TRADEMARK ASSIGNMENT

This Trademark Assignment is made and entered into as of April 14, 2014, by and between Pac-Paper, Inc., a Washington corporation (the “**Assignor**”), and PKDY Acquisition, LLC, a Delaware limited liability company (the “**Assignee**”).

WHEREAS, Assignor is the sole owner and holder of all right, title and interest in and to the trademarks listed in Exhibit A (the “**Trademark Assets**”), the registrations thereof, and the goodwill represented by said Trademark Assets;

WHEREAS, the Assignee is desirous of acquiring the Trademark Assets as part of the transfer of the entire business or portion thereof to which such Trademark Assets pertain;

WHEREAS, Assignee is the successor to the business of the Assignor to which such Trademark Assets pertain and such business will be ongoing and existing; and

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement, dated as of the date hereof, pursuant to which, among other things, Assignor has agreed to sell, transfer, assign, and deliver to Assignee the Trademark Assets, and Assignee has agreed to purchase and accept the Trademark Assets, subject to the terms and conditions of the Asset Purchase Agreement.

NOW, THEREFORE, for the consideration set forth in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over unto Assignee: (1) the entire right, title, and interest in all countries throughout the world in and to the Trademark Assets, the registrations and applications thereof, and the goodwill of the business represented by said Trademark Assets; (2) the entire right, title, and interest in and to any registration of any of the Trademark Assets which issued and may issue in any country, and any renewals and extensions thereof; (3) the right to sue and recover for, and the right to profits or damages due or accrued in connection with, any and all past, present, or future infringement or dilution of the Trademark Assets, and any an all causes of action related thereto; and (4) the entire right, title, and interest in all convention and treaty rights of all kinds, including without limitation all rights of priority in any country of the world, in and to the above Trademark Assets.

Assignor hereby authorizes Assignee to record this Trademark Assignment with all appropriate governmental offices. Assignor agrees to take such further action, execute such additional documents, and, in general, do all lawful things reasonably requested of it by Assignee to perfect Assignee’s title in and to the Trademark Assets and to carry out and fulfill the purposes and intent of this Trademark Assignment.

IN WITNESS WHEREOF, Assignor and Assignee have caused this document to be executed by their duly authorized officers as of the date first written above.
