C. The Financing Agreement and certain other Financing Documents contain security agreements under which the Assignor has granted to the Lender, a Lien on, and security interest in, certain assets of the Assignor associated with or relating to products sold under any one or more of the Trademarks and under which the Lender is entitled to foreclose or otherwise deal with the Trademarks under the terms and conditions set forth in the Financing Agreement.

The foregoing grant, security interest and assignment is a present grant of a collateral assignment and, upon the occurrence of an Event of Default and notice to the Assignor from the Lender, and subject to the filing with and notice to the United States Patent and Trademark Office, shall become an absolute assignment in favor of the Lender or in favor of such person as the Lender may designate, and may be the subject of such confirmatory instruments as the Lender may elect, which instruments shall be conclusive evidence of the Event of Default and absolute assignment.

1.1.2 With respect to the Intent to Use Applications, the Assignor hereby grants, assigns and conveys to the Lender a security interest therein and Lien thereon.

ARTICLE II **REPRESENTATIONS AND WARRANTIES**

Any expenses incurred in connection with such applications shall be part of the Enforcement Costs. The Assignor shall not abandon any Trademark without the consent of the Lender.

3.2.3 Prior to an Event of Default, the Assignor shall have the right to bring suit in its own name to enforce the Trademarks, in which event the Lender may, if necessary, at the Assignor's sole expense, be joined as a nominal party to such suit if the Lender shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder.
