**FIRST AMENDMENT TO AMENDED AND RESTATED
PATENT AND TRADEMARK SECURITY AGREEMENT**

THIS FIRST AMENDMENT TO AMENDED AND RESTATED PATENT AND TRADEMARK SECURITY AGREEMENT (this "**Amendment**"), dated as of April 3, 2014, is entered into by and between WRIGHT & MCGILL CO., a Colorado corporation whose address and principal place of business is 4245 East 46th Avenue, Denver, Colorado 80216 (the "**Debtor**"), and WELLS FARGO CREDIT, INC., a Minnesota corporation, whose address is 1740 Broadway, Denver, Colorado 80274-8625 (the "**Secured Party**").

The Debtor, Eagle Claw Fishing Tackle Co. and Laker Co. (collectively, "**Borrowers**"), Wright & McGill DISC Co. (the "**W&M DISC**") and the Secured Party are parties to a Third Amended and Restated Credit and Security Agreement dated as of January 4, 2008 (as the same may hereafter be amended, supplemented or restated from time to time, the "**Credit Agreement**"). The Borrowers and the W&M DISC are referred to collectively as "**Obligors**". Pursuant to the Credit Agreement, the Secured Party has agreed to extend or continue to extend, as applicable, credit and other financial accommodations to or for the account of the Obligors.

As a condition to entering into the Credit Agreement, the Secured Party required that the Debtor execute an Amended and Restated Patent and Trademark Security Agreement by and between the Debtor and the Secured Party dated as of January 4, 2008 (as amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**").

As a condition to entering into a Twelfth Amendment of the Credit Agreement and continuing to provide financial accommodations under the Credit Agreement, the Secured Party has required that the Security Agreement be further amended in accordance with the provisions of this Amendment to grant, or to ratify and confirm the granting of, as the case may be, a security interest in favor of the Secured Party in certain patents and trademarks owned by Debtor.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein contained, it is agreed as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms used in this Amendment which are defined in the Security Agreement shall have the meanings given to them therein.

2. Amendments.

(a) Exhibit A to the Security Agreement is hereby deleted in its entirety, and Exhibit A to this Amendment is hereby substituted therefor. Without limiting the scope of the term "Patent" or the term "Security Interest", Debtor agrees that the Security Interest extends to all of the Patents listed on Exhibit A to this Amendment.

(b) Exhibit B to the Security Agreement is hereby deleted in its entirety, and Exhibit B to this Amendment is hereby substituted therefor. Without limiting the scope of the

term "Trademark" or the term "Security Interest", Debtor agrees that the Security Interest extends to all of the Trademarks listed on Exhibit B to this Amendment.

(c) To the extent any Patent described on Exhibit A to this Amendment or any Trademark described on Exhibit B to this Amendment was subjected to the Security Interest by the Security Agreement, the grant of such Security Interest is hereby ratified and confirmed.

3. No Other Changes. Except as expressly amended by this Amendment, all of the terms and conditions of the Security Agreement and the Loan Documents (as defined in the Credit Agreement) shall remain in full force and effect.

4. Representations and Warranties. The Debtor hereby represents and warrants to the Secured Party as follows:

(a) The Debtor has all requisite power and authority to execute this Amendment and to perform all of its obligations hereunder, and this Amendment has been duly executed and delivered by the Debtor and constitutes the legal, valid and binding agreement of the Debtor, enforceable in accordance with its terms, except to the extent that enforcement thereof may be limited by principles of equity and any applicable bankruptcy, solvency or similar laws now or hereafter in effect affecting creditors' rights generally.

(b) The execution, delivery and performance by the Debtor of this Amendment has been duly authorized by all necessary corporate action and does not (i) require any authorization, consent or approval by any governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, (ii) violate any provision of any law, rule or regulation or of any order, writ, injunction or decree presently in effect, having applicability to the Debtor, or the articles of incorporation or by-laws of the Debtor, or (iii) result in a breach of or constitute a default under any indenture or loan or credit agreement or any other agreement, lease or instrument to which the Debtor is a party or by which it or its properties may be bound or affected.

(c) All of the representations and warranties contained in Section 3 of the Security Agreement are true and correct in all material respects on and as of the date hereof as though made on and as of such date, except to the extent that such representations and warranties relate solely to an earlier date.

5. References. All references in the Security Agreement to "this Agreement" shall be deemed to refer to the Security Agreement as amended hereby; any and all references to the Security Agreement in the other Loan Documents (as defined in the Credit Agreement) shall be deemed to refer to the Security Agreement as amended hereby.

6. No Waiver. The execution of this Amendment shall not be deemed to be a waiver of any Default (as defined in the Credit Agreement) or Event of Default (as defined in the Credit Agreement) under the Credit Agreement or breach, default or event of default under any other Loan Document (as defined in the Credit Agreement) held by the Secured Party, whether or not known to the Secured Party and whether or not existing on the date of this Amendment.

7. Costs and Expenses. The Debtor hereby reaffirms its agreement under the Credit Agreement to pay or reimburse the Secured Party for any and all reasonable out-of-pocket costs and expenses, including, without limitation, attorneys' fees and expenses paid or incurred by the Secured Party in connection with the preparation, filing or recording of the Loan Documents and any other document or agreement related thereto. Without limiting the generality of the foregoing, the Debtor specifically agrees to pay all reasonable fees and disbursements of counsel to the Secured Party for the services performed by such counsel in connection with the preparation and filing or recording of this Amendment and any documents and instruments incidental hereto.

8. Miscellaneous. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original and all of which counterparts, taken together, shall constitute one and the same instrument.
