Schedule A** to include any of such Grantor's additional registered or applied-for United States trademarks which are Trademarks under Section 2 hereof, and to have this Agreement, as amended, recorded in the U.S. Patent and Trademark Office, at the expense of such Grantor, and at the times, and to the extent required by the Security Agreement.

4. Amendment.

Except as set forth in Section 3 hereof, this Agreement is subject to modification only by a writing signed by the parties hereto.

5. Counterparts.

This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

6. Security Agreement.

The security interest granted pursuant to this Agreement is cumulative with and in addition to the security interest granted to the Notes Collateral Agent in the same property pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. If any provision contained in this Agreement conflicts with any provision of the Security Agreement, the provisions of the Security Agreement shall govern and control.

7. Governing Law.

This Agreement and the obligations arising hereunder shall be governed by, and construed in accordance with, the laws of the State of New York, and any applicable laws of the United States of America.

8. Intercreditor Agreement.

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Notes Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Notes Collateral Agent hereunder, are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.
