AUTHORIZING  
(A) SALE OF CERTAIN ASSETS FREE AND CLEAR OF LIENS, CLAIMS, INTERESTS, AND  
ENCUMBRANCES, AND  
(B) ASSUMPTION AND ASSIGNMENT OF CERTAIN  
EXECUTORY CONTRACTS AND LEASES

Presently before the Court is the motion of Trism, Inc., Case No. 01-31323; Trism Heavy Haul, Inc., Case No. 01-31327; E. L. Powell & Son Trucking Co., Inc., Case No. 01-31328; Trism Specialized Carriers, Inc., Case No. 01-31329; Trism Special Services, Inc., Case No. 01-31330; Trism Secured Transportation, Inc., Case No. 01-31331; Diablo Systems, Incorporated, Case No. 01-31332; Trism Eastern, Inc., Case No. 01-31333; Tri-State Motor Transit Co., Case No. 01-31334; Aero Body and Truck Equipment, Inc., Case No. 01-31335; Trism Logistics, Inc., Case No. 01-31336; Trism Equipment, Inc., Case No. 01-31337; Trism Transport, Inc., Case No. 01-31338; and Trism Transport Services, Inc., Case No. 01-31339, the debtors and debtors in possession in the above referenced cases (the "Debtors"), entitled Motion under Sections 105(a), 363 and 365 of the Bankruptcy Code to (i) Approve the Sale of Substantially all of the Debtor's Assets and (ii) Approve Assumption and Assignment of Executory Contracts and Unexpired Leases, dated January 10, 2002 (the "Sale Motion"). The Sale Motion seeks entry of a combined order (the "Sale Order") under Sections 105, 363, and 365 of the Bankruptcy Code (11 U.S.C. §§ 101-1330) and Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, and 9015 authorizing (i) the sale by Debtors of substantially all of the assets of the Debtors pursuant to that certain Revised and Restated Asset Purchase Agreement (the "Asset Purchase Agreement"), attached hereto as Exhibit A, that was negotiated and the terms presented to the Court on January 30, 2002 during the course of the Sale Hearing (collectively, the "Assets") to Bed Rock Inc. ("Buyer"), (ii) the assumption and assignment to Buyer of certain leases and contracts pursuant to the Asset Purchase Agreement, and (iii) protection of the Buyer and Lenders (as herein defined) from claims under §§ 542, 543, 544, 547, 548, and 549. The Sale Motion has been served by Debtors on all parties

required by the Court, and the Court scheduled and conducted a hearing on the Sale Motion at 9:30 a.m. on January 30, 2002 (collectively, the "Sale Approval Hearing").

The Debtors having certified that notice of the Sale Approval Hearing was provided by proper service of an order entered by this Court on January 10, 2002, concerning the procedures to be followed in conducting the sale (the "Bidding Procedures Order") and of the Sale Motion; the Court having found that the service of the Bidding Procedures Order, the Sale Motion and the notice of the Sale Approval Hearing is sufficient under the circumstances for the purposes of Federal Rules of Bankruptcy Procedure 2002(a)(2) and 6004(a) and (c), and notice is not required under §363(b)(2), that no other or further notice is necessary; the Court having considered the presentations and proffers by counsel and all objections to the Sale Motion, and the Court being fully advised in the premises and having considered the relief sought in the Sale Motion and having found good cause to grant the relief requested thereby:

**THIS COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:**

- A. The Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334.
- B. Venue is proper pursuant to 28 U.S.C. § 1409(a).
- C. Determination of the relief requested by the Sale Motion is a "core" proceeding under 28 U.S.C. § 157(b)(2)(A) and (N). The relief requested by the Sale Motion is predicated upon Sections 105, 363, and 365 of the Bankruptcy Code and Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, and 9014.
- D. The Debtors have followed the procedures for giving notice of the Sale Motion and the Sale Approval Hearing as set forth in the Bidding Procedures Order.
- E. Proper, timely, adequate, and sufficient notice of the Sale Motion and the Sale Approval Hearing has been provided in accordance with Section 102(1) of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, 9006 and 9015, due process of law, and the Bidding Procedures Order, and no further notice of the Sale Motion, the Sale Approval Hearing, or the entry of this Sale Order is required.
- F. A reasonable opportunity to object or to be heard regarding the relief requested by the Sale Motion has been afforded to all interested persons and entities, including (i) all parties that have been previously contacted in connection with the prepetition marketing and sale process and other potential qualified

bidders known to the Debtors; (ii) the Office of the United States Trustee; (iii) The CIT Group/Business Credit, Inc.; (iv) counsel to the Unsecured Creditors Committee; (v) those creditors holding a claim in an amount exceeding \$100,000; and (vi) all creditors holding a lien or secured claim; (vii) the 20 largest unsecured creditors; (viii) U.S. Bank Trust National Association, the indenture trustee for the New Notes (the "New Note Trustee"); (ix) all governmental agencies required to receive notice of proceedings under the Federal Rules of Bankruptcy Procedure and any local bankruptcy rules; (x) all non-debtor parties to unexpired leases or executory contracts; and (xi) all entities who have requested notice pursuant to Bankruptcy Rule 2002. Further, a reasonable opportunity has been afforded any interested person or entity to make a higher and better offer to purchase the Assets upon the terms and conditions and within the time period set forth in the Bidding Procedures Order.

G. It is uncontroverted that (i) subject to entry of this Order, the Debtors have full corporate power and authority to consummate the transactions hereunder; (ii) subject to entry of this Order, the Debtors have been duly and validly authorized by all necessary corporate action to agree to the terms contained herein and to file the Sale Motion; and (iii) no consents or approvals, other than the approval of this Court, are required for the Debtors to consummate such transactions.

