TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made as of April 1, 2014 (the "Effective Date"), by and between The Timken Company ("Assignor"), and TimkenSteel Corporation ("Assignee"). The Assignor and Assignee are sometimes referred to herein separately as a "Party" and together as the "Parties".

RECITALS

A. Assignor is the owner of the entire right, title, and interest in, to, and under those United States and foreign trademarks and trademark applications listed on Schedule A and the goodwill associated with all of the foregoing (collectively, the "Trademarks").

B. Assignee, at its request and direction, wishes to acquire and Assignor wishes to assign all of Assignor's right, title, and interest in and to the Trademarks.

For good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. Assignor hereby irrevocably sells, assigns, transfers, and sets over to Assignee all of Assignor's right, title, and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

2. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademarks and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

3. Assignor will provide Assignee, its successors, assigns, or other legal representatives, cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment

and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks.

4. This Assignment may be executed in one or more counterparts, and by the Assignee and the Assignor in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Assignment by facsimile or portable document format (PDF) will be as effective as delivery of a manually executed counterpart of any such Assignment.
