## TRADEMARK SECURITY AGREEMENT

**TRADEMARK SECURITY AGREEMENT**, dated as of April 8, 2014, by **VERTO MEDICAL SOLUTIONS, LLC**, a Delaware limited liability company ("Grantor") in favor of **BREAKWATER STRUCTURED GROWTH OPPORTUNITIES FUND, L.P.** (the "Lender").

### WITNESSETH:

**WHEREAS**, Grantor and the Lender are entering into a Credit Agreement dated as of April 8, 2014 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"). Grantor is entering into this Security Agreement in order to induce the Lender to enter into and extend credit to the Grantor under the Credit Agreement; and

**WHEREAS**, Grantor is a party to a Pledge and Security Agreement of even date herewith in favor of the Lender (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") in which Grantor, among other things, granted to the Lender a security interest in Grantor's intellectual property, including a security interest in trademarks and trademark licenses (to the extent that any trademark license is not expressly prohibited from being assigned or pledged) to secure the payment of all amounts owing under the Obligations.

**NOW, THEREFORE**, in consideration of the premises and to induce the Lender to enter into the Credit Agreement, Grantor hereby agrees with the Lender as follows:

**SECTION 1. Defined Terms.** Unless otherwise defined herein, terms defined in the Credit Agreement or in the Security Agreement and used herein have the meaning given to them in the Credit Agreement or the Security Agreement. As used herein, the following terms shall have the following meanings:

**"Trademark"** means (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, and (b) the right to obtain all renewals and extensions thereof.

**"Trademark License"** means any agreement, whether written or oral, providing for the grant by or to Grantor of any right to use any Trademark.

**SECTION 2. Grant of Security Interest in Trademark Collateral.** Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of Grantor, hereby sells, conveys, pledges and grants a continuing and unconditional security interest to the Lender (and reaffirms the security interest granted pursuant to the Security Agreement), a continuing

first priority Lien on and security interest in, all of its right, title and interest in, to and under the following whether presently existing or hereafter created or acquired (the “Trademark Collateral”):

- (a) all of its Trademarks and Trademark Licenses to which it is a party, including, without limitation, those referred to on Schedule I hereto;
- (b) all renewals, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and
- (d) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present, future (i) infringement or dilution of any Trademark or Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark License.

**SECTION 3. Grantor Remains Liable.** It is expressly agreed by Grantor that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks or Trademark Licenses, and shall hold the Lender harmless from any and all costs, damages, liabilities and expenses that may be incurred in connection with the Lender’s interest in such Trademarks or Trademark Licenses or any other action or failure to act in connection with this Trademark Security Agreement. Grantor shall remain liable for any and all claims by any Person that the conduct of Grantor’s business or products or processes of Grantor infringe any rights of such person.

**SECTION 4. Security Agreement.** The security interest granted pursuant to this Trademark Security Agreement reaffirms the security interest granted to the Lender pursuant to the Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. If any provision hereof conflicts with any provision of the Credit Agreement or the Security Agreement, the terms of the Credit Agreement or Security Agreement shall control to the extent of such inconsistency.

**SECTION 5. Termination of Security Interest in Trademark Collateral.** Upon payment and satisfaction in full of the Obligations other than residual indemnification obligations and termination of all commitments relating thereto, Lender shall reassign, redeliver and release (or cause to be so reassigned, redelivered and released), without recourse upon or warranty by the Lender, and at the sole expense of Grantor, to Grantor, against receipt therefor, all of the Lender’s rights and interests in the Trademark Collateral (if any) as shall not have been sold or otherwise applied by the Lender pursuant to the terms of the Security Agreement and not theretofore reassigned, redelivered and released to Grantor, together with appropriate instruments of reassignment and/or release.

**SECTION 6. Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any

of the parties hereto may execute this Trademark Security Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 7. **Notices.** All notices, demands, consents, statements, requests, approvals or other communications which are permitted or required to be given by either party to the other hereunder shall be in writing and shall be given as provided in Section 8.01 of the Credit Agreement.

SECTION 8. **Modifications.** This Trademark Security Agreement cannot be modified, changed or discharged except by an agreement in writing signed by Grantor and the Lender.

SECTION 9. **Oral Agreements.** **ORAL OR UNEXECUTED AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE, REGARDLESS OF THE LEGAL THEORY UPON WHICH IT IS BASED THAT IS IN ANY WAY RELATED TO THE CREDIT AGREEMENT. TO PROTECT GRANTOR AND LENDER FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS REACHED COVERING SUCH MATTERS ARE CONTAINED IN THIS WRITING, WHICH IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN GRANTOR AND LENDER, EXCEPT AS THEY MAY LATER AGREE IN WRITING TO MODIFY IT.**

SECTION 10. **Applicable Law.** **THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS (AND NOT THE LAW OF CONFLICTS) OF THE STATE OF CALIFORNIA.**

(Signature Pages Follow)

*(Signature Page to Trademark Security Agreement)*

**IN WITNESS WHEREOF**, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