H. Sale of the Assets as provided in this Sale Order, including without limitation the assumption and assignment of those certain executory contracts and unexpired leases which are identified in the attached Exhibit B (the "Assumed and Assigned Executory Contracts and Unexpired Leases"), reflects the exercise of the Debtors' sound business judgment.

I. Approval of the relief requested by the Sale Motion and consummation of the sale of the Assets at this time are in the best interests of the Debtors, their creditors, other parties in interest, and of the estates. The Court finds that the Debtors have articulated good and sufficient business justification for the sale of the Assets pursuant to Section 363(b) of the Bankruptcy Code, including arm's-length negotiation, "best price" after out-of-court marketing efforts, and the unavailability of continued debtor in possession financing. Additionally, the Court incorporates its findings of fact made on the record at the conclusion of the Sale Hearing as reasons why the Sale Motion should be granted.

J. The terms and conditions of Buyer's offer are fair and reasonable. The offer by Buyer represents the highest and best offer for the Assets, and the purchase price for the Assets (the "Purchase Price") is (i) fair and reasonable, (ii) will provide a greater recovery for the Debtors' creditors than would be provided by any

other practical available alternative, and (iii) constitutes reasonably equivalent and fair market value under the Bankruptcy Code and applicable nonbankruptcy law.

K. The Buyer has provided adequate assurance, pursuant to Section 365 of the Bankruptcy Code, of Buyer's future performance under the Assumed and Assigned Executory Contracts and Unexpired Leases.

L. The assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases is in the best interests of the Debtors, their creditors, other parties in interest, and of the estates, and is in accordance with the provisions of Section 365 of the Bankruptcy Code.

M. The terms of the sale by Debtors to Buyer were negotiated, proposed, and entered into by the parties without collusion, in good faith, and from "arm's-length" bargaining positions. The Buyer is a good faith buyer as defined pursuant to Section 363(m) of the Bankruptcy Code and, as such, is entitled to the protections afforded thereby. Neither the Debtors nor the Buyer has engaged in any conduct that would cause or permit the sale of the Assets to be avoided under Section 363(n) of the Bankruptcy Code. The Term Sheet attached to the Sale Motion (the "Term Sheet") originally contemplated the parties' entering into an asset purchase agreement that would replace the Term Sheet, which did occur (the "Original Asset Purchase Agreement"). The Original Asset Purchase Agreement was entered into between the parties on January 19, 2002, and was sent to all those parties that requested a copy of the Original Asset Purchase Agreement.

N. This is a final order and enforceable upon entry. To the extent necessary under Federal Rules of Bankruptcy Procedure 5003, 9006, 9014, 9021, and 9022, and due to the high likelihood of a very rapid decline in the value of the Assets, there is no just reason for the delay in the implementation of this Sale Order, and therefore the ten-day stay imposed by Federal Rule of Bankruptcy Procedure 6004(g) shall not apply to the transactions contemplated by this Sale Order and the Buyer will be acting in good faith within the meaning of Section 363(m) of the Bankruptcy Code in immediately closing the transactions contemplated by the terms of this Sale Order following entry of this Sale Order, including without limitation the assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases.

O. The transfer of the Assets and the assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases pursuant to the terms of this Sale Order (i) are or will be legal, valid, and effective transfers of property of the Debtors' estates to the Buyer, and (ii) vest or will vest the Buyer with all right, title, and interest in and to the Assets free and clear of all liens, claims, interests, licenses, sublicenses,

assignments, and encumbrances under Section 363(f) of the Bankruptcy Code. Those nondebtor parties with liens, claims, interests, sublicenses, assignments, or encumbrances as to the Assets who did not object, or who withdrew their objections, or whose objections have been overruled on the merits, to the Sale Motion, to the Term Sheet, the Original Asset Purchase Agreement, and the Asset Purchase Agreement are adequately protected by either distributing the sale proceeds to such parties or having their liens, claims, interests, licenses, sublicenses, assignments, or encumbrances attach to the cash proceeds from the sale of the Assets as provided in this Order, against or in which they assert such lien, claim, encumbrance, license, sublicense, assignment, or interest to the extent valid, enforceable, and ultimately attributable to the Assets.

P. Except for those obligations expressly assumed, the transfers of the Assets and the assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases do not subject the Buyer to any debts, liabilities, obligations, commitments, responsibilities, or claims of any kind or nature whatsoever, whether known or unknown, contingent or otherwise, existing as of the date hereof or hereafter arising, of, against or by the Debtors, any affiliate of Debtors, or any other person by reason of such transfers, rejections, assignments and/or solicitations under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia applicable to such transactions.

Q. The sale of the Assets to the Buyer is a prerequisite to the Debtors' ability to confirm and consummate a plan or plans of liquidation; therefore, the transactions contemplated by this Sale Order, the Sale Motion, the Term Sheet, the Original Asset Purchase Agreement, and the Asset Purchase Agreement are a sale in contemplation of a plan and, accordingly, a transfer pursuant to Section 1146(c) of the Bankruptcy Code, which shall not be taxed under any law imposing a stamp tax or similar tax.

R. The Asset Purchase Agreement contemplates the Buyer entering into a management agreement with the Debtors for a period of time following the Closing, which management agreement (the "Management Agreement") has been reviewed and it is the Court's determination that entering into such Management Agreement is in the best interests of the estates and should be approved.

S. Notwithstanding any other provision herein, any accounts receivable assigned to Buyer are assigned subject to rights, claims and defenses of account debtors, including setoff and recoupment but without any right of the account debtor to receive any monies from Buyer.

