This Trademark Assignment (this "*Assignment*") is made and entered into as of March 10, 2014, by and among Collacomm Inc., a Delaware corporation ("*Assignor*") and VerticalScope Inc., an Ontario corporation ("*Assignee*").

WHEREAS, the Assignor and the Assignee are parties to that certain Asset Purchase Agreement, dated as of February 24, 2014 (the "*Purchase Agreement*"), pursuant to which the Assignee has agreed to acquire all of the Assignor's right, title and interest in certain trademarks, service marks, and trade names, together with the goodwill associated with and symbolized by them, as set forth in the Purchase Agreement, including, without limitation, those trademarks, service marks, and trade names listed in Schedule I hereto (all such trademarks, service marks, and trade names referred to collectively as the "*Assigned Trademarks*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee each hereby agree as follows:

1. Assignment. Assignor hereby assigns, transfers, conveys and delivers to the Assignee and its successors and assigns, and the Assignee hereby accepts from the Assignor, all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of the Assignor in all matters related to the Assigned Trademarks.

2. Recordation and Further Assurances. Assignor authorizes the Commissioner for Trademarks and any other governmental officials to record and register this Trademark Assignment upon request by Assignee. The Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment and ensure that the Assigned Trademarks are properly assigned to Purchaser, or any assignee or successor thereto, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment and its recordation in relevant state and national trademark offices.

3. Representations. Assignor represents that Assignor has the rights, titles, and interests to convey as set forth herein, and covenants with Assignee that the Assignor has not made and will not hereafter make any assignment, grant, mortgage, license, or other agreement affecting the right, title, and interest herein conveyed.

4. Miscellaneous. Capitalized terms used without definitions in this Assignment shall have the same meanings ascribed to such capitalized terms in the Purchase Agreement. This Assignment shall be construed and interpreted in accordance with the Purchase Agreement. Nothing in this Assignment shall, or shall be deemed to, modify or otherwise affect any
