Reference is made to (a) the U.S. Collateral Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the “**Collateral Agreement**”), among CEVA Limited, each U.S. subsidiary of CEVA Limited from time to time party thereto, and the Collateral Agent and (b) the Indenture dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), among CEVA Group Plc, the Guarantors named therein from time to time, Wilmington Trust, National Association, as trustee, registrar, principal paying agent and transfer agent and the Collateral Agent, as collateral agent and relating to those certain 7.0% First Lien Senior Secured Notes due 2021 described therein. The undersigned subsidiaries of CEVA Limited are executing and delivering this Agreement pursuant to the terms of the Indenture to induce potential investors to purchase the Securities. The undersigned subsidiaries of CEVA Limited are affiliates of the Company, will derive substantial benefits from the sale of the Securities and are willing to execute and deliver this Agreement in order to induce potential investors to purchase the Securities. Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Guarantee, each Pledgor party hereto, pursuant to the Collateral Agreement, did and hereby does assign and grant to the Collateral Agent, its successors and permitted assigns, for the ratable benefit of the Senior Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof (except for “intent-to-use” applications for trademark or service mark registrations filed pursuant to

Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of Lanham Act has been filed, to extent, if any, that any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act), and all extensions or renewals thereof, including those listed on Schedule I (the “*Trademarks*”);

(b) all goodwill associated with or symbolized by the Trademarks;

(c) all claims for, and rights to sue for, past or future infringements of any of the foregoing described in clauses (a) and (b); and