T. The sale could not be consummated on terms as favorable to the Debtors without

protection to the Buyer and the Lenders (as herein defined) from successor liability of Trism's creditors, known and unknown, and from liability from any claims or causes of action under §§ 542, 543, 544, 547, 548 and 549.

**NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:**

1. The Bidding Procedures Order is hereby ratified and reaffirmed in all respects.
2. The Sale Motion is granted, to the extent set forth herein.
3. All objections, if any, to the Sale Motion or the relief requested thereto that has not been withdrawn, waived, or settled, and all reservations of rights therein, are overruled on the merits.
4. The terms and conditions of this Sale Order, and the transactions contemplated hereby, are hereby approved in all respects.

The sale of the Assets pursuant to the terms of this Sale Order is hereby authorized and directed under Section 363(b) of the Bankruptcy Code.

5. Pursuant to Sections 363(b) and 365 of the Bankruptcy Code, the Debtors are hereby authorized, directed, and empowered to fully assume, perform under, consummate, and implement the relief granted by the terms of this Sale Order, together with executing and delivering all additional instruments and documents that may be reasonably necessary or desirable to implement this Sale Order and to take all further actions as may reasonably be requested by the Buyer for the purpose of assigning, transferring, granting, conveying, and conferring to the Buyer, or reducing to possession, any or all of the Assets as may be necessary or appropriate to the performance of the obligations contemplated by this Order and the Asset Purchase Agreement.

6. Closing on the transactions contemplated by this Sale Order and as set forth in the Asset Purchase Agreement shall occur on or about February 5, 2002, unless modified by the parties, and shall be effective as of said date (the date the transaction closes is the "Closing Date").

7. Pursuant to Sections 105(a) and 363(f) of the Bankruptcy Code, except as provided herein, the Assets shall be transferred to the Buyer free and clear of all liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of any kind whatsoever, including without limitation any liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of the United States, any state, municipality, or other governmental unit, and also including without limitation any environmental, warranty and product liability claims with all such liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of any kind whatsoever to attach to the proceeds of the transactions contemplated by this Sale Order in the order of their priority, with the same

validity, force, and effect which they now have against the Assets, subject to any claims or defenses the Debtors or the Unsecured Creditors Committee may possess with respect thereto; provided, however, that so much of the cash proceeds received as the Purchase Price which is equal to the claim of CIT Group/Business Credit, Inc. as Agent and the Lenders named in the various documents evidencing financial arrangements between the Debtors and the Debtor in Possession ("Lenders") shall be disbursed to Lenders on the Closing Date.

8. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, licensees, lenders, trade and other creditors, and other present and future claimants whether or not holding liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of any kind or nature whatsoever against or in the Debtors or the Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtors, the Assets, the operation of the Debtors' businesses prior to the Closing Date, or the transfer of the Assets to the Buyer, including without limitation, any environmental, warranty and product liability claims are hereby forever barred, estopped, and permanently enjoined from asserting against the Buyer, its successors or assigns, its property, or the Assets, such persons' or entities' liens, claims, encumbrances, licenses, sublicenses, assignments, or interests, except for liabilities expressly assigned hereunder or under the operative documents between Buyer and Debtor.

9. The Court overrules the objection of the Unsecured Creditors' Committee to the release requested by Buyer, Glen Garrett, further the court hereby orders that the Buyer, Glen Garrett, and Lenders and each of their respective affiliates, companies, or the successors or assigns of each, are relieved and absolved from any claim or cause of action held or potentially held by the Debtors, the Debtors in possession, any reorganized Debtors, the creditors committee, any individual creditor or party in interest, from any liability for a preference, fraudulent conveyance, or the contribution or participation in the liability of any preference or fraudulent conveyance, or for any claim or cause of action which may or could be brought under §§ 542, 543, 544, 547, 548 and 549 of the United States Bankruptcy Code. All persons and entities, including, but not limited to, all the creditors committee, the Debtor, the Debtor in possession, any reorganized Debtor, debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade and other creditors, and other present and future claimants holding liens, claims, encumbrances, assignments, or interests of any kind or nature whatsoever, are hereby forever barred, estopped, and permanently enjoined from asserting against the Buyer, Glen Garrett, and

Lenders or any of their respective affiliates, companies or assigns, each of their respective successors or assigns, property or Assets for any claim or cause of action held or potentially held by the Debtors, the Debtors in possession, any reorganized Debtors, the creditors committee, any individual credit or party in interest, under any liability for a preference, fraudulent conveyance, or the contribution or participation in the liability of any preference or fraudulent conveyance, or for any claim or cause of action which may or could be brought under §§ 542, 543, 544, 547, 548, and 549 of the United States Bankruptcy Code.

10. Except as provided herein, the transfer of the Assets to the Buyer, on the terms contained in this Sale Order, constitutes a legal, valid, and effective transfer of the Assets, and shall vest the Buyer with all right, title, and interest of the Debtors in and to the Assets free and clear of all liens, claims, encumbrances, licenses, sublicenses, assignments, and interests of any kind or nature whatsoever.

11. The transfer of the Assets, on the terms contained in this Sale Order, is a transfer pursuant to Section 1146(c) of the Bankruptcy Code in that the transactions contemplated by this Sale Order are determined to be under or in contemplation of a plan to be confirmed under Section 1129 of the Bankruptcy Code, and accordingly shall not be taxed under any federal, state, local, municipal or other law imposing or claiming to impose a stamp tax or a sale, transfer, or any other similar tax on any of the Debtors' transfers or sales of real estate, personal property, or other assets (including the Assets) owned by them.

