This Grant of Security Interest in Trademarks dated as of December 27, 2013 (this "*Agreement*"), is between Sigue Corporation, a Delaware corporation (together with its successors and assigns, the "*Grantor*"), and Fifth Third Bank, as collateral agent (together with its successors and assigns in such capacity, the "*Collateral Agent*"), for the benefit of the Secured Creditors (as defined in the Security Agreement referred to below):

PRELIMINARY STATEMENTS:

(1) This Agreement is made pursuant to the Credit Agreement, dated as of December 27, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among the Grantor and the other borrowers party thereto, the lenders party thereto (the "*Lenders*") and the Collateral Agent.

(2) In connection with the Credit Agreement, the Grantor is a party to a Pledge and Security Agreement, dated as of December 27, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "*Security Agreement*"), among the Grantor, the other grantors named therein and the Collateral Agent, pursuant to which the Grantor has granted to the Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in and lien on certain of its assets, whether now owned or existing or hereafter acquired or arising.

AGREEMENT:

In consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby covenants and agrees with the Collateral Agent and the other Secured Creditors as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Grant of Security Interest. As security for the prompt payment and performance of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Creditors, a security interest in and a general lien upon and/or a right of set-off against (whether now owned or hereafter acquired by the Grantor and whether acquired in the United States or elsewhere in the world) all right, title and interest of the Grantor in and to the following, whether now existing or hereafter acquired:

- (i) all Trademarks, trade names and service marks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A);
- (ii) all applications for the registration of Trademarks, trade names and service marks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A);
- (iii) all Trademarks, trade names and service marks registered with any office, agency or other governmental authority of any State, the District of Columbia or any possession or territory of the United States;
- (iv) all Trademarks, trade names and service marks registered with any office, agency or other governmental authority of any other country or any province, department or other governmental subdivision thereof;
- (v) all registrations and recordings with respect to any of the foregoing;
- (vi) all reissues, extensions and renewals of any of the foregoing;

- (vii) all corporate names, business names, trade styles, logos, other source or business identifiers; all information, customer lists, identification of supplier, data, plans, blueprints, specifications, designs, drawings, recorded knowledge, surveys, engineering reports, test reports, manuals, materials standards, processing standards, performance standards, catalogs, computer and automatic machinery software and programs, and the like pertaining to operations by the Grantor in, on or about any of its plants or warehouses; all field repair data, sales data and other information relating to sales or service of products now or hereafter manufactured on or about any of its plants; and all accounting information pertaining to operations in, on or about any of its plants and all media in which or on which all of the information or knowledge or data or records relating to its plants and warehouses may be recorded or stored and all computer programs used for the compilation or printout of such information, knowledge, records or data, and the Collateral Agent shall keep all such information, knowledge, records or data strictly confidential in accordance with the Credit Agreement;
- (viii) all licenses and other agreements relating in whole or in part to any of the foregoing, including all rights to payments in respect thereof;
