WHEREAS, the Parties are parties to that certain agreement for the acquisition of the Houston assets dated as of 3 October 2013 pursuant to which Company desires to acquire, and the Assignor desires to convey all right, title and interest in, to and under the Trademark, including the Trademark Applications, all common law rights with respect to the Trademark, and all goodwill associated and symbolized by the Trademark, throughout the world (collectively, the "Trademark Rights").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Party hereby agrees as follows:

1. Assignment. The Assignor hereby irrevocably sells, assigns, transfers and conveys to Company all right, title and interest in, to and under: (a) the Trademark Rights in the United States and throughout the world; and (b) any trademark registration or similar legal rights

that issues in the United States and its territorial possessions or in any foreign country from or based on the Trademark Applications or any other application for registration which has or shall be filed in the United States and its territorial possessions or in any foreign country for the Trademark Rights. Such assignment includes all rights and privileges associated with the Trademark Rights including, but not limited to:

- (a) the right to make application for registration for the Trademark Rights anywhere in the world and to prosecute such applications, together with the right to claim and receive the benefit of any right of priority provided under any law or international convention, union, act or treaty without further written or oral authorization;
- (b) the right to hold and maintain all registrations issuing from such applications in its own name, for its own use and benefit, and for the use and benefit of its successors and assigns;
- (c) the right to bring or defend any proceeding in the United States Patent and Trademark Office (or any equivalent agency in any other country or jurisdiction) in connection with the Trademark Rights, including any proceeding for cancellation, opposition or any other proceeding; and
- (c) the right to sue and recover damages for past, present and future infringement of the Trademark Rights anywhere in the world, in each case, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be executed by the signature of its duly authorized officer as of the date above first written.