12. The Management Agreement between the Debtors and Buyer is approved and the parties may enter into the Management Agreement upon the terms of the Management Agreement and as is contemplated in the Asset Purchase Agreement.

13. Pursuant to Sections 105(a) and 365 of the Bankruptcy Code, the assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases to the Buyer are hereby approved, and the requirements of Section 365(b)(1) of the Bankruptcy Code with respect thereto have been satisfied, in connection with the transactions contemplated herein, including but not limited to the finding that the cure amounts listed in Exhibit B are accurate and will be paid (the "Cure Payments").

14. The Debtors are hereby authorized and directed in accordance with Sections 105(a) and 365 of the Bankruptcy Code to (i) assume and assign to the Buyer the Assumed and Assigned Executory Contracts and Unexpired Leases effective upon the Closing Date of the transactions contemplated by this Sale Order and the payment of the Cure Payments by the Buyer as contemplated in the Asset Purchase Agreement, except as provided

herein, free and clear of all liens, claims, encumbrances, licenses, sublicenses, assignments, and interests of any kind or nature whatsoever; (ii) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and transfer the Assumed and Assigned Executory Contracts and Unexpired Leases, and (iii) execute and deliver to Buyer such documents or other instruments as may be necessary for implementing and completing the transaction contemplated by this Sale Order.

15. Notwithstanding any provision in the Assumed and Assigned Executory Contracts and Unexpired Leases that prohibits, restricts, or conditions such assignment or transfer and, to the extent set forth in Section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Assumed and Assigned Executory Contracts and Unexpired Leases after such assumption and assignment of the Assumed and Assigned Executory Contracts and Unexpired Leases to the Buyer upon the Closing Date.

Except as otherwise expressly provided for in this Order, on or before the Closing Date, each of the Debtors' creditors is authorized to, and upon Debtors' request will, execute such documents and take all other actions as may be necessary to release its liens, claims, encumbrances, licenses, sublicenses, assignments, or interests in the Assets, if any, as such liens, claims, encumbrances, licenses, sublicenses, assignments, and interests may have been recorded or may otherwise exist.

16. Except as provided herein, this Sale Order (i) is a determination that, on the Closing Date, all liens, claims, encumbrances, or interests of any kind or nature to use the property purchased by Buyer, whatsoever existing with respect to the Assets prior to the Closing have been unconditionally released, discharged, and terminated, as provided herein, and that the conveyances described therein have been effected; and (ii) shall be binding upon and govern the acts of all persons or entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets.

17. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by this Sale Order.

18. If any person or entity that has filed judgment liens, tax liens, financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing liens, claims, licenses, sublicenses, assignments, or interests with respect to the Assets shall not have delivered to the Debtors prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all liens, claims, encumbrances, licenses, sublicenses, assignments, and interests which the person or entity has with respect to the Assets or otherwise, then (i) upon request by the Buyer, the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Assets; and (ii) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this Sale Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all liens, claims, encumbrances, and interests in the Assets of any kind or nature whatsoever.

19. All entities that are presently, or on the Closing Date may be, in possession of some of all of the Assets are hereby directed, promptly upon demand, to surrender possession of the Assets to the Buyer.

20. Except as provided herein, the Buyer shall not be liable for any claims against the Debtors or any of their predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, whether known or unknown, as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, including without limitation any claims of or against the Debtors, any affiliates of the Debtors, and the Assets for any and all claims by any person or entity whatsoever, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the businesses prior to the Closing Date. The Buyer shall have no liability for any claim by any person or entity against the Debtors, any affiliates of Debtors, or the Assets which is pending in a court of competent jurisdiction anywhere in the United States or elsewhere as of the Closing Date; rather, any liability as may be established for such claims shall attach only to the proceeds of the purchase price according to such claim's validity and priority under application law.

21. Except as provided herein, under no circumstances shall the Buyer be deemed a successor of or to the Debtors for any lien, claim, encumbrance, license, sublicense, assignment, or interest against or in the Debtors or the Assets of any kind or nature whatsoever. Except as provided herein, the sale, transfer, assignment, and delivery of the Assets shall not be subject to any liens, claims, encumbrances, licenses, sublicenses,

assignments, or interests, and any liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of any kind or nature whatsoever shall remain with, and continue to be obligations of, the Debtors. Except as provided herein, all persons or entities holding any liens, claims, encumbrances, licenses, sublicenses, assignments, or interest against or in the Debtors or the Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such liens, claims, encumbrances, licenses, sublicenses, assignments, or interests of any kind or nature whatsoever against the Buyer, its property, its successors and assigns, or the Assets with respect to any lien, claim, encumbrances, license, sublicense, assignment, or interest of any kind or nature whatsoever such person or entity had, has, or may have against the Debtors, their estates, officers, directors, shareholders, or the Assets. Following the Closing Date, no holder of a lien, claim, encumbrance, license, sublicense, assignment, or interest against the Debtors or the Assets shall interfere with the Buyer's title to or use and enjoyment of the Assets based on or related to such lien, claim, encumbrance, license, sublicense, assignment, or interest, or any actions that the Debtors may take in their Chapter 11 cases.

22. This Court retains jurisdiction to construe, enforce, and implement the terms and provisions of this Sale Order, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (i) compel delivery of the Assets to the Buyer, (ii) resolve any disputes arising under or related to the terms of this Sale Order, (iii) interpret, implement, and enforce the provisions of this Sale Order, and (iv) protect the Buyer against any liens, claims, encumbrances, and interests against the Debtors or the Assets, of any kind or nature whatsoever.

