TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Agreement") dated effective January 7, 2014, is between Confio Corporation, a Delaware corporation ("Assignor") and Iridium Software, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of the trademark IRIDIUM I/O together with USPTO Trademark Application No. 85/862031 for IRIDIUM I/O (the "Mark"); and

WHEREAS, Assignor desires to assign and transfer to Assignee all of Assignor's right, title and interest, including goodwill, in and to the Mark;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby assigns to Assignee, and Assignee hereby accepts from Assignor, all of Assignor's right, title, and interest in and to the Mark worldwide together with the goodwill of the business symbolized by the Mark, including any and all federal and state trademark and trade name registrations and applications therefor. Assignee shall have the sole right to sue and collect damages and/or profits for both past and present infringements of the Mark.
2. Assignor shall make no further use of the Mark nor shall Assignor challenge Assignee's use of the Mark either before or after the date of this Agreement.
3. Assignor shall refrain from adoption or use of any trademark or service mark similar to the Mark. Assignor shall abandon the trademark CONFIO IRIDIUM I/O and USPTO Trademark Application No. 85/862040 for CONFIO IRIDIUM I/O.
4. Assignor represents and warrants: (i) that, to its knowledge, it owns all right, title, and interest in and to the Mark together with the goodwill of the business symbolized by the Mark, and (ii) that it has not licensed or transferred the Mark to any other person or entity or granted any rights with respect to the Mark to any other person or entity.
5. At any time, and from time to time after the date hereof, at Assignee's request, Assignor shall execute and deliver such other instruments of sale, transfer, conveyance, assignment and confirmation and take such other action at Assignee's expense as Assignee may reasonably deem necessary or desirable in order to more effectively transfer, convey and assign to Assignee and to confirm Assignee's title to the Mark and any and all federal and state registrations thereof or applications therefor, and to assist Assignee in exercising all rights with respect thereto.
6. No amendments, modifications or additions to this Agreement shall have effect unless in writing and properly executed by both parties.

7. This Agreement and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to its conflict of laws principles.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year above written.
