This Security Interest was recorded with the Assignment Services Branch of the United States Patent and Trademark Office on July 28, 2011 under Reel 4592 and Frame 260 in connection with the Registrations.

Attached are two documents evidencing the release of the Security Interest:

1. A redacted version of the June 25, 2012 Nitronex Corporation Note Cancellation and Release Agreement (“Agreement”), which was executed by Nitronex Corporation (the grantor of the original Agreement) and all Lenders to the Security Interest:

- Alloy Ventures 2005, LP
- Arch Venture Fund VI, LP
- Diamondhead Ventures, LP
- Diamondhead Ventures Principals Fund, LP

2. A complete version of the June 25, 2012 Trademark Release and Reassignment Agreement (“Release Agreement”), which was executed by Nitronex, LLC as successor to Nitronex Corporation. Nitronex Corporation converted from a Delaware corporation to a Delaware limited liability company and this conversion is already on file and/or is being filed before the United States Patent and Trademark Office in connection with each Registration. This Release Agreement was authorized by the Lenders pursuant to the Agreement executed on the same date, which was signed by all Lenders.

We are submitting these documents together as evidence of the Lenders’ release of the Security Interest. When the Security Interest was recorded, the cover sheet only listed the Lender’s Representative (Alloy Ventures, Inc. as Lender Representative) as the Receiving Party. However, the recorded document clarifies that the true parties in interest were the Lenders. Since the Lenders have each affirmed the Release Agreement by virtue of their signature on the Agreement, we ask that the release of the Security Interest be reflected by the recordation of the Agreement and Release Agreement, both effective as of June 25, 2012.

Sincerely,

Perkins Coie LLP