23. Nothing contained in any plan of liquidation confirmed in this case or any order of this Court confirming such plan shall conflict with or derogate from the provisions of this Sale Order, as they affect the Buyer.

24. The transfer of the Assets pursuant to the transactions contemplated by this Sale Order shall not subject the Buyer to any liability with respect to the operation of the Debtors' businesses prior to the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable subordination or successor transferee liability.

25. The transactions contemplated by this Sale Order are undertaken by the Buyer in good faith, as that term is used in Section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the transactions contemplated by this Sale Order shall not affect the validity of such transactions as to the Buyer, unless such authorization is duly stayed pending such appeal. The Buyer is a purchaser in good faith of the Assets, and is entitled to all of the protections afforded by Section 363(m) of the Bankruptcy Code.

26. The terms and provisions of this Sale Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtors, their estates, and their creditors, as well as the Buyer, and its respective affiliates, successors, and assigns, and shall be binding in all respects upon any affected third parties including, but not limited to, all persons or entities asserting any liens, claims, encumbrances, licenses, sublicenses, assignments, or interests against or in the Assets to be sold to the Buyer pursuant to this Sale Order, notwithstanding any subsequent appointment of any trustee(s) under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

27. This Sale Order is a final order and enforceable upon entry. To the extent necessary under Rules 5003, 9006, 9014, 9021, and 9022 of the Federal Rules of Bankruptcy Procedures, and due to the high likelihood of a very rapid decline in the value of the Assets, this Court expressly finds that there is no just reason for delay in the implementation of this Sale Order and expressly directs entry of judgment as set forth herein, and the ten-day stay imposed by Federal Rule of Bankruptcy Procedure 6004(g) is hereby modified and shall not apply to the transactions contemplated by this Sale Order. Time is of the essence in closing the transactions contemplated by this Sale Order, and the Debtors and the Buyer intend to close such transactions as soon as possible; therefore the Debtors are authorized immediately to consummate the sale of the Assets to Buyer without delay, and the Buyer constitutes a purchaser in good faith of the Assets, and is entitled to all of the protections afforded by Section 363(m) of the Bankruptcy Code, in immediately closing the transactions contemplated by this Sale Order. Therefore, any party objecting to this Sale Order must exercise due diligence in filing an appeal and pursuing a stay or risk their appeal being foreclosed as moot.

28. Following the Closing Date, Buyer shall make available to the Debtors, at the Debtors' expense, business records acquired by Buyer in the sale and transfer to Buyer of the Assets to the extent reasonably

requested by the Debtors to complete their tax returns and satisfy other statutory and regulatory requirements imposed on Debtors prior to the Closing Date.

Notwithstanding any other provisions herein, any accounts receivable assigned to Buyer are assigned subject to rights, claims, and defenses of account debtors, including setoff and recoupment, but without any right of the account debtor to receive them from Buyer.

29. The Court's findings of fact and conclusions of law satisfy the requirement of Fed. R. Civ. P. 52 applicable herein by reason of Bankruptcy Rule 9014.

Each party shall be responsible for the fees and expenses of the firm it designated. The fees and expenses of the third firm, if required hereunder, shall be apportioned by the third firm between the parties to reflect the relative differences between the position asserted by each party with respect to each dispute referred to such third firm and the resolution reached by such third firm, with the party that is further from such resolution bearing a proportionately greater share of such fees and expenses. If there is more than one such dispute, the fees and expenses of such third firm shall be allocated in proportion to their respective amounts. The site of any proceeding required pursuant to this Section 3.4 shall be Kansas City, Missouri.

Therefore, Sellers and Buyer agree that at Closing Sellers attorneys shall hold, in escrow, \$489,000.00 of the Purchase Price for the benefit of the parties hereto. Within ninety (90) days after the Closing Date, Seller and Buyer will use commercially reasonable efforts to locate the Lost Trailers, however, if at the end of the ninety (90) days any of the Lost Trailers are not in the possession of Buyer, then Buyer shall receive a credit against the Purchase Price in an amount equal to \$3,000 per Lost Trailer which remains lost or unlocatable (the "Credit"). (d) The proration pursuant to this Section may be calculated after the Closing Date, as each item to be prorated (including without limitation any such Tax, obligation, assessment, charge, refund, reimbursement, rent installment, fee or revenue) accrues or comes due, provided that, in any event, any such proration shall be calculated not later than thirty (30) days after the party requesting proration of any item obtains the information required to calculate such proration of such item.

In addition, Sellers shall have the responsibility and obligation to respond to any inquiries or offers to purchase all or any part of the Assets and perform any and all other acts related thereto which are required under the Bankruptcy Code or other applicable law, including, without limitation, supplying information relating to the Assets to prospective purchasers. Sellers shall promptly notify Buyer of the existence of any proposal received by Sellers, with respect to any Competing Transaction, and Sellers shall communicate to Buyer the material terms of any proposal which it may receive with respect to any Competing Transaction but not the identity of the party making such proposal. For purposes of determining the satisfaction of the conditions set forth in Article VII hereof, no such supplement or amendment shall be considered.

6.19. Post-Closing Access to Records and Personnel. Buyer hereby acknowledges that it shall grant to Sellers, from and after the Closing Date, access, as promptly as practicable but in no event no later than five days after receiving notice, to any records or personnel related to Sellers' operation of the Assets and the Business prior to the Closing Date upon any Seller's written request. This Section 9.1 shall not limit any covenant or agreement of the parties contained in this Agreement which by its terms contemplates performance after the Closing.

