EXHIBIT B-2

TRADEMARK ASSIGNMENT

This Trademark Assignment (the "**Assignment**"), dated as of March ____, 2012, is made by BOEHRINGER INGELHEIM PHARMACEUTICALS, INC. ("**Assignor**"), a Delaware corporation with its principal place of business at 900 Ridgebury Road, Ridgefield, CT, 06877, to the COPD FOUNDATION, Inc. ("**Assignee**"), a 501(c)(3) not-for-profit organization with its principal office at 20 F Street NW, Washington, D.C. 20001.

WHEREAS, Assignor is making this Assignment pursuant to the closing delivery requirements set forth in Section 1.1.1 of the Bill of Sale, Assumption and Assignment Agreement, dated March __, 2012, by and between Assignor and Assignee (the "**Agreement**"), pursuant to which Assignee purchased from the Assignor certain Conveyed Assets (as defined therein), including but not limited to the marks identified in Schedule AA hereto (each, a "**Trademark**" and, collectively, the "**Trademarks**");

WHEREAS, Assignor adopted and is presently using the Trademarks, and Assignor is willing to assign to Assignee all of its right, title and interest in and to the Trademarks; and

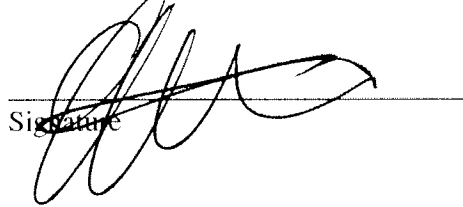

WHEREAS, Assignee desires to acquire all of Assignor's entire right, title and interest in and to the Trademarks.

NOW, THEREFORE, for the good and valuable consideration stated in the Agreement, the receipt and adequacy of which is hereby acknowledged, the parties agree that Assignor does hereby sell, assign, and transfer unto Assignee, on the date(s) set forth below, the entire right, title and interest of Assignor in and to each Trademark individually, including, without limitation, the goodwill of the business symbolized by such Trademark and associated therewith, all applications to register such Trademark, and the right to bring actions for past, present and future infringement of such Trademark. The effective date of the assignment of each Trademark shall be the earlier of (1) ninety (90) days from the date herein or (2) the date that the United States Patent and Trademark Office (the "**USPTO**") finally accepts the Amendment to Allege Use for such Trademark. The failure of the USPTO to finally accept the Amendment to Allege Use for any Trademark shall not affect the validity of the assignment of any other rights or Trademark hereunder. Assignor agrees to take, or cause to be taken, all such other action and to execute and deliver, or cause to be executed and delivered, all such documents as the Assignee may reasonably request in order further to assignments contemplated herein.

(remainder of page left blank intentionally)
(signature page to follow)

IN WITNESS WHEREOF, each party has caused its proper officer to execute this Assignment as of the date and year first written above.
