**TRADEMARKS ASSIGNMENT**

This Trademarks Assignment ("**Assignment**") is entered into by and between Pure Networks LLC a Delaware Limited Liability Company ("**Pure Networks**"), and Cisco Systems, Inc., a California corporation ("**CSI**").

**WHEREAS**, pursuant to a prior Asset Transfer Agreement effective August 13, 2008 between Pure Networks and CSI (the "**Asset Transfer Agreement**"), certain intellectual property rights, including without limitation all rights, title and interest in and to the Pure Networks Marks (as defined below), were assigned previously to CSI.

**NOW, THEREFORE**, Pure Networks and CSI agree as follows and confirm that:

"**Pure Networks Marks**" means all of Pure Network's trademarks, service marks, trade names, trade dress, logos, designs and slogans, in word mark, stylized and/or design formats, including without limitation Pure Network's trademark registrations and applications (except for Pure Network's Intent-to-Use US applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the US Patent and Trademark Office) and any and all of Pure Network's common law rights in the aforementioned items, together with all goodwill associated with and symbolized by the aforementioned items, including without limitation the marks identified in Schedule 1 attached hereto and all of the goodwill associated with and symbolized by such marks.

Pure Networks has assigned and transferred, and CSI has received and accepted, all of Pure Network's rights, title and interest throughout the world in and to the Pure Networks Marks and all the rights, claims and privileges pertaining to the Pure Networks Marks, including without limitation: the registrations and applications pertaining thereto (except for Pure Network's Intent-to-Use US applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the US Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the Pure Networks Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of Pure Networks in all matters related thereto.

Pure Networks hereby authorizes and requests the United States Commissioner of Patents and Trademarks and the relevant officials of foreign countries to implement this Assignment.

**IN WITNESS WHEREOF**, Pure Networks and CSI have caused this Assignment to be made as of the effective date of the Asset Transfer Agreement referenced above.