9.2. Indemnification

(a) Sellers shall, severally and jointly, indemnify and hold Buyer and its Affiliates harmless against and in respect of loss, damage, claim, Liability, judgment or settlement of any nature or kind, including all costs and expenses relating thereto, including, without limitation, interest, penalties and reasonable attorneys' fees (collectively "Damages"), asserted against, resulting to, imposed upon or incurred by Buyer or its Affiliates, directly or indirectly arising out of, resulting from or relating to: (i) any representation or warranty made by Sellers in or pursuant to this Agreement being materially untrue or incorrect; (ii) any failure by Sellers to observe or perform their covenants and agreements set forth in this Agreement; (iii) any and all claims made by employees of Sellers against Buyer, regardless of when made, for workmen's compensation, medical insurance, disability, vacation, severance, sick benefits or other compensation arrangements to the extent the same are based on injury or sickness occurring prior to the Closing Date or based on employment service rendered to Sellers prior to the Closing Date; (iv) against Buyer for Sellers' failure to comply with state or federal requirements with respect to termination of its employees (e.g. WARN Act); (v) any injury to any person or damage to any property occurring before the Closing Date; (vi) any failure by Sellers to satisfy and discharge any Excluded Liabilities or other liabilities or obligations not expressly assumed by Buyer pursuant to this Agreement for which Buyer is held liable; and (vii) any third party claim of preference in the Case (provided, however Buyer shall use reasonable efforts to defend against such preference claims).

(b) Buyer shall indemnify and shall hold Sellers and their respective Affiliates harmless against and in respect of any Damages, arising out of, resulting from or relating to:

- (i) all Assumed Liabilities;
- (ii) any breach by Buyer of its covenants contained herein which survive the Closing; and
- (iii) the termination of any employee of any Seller who becomes an employee of Buyer in accordance with Section 6.6 hereof on or after the Closing Date.

(c) In the event that any Person shall incur or suffer any Damages in respect of which indemnification may be sought hereunder, such Person (the "Indemnified Party") may assert a claim for indemnification by providing written notice to the party from whom indemnification is being sought (the "Indemnifying Party"), stating the amount of Damages, if known, and the nature and basis of such claim (the "Notice"). In the case of Damages that arise or may arise by reason of any third-party claim, promptly after receipt by an Indemnified Party of written notice of the assertion of any claim or the commencement of any action with respect to any matter in respect of which indemnification may be sought hereunder, the Indemnified Party shall give Notice to the Indemnifying Party and shall thereafter keep the Indemnifying Party reasonably informed with respect thereto, provided that failure of the Indemnified Party to give the Indemnifying Party prompt notice as provided herein shall not relieve the Indemnifying Party of any of its obligations hereunder, except to the extent that the Indemnifying Party is materially prejudiced by such failure. In case any such claim is made or action is brought against any Indemnified Party, the Indemnifying Party shall be entitled to assume the defense thereof, by written notice of its intention to do so to the Indemnified Party within 30 days after receipt of the Notice. If the Indemnifying Party shall assume the defense of such claim or action, it shall have the right to settle such claim or action; provided, however, that it shall not settle such claim or action without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed) if such settlement (i) does not include as an unconditional term thereof the giving by the claimant or the plaintiff of a release of the Indemnified Party from all Liability with respect to such claim or action or (ii) involves the imposition of equitable remedies or the imposition of any material obligations on such Indemnified Party other than financial obligations for which such Indemnified Party will be indemnified hereunder. As long as the Indemnifying Party is contesting any such claim or action in good faith, the Indemnified Party shall not pay or settle such claim or action. Following delivery of notice of its intention to assume the defense of any claim or action hereunder, the Indemnifying Party shall not be liable hereunder for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, further, however, that if the defendants in any action shall include both an Indemnifying Party and any Indemnified Party and such Indemnified Party shall have reasonably concluded that counsel selected by the Indemnifying Party has a conflict of interest because of the availability of different or additional defenses to such Indemnified Party, such Indemnified Party shall have the right to separate counsel to participate in the defense of such action on its behalf, at the expense of the Indemnifying Party; provided, further, however, that the

Indemnifying Party shall not be obligated to pay the expenses of more than one separate counsel for all Indemnified Parties, taken together.

(d) If the Indemnifying Party shall fail to notify the Indemnified Party of its desire to assume the defense of any claim or action within the prescribed period of time, or shall notify the Indemnified Party that it will not assume the defense hereof, then the Indemnified Party may assume the defense of such claim or action, in which event it may do so acting in good faith, and the Indemnifying Party shall be bound by any determination made in any such action, provided, however, that the Indemnified Party shall not be permitted to settle any such action without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. No such determination or settlement shall affect the right of the Indemnifying Party to dispute the Indemnified Party's claim for indemnification hereunder. The Indemnifying Party shall be permitted to participate in the defense of such claim or action and to employ counsel at its own expense. If the Indemnifying Party chooses to assume the defense of any claim or action pursuant hereto, the Indemnified Party shall cooperate in such defense, which cooperation shall include the retention and the provision to the Indemnifying Party of records and information which are reasonably relevant to such defense, and making employees available on a mutually convenient basis to provide additional information and explanation of any materials provided hereunder, including providing such employees to serve as witnesses.

(e) The right to indemnification pursuant to this Article IX shall not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the date the Closing occurs, with respect to the accuracy or inaccuracy of or compliance with, any representation, warranty, covenant or obligation. The waiver of any condition to the obligation of a party to consummate the transactions contemplated by this Agreement, where such condition is based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or obligation, shall not affect the right of an Indemnified Party to indemnification, payment of an Indemnified Party's Damages, or other remedy based on such representation, warranty, covenant or obligation.

