TRADEMARK ASSIGNMENT AGREEMENT

THIS AGREEMENT ("Assignment") made as of this 28 day of February 2014, by and between CAM 2 INTERNATIONAL, LLC, a Colorado limited liability company, ("Assignor") and CAM 2 INTERNATIONAL, LLC, a Louisiana limited liability company ("Assignee").

Recitals

A. Assignor is the owner of all right, title and interest in and to the trademarks identified on attached Schedule A, (hereinafter referred to as the Trademarks), together with the goodwill of the business connected with and symbolized by the Trademarks.

B. Assignor desires to assign the Trademarks to Assignee, and Assignee desires to accept such assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as follows.

1. Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States and worldwide, together with the goodwill of the business connected with and symbolized by the Trademarks, including, without limitation, (1) the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks; (2) all income, royalties, and damages hereafter due or payable to Assignors with respect to the Trademarks, including without limitation, damages, and payments for past or future infringements and misappropriations of the Trademarks; and (3) all rights to sue for past, present and future infringements or misappropriations of the Trademarks, all of which to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

2. Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registration set forth on Schedule A to Assignee as assignee of Assignor's entire right, title and interest therein.
