**CONFIRMATION OF TRADEMARK ASSIGNMENT**

This Confirmation of Trademark Assignment ("**Assignment**") is entered into by and between Sourcefire LLC a Delaware Limited Liability Company ("**Sourcefire**"), and Cisco Systems, Inc., a California corporation ("**CSI**").

**WHEREAS**, pursuant to a prior Asset Transfer Agreement effective October 9, 2013 between Sourcefire and CSI (the "**Asset Transfer Agreement**"), certain intellectual property rights, including without limitation all rights, title and interest in and to the Sourcefire Marks (as defined below), were assigned previously to CSI.

**NOW, THEREFORE**, Sourcefire and CSI agree as follows and confirm that:

"**Sourcefire Marks**" means all of Sourcefire's trademarks, service marks, trade names, trade dress, logos, designs and slogans, in word mark, stylized and/or design formats, including without limitation Sourcefire's trademark registrations and applications (except for Sourcefire's Intent-to-Use US applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the US Patent and Trademark Office) and any and all of Sourcefire's common law rights in the aforementioned items, together with all goodwill associated with and symbolized by the aforementioned items, including without limitation the marks identified in Schedule 1 attached hereto and all of the goodwill associated with and symbolized by such marks.

Sourcefire has assigned and transferred, and CSI has received and accepted, all of Sourcefire's rights, title and interest throughout the world in and to the Sourcefire Marks and all the rights, claims and privileges pertaining to the Sourcefire Marks, including without limitation: the registrations and applications pertaining thereto (except for Sourcefire's Intent-to-Use US applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the US Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the Sourcefire Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of Sourcefire in all matters related thereto.

Sourcefire hereby authorizes and requests the United States Commissioner of Patents and Trademarks and the relevant officials of foreign countries to implement this Assignment.