(f) Any indemnification payments made pursuant to this Agreement shall be treated for tax purposes as an adjustment to the Purchase Price, unless otherwise required by applicable law.

(g) Notwithstanding anything to the contrary herein, any indemnification liability from Seller to Buyer set forth in this Article 9 shall be limited to Buyer's right to offset against the Note, as more fully set forth in the Note.

## X.MISCELLANEOUS

Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Seller without the prior written consent of Buyer, or by Buyer without the prior written consent of Seller; provided, however, that, Buyer may assign its rights and obligations hereunder, in whole or in part, to any Affiliate of Buyer, provided that no such assignment shall relieve Buyer of its liabilities and obligations hereunder if such assignee does not perform such obligations and provided, further that this Agreement may be assigned to one or more trustees appointed by the Bankruptcy Court to succeed to the rights of Sellers. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, and except as otherwise expressly provided herein, no other Person shall have any right, benefit or obligation hereunder.

10.3. Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of Sellers and Buyer, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement. Without limiting the foregoing, no direct or indirect holder of any equity interests or securities of either Sellers or Buyer (whether such holder is a limited or general partner, member, stockholder or otherwise), nor any Affiliate of either Sellers or Buyer, nor any director, officer, employee, representative, agent or other controlling person of each of the parties hereto and their respective Affiliates shall have any liability or obligation arising under this Agreement or the transactions contemplated thereby.

10.4. Notices. Unless otherwise provided herein, any notice, request, instruction or other document to be given hereunder by any party to any other party shall be in writing and shall be delivered in person or by courier or facsimile transmission (with such facsimile transmission confirmed by sending a copy of such notice, request, instruction or other document by certified mail, return receipt requested) or mailed by certified mail, postage prepaid, return receipt requested (such mailed notice to be effective on the date such receipt is acknowledged), as follows:

10.5. Choice of Law. This Agreement shall be construed and interpreted, and the rights of the parties shall be determined, in accordance with the Bankruptcy Code and the substantive laws of the State of Missouri, except that any provisions contained herein relating to the conveyance of interests in real property shall be governed by the substantive laws of the State in which the Real Property is located, in each case without regard to the conflict of law principles thereof or of any other jurisdiction.

10.6. Entire Agreement; Amendments and Waivers. This Agreement constitutes the entire agreement between the parties pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the parties. Except as set forth herein or in any certificate delivered pursuant hereto, no party (or any employee or agent thereof) makes any representation or warranty, express or implied, to any other party with respect to this Agreement or the transactions contemplated hereby. No supplement, modification or waiver of this Agreement (including, without limitation, any schedule hereto) shall be binding unless the same is executed in writing by all parties. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided. Unless this Agreement shall have been terminated pursuant to Section 8.1, the sole remedy of the parties against each other in connection with this Agreement and the transactions contemplated hereby shall be the indemnifying rights set forth in Article IX.

10.7. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopy shall be as effective as delivery of a manually executed counterpart of this Agreement. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

10.8. Invalidity. If any one or more of the provisions contained in this Agreement (other than any of the provisions contained in Article II or Article III hereof) or in any other instrument referred to herein, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, the parties shall use their reasonable efforts, including, but not limited to, the amendment of this Agreement, to ensure that this Agreement shall reflect as closely as practicable the intent of the parties hereto on the date hereof.

10.9. Headings. The table of contents and the headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

10.10. Exclusive Jurisdiction. Without limiting any party's right to appeal any order of the Bankruptcy Court, (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and (b) any and all claims, actions, causes of action, suits and proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 10.3 hereof.

10.11. Waiver of Right to Trial by Jury. Each party to this Agreement waives any right to trial by jury in any action, matter or proceeding regarding this Agreement or any provision hereof.

10.12. Beneficiaries. Nothing in this Agreement, expressed or implied, is intended to confer upon any other Person any rights or remedies of any nature under or by reason of this Agreement, except as expressly provided in herein.

10.13. Specific Performance. Each of the parties hereto acknowledges that the other party hereto would be irreparably damaged in the event any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions thereof in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction, in addition to any other remedy to which the parties may be entitled, at law, in equity or pursuant to this Agreement.

10.14. Counting. If the due date for any action to be taken under this Agreement (including, without limitation, the delivery of notices) is not a Business Day, then such action shall be considered timely taken if performed on or prior to the next Business Day following such due date.

10.15. Service of Process. Each party irrevocably consents to the service of process in any action or proceeding by receipt of mailed copies thereof by national courier service or registered United States mail, postage prepaid, return receipt requested, to its address as specified in or pursuant to Section 10.3 hereof. However, the foregoing shall not limit the right of a party to effect service of process on the other party by any other legally available method.

10.16. Time of Essence. With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

10.17. Exhibits and Schedules. The Exhibits and Schedules attached to, delivered with and identified to this Agreement are a part of this Agreement the same as if fully set forth herein and all references herein to any Section of this Agreement shall be deemed to include a reference to any Schedule named therein.

10.18. Interpretation.

(a) Whenever the words "include," "includes" or "including" are used in this Agreement they shall be deemed to be followed by the words "without limitation."

(d) A reference to any legislation or to any provision of any legislation shall include any modification or re-enactment thereof, any legislative provision substituted therefor and all regulations and statutory instruments issued thereunder or pursuant thereto.

(e) All references to \$ and dollars shall be deemed to refer to United States currency unless otherwise specifically provided.

(f) All references to any financial or accounting terms shall be defined in accordance with United States Generally Accepted Accounting Principles.

