**ASSIGNMENT AND ASSUMPTION OF  
PLAIN ENGLISH INTELLECTUAL PROPERTY AND SECURITY  
AGREEMENT**

This Assignment and Assumption Agreement of the Plain English Intellectual Property and Security Agreement ("**Assignment**"), effective as of March 5, 2014 (the "**Effective Date**"), is entered into by and between TriplePoint Capital LLC, a Delaware limited liability company ("**Seller**"), and TriplePoint Venture Growth BDC Corp., a Maryland corporation ("**Buyer**").

**RECITALS**

A. Seller entered to a Plain English Growth Capital Loan and Security Agreement dated as of December 10, 2013 (the "**Loan Agreement**") with Virtual Instruments Corporation ("**Borrower**") and Virtual Instruments USA Inc. Pursuant to the Loan Agreement Borrower granted a lien upon and continuing security interest in all of Borrower's Intellectual Property (as defined in the Loan Agreement) as further evidenced by the Plain English Intellectual Property Security Agreement dated as of December 10, 2013 (the "**IP Security Agreement**"). Seller has agreed to assign all of its right, title and interest in, and Buyer has agreed to assume all of, Seller's duties and obligations under, the Loan Agreement and IP Security Agreement pursuant to arrangements entered into by Seller and Buyer on or about the date of this Assignment.

B. The IP Security Agreement was recorded in the United States Patent and Trademark Office as set forth in Reel 031796, Frame 0176 and Reel 5172, Frame 0079.

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions. All capitalized terms used in this Assignment but not otherwise defined herein are given the meanings set forth in the Loan Agreement or IP Security Agreement.
2. Assignment and Assumption. Seller hereby sells, assigns, grants, conveys and transfers to Buyer all of Seller's right, title and interest in the IP Security Agreement, including without limitation Seller's liens and continuing security interest in the Intellectual Property set forth in Schedule A (Patents & Patent Applications), Schedule B (Trademarks & Trademark Applications) and Schedule C (Copyrights & Copyright Applications). Buyer hereby accepts such assignment and assumes all of Seller's duties and obligations under the IP Security Agreement.

3. Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the State of California without giving effect to the conflicts of law provisions thereof.

4. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Assignment to be executed the day and year first above written.

**BUYER:**

TRIPLEPOINT VENTURE GROWTH  
BDC CORP.