10.19. Disclosure. Buyer hereby acknowledges that Sellers have delivered, in response to Buyer's due diligence requests, certain instruments, documentation and schedules to Buyer's attorney, Checkett and Pauly, and Sellers have delivered extensive information relating to the Business as part of the Case. All representations by Sellers, contained in this Agreement, relating to information provided to Buyer shall be interpreted to include, but not be limited to, all materials delivered to Checkett and Pauly in connection with the aforementioned due diligence requests and all information specifically disclosed or made available in connection with the Case.

10.20. Preparation of this Agreement. Buyer and Sellers hereby acknowledge that (i) Buyer and Sellers jointly and equally participated in the drafting of this Agreement and all other agreements contemplated hereby, (ii) both Buyer and Sellers have been adequately represented and advised by legal counsel with respect to this Agreement and the transactions contemplated hereby, and (iii) no presumption shall be made that any provision of this Agreement shall be construed against either party by reason of such role in the drafting of this Agreement and any other agreement contemplated hereby.

EXHIBIT A

TEMPORARY MANAGEMENT AGREEMENT

This Temporary Management Agreement (the "Agreement") is entered into by and between Bed Rock, Inc., a Missouri corporation, ("Bed Rock"); Tri-State Motor Transit Co., a Delaware corporation, as itself and as debtor in possession ("Tri-State"), and Trism, Inc., a Delaware corporation, as itself, as the owner of Tri-State and as debtor in possession ("Trism").

RECITALS

- A. Tri-State is engaged in the business of owning and operating tractors and trailers for use in the secured-materials shipping industry as well as shipping facilities related thereto (the "Business").
- B. Tri-State and Trism are debtors-in-possession in a jointly administered chapter 11 case, styled In re: TRISM, Inc., et al. Case Nos. 01-31323 Jointly Administered (the "Case"), pending before the United States Bankruptcy Court for the Western District of Missouri.
- C. Bed Rock, Tri-State and Trism have entered into an asset purchase agreement (the "Asset Purchase Agreement") providing for the purchase by Bed Rock of certain assets of Tri-State utilized in the Business upon the conditions set forth in the Asset Purchase Agreement. The assets being acquired by Bed Rock are referred to herein as the "Purchased Business Assets." The assets being retained by Tri-State to be used in the Business during the term of this Agreement are referred to herein as the "Tri-State Retained Business Assets." The remaining assets of Tri-State not included in the Tri-State Retained Business Assets including rejected real estate leases and other contracts as permitted under the Asset Purchase Agreement will be administered and disposed of in the Case.
- D. In order to preserve the value and usefulness of the Tri-State Retained Business Assets it is necessary that Bed Rock assume the active management of Tri-State.
- E. Unless Bed Rock is authorized to assume and take over active management of the Tri-State Retained Business Assets, the operations of Tri-State may be seriously impaired and the future usefulness of Tri-State in the performance of a continued service to the public may be endangered.

Now therefore, in consideration of the premises and other good and valuable consideration, the parties hereto do hereby agree as follows:

1. Management. Commencing upon the effective date hereof (as defined in Paragraph 5 hereof), Bed Rock shall, in the name of Tri-State, manage all of the business and affairs of Tri-State as they relate to the Tri-State Retained Business Assets. In connection with such management responsibilities, Bed Rock shall have all powers necessary to manage all the business affairs of Tri-State as they relate to the Tri-State Retained Business Assets, including the power to hire and dismiss employees, solicit business and pay accounts and obligations. All such powers are subject to the terms of this Temporary Management Agreement.

2. Limitations on Management Rights and Powers.

(a) Separate and Distinct Operation. Bed Rock will maintain Tri-State as a separate and distinct entity from Bed Rock and use commercially reasonable efforts to preserve to Tri State the employees, customers, business, operating authorities, permits and licenses and relationships with third parties that Bed Rock deems necessary to protect the Tri-State Retained Business Assets. It is the intent of the parties hereto that during the course of this Temporary Management Agreement Tri-State remain a distinct, separate entity which, under Bed Rock's temporary management, shall be in a position to carry on its business affairs. In order to manage effectively the Tri-State Retained Business Assets, Bed Rock shall have such other rights and responsibilities as have heretofore been exercised by the officers and directors of Tri-State, subject to the exceptions hereinafter set forth. In order to effectuate the foregoing, immediately upon the effective date of this Temporary Management Agreement Trism will execute and deliver to Bed Rock irrevocable proxies for the period of this Temporary Management Agreement, covering the voting of Tri-State shares, thereby permitting Bed Rock, should it exercise its right to do so, to designate and elect

through the voting of said shares directors for Tri-State to act during the term of this Temporary Management Agreement.

(b) Operations of the Tri-State Retained Business Assets. During the period of this Temporary Management Agreement, Bed Rock will manage and control the Tri-State Retained Business Assets. Notwithstanding the above, Bed Rock will not cause Tri-State, without the written approval of Trism, which shall not be unreasonably withheld, and excepting only those provisions set forth in the Asset Purchase Agreement, to:

(i) Enter into any material contract for the sale or other disposition of any of the Tri-State Retained Business Assets (except sales to Bed Rock) or enter into any other material contract, including any written employment contract, on behalf of Tri-State;

(ii) Abandon any material tangible or intangible Tri-State Retained Business Assets, including operating authorities, permits or licenses of Tri-State; or

(iii) Borrow money in the name of, or on behalf of, Tri-State.

(c) Maintenance of the Tri-State Retained Business Assets. Except as is provided in the Asset Purchase Agreement, Bed Rock shall at all times maintain all Tri-State Retained Business Assets (both tangible and intangible, including operating authorities, permits or licenses) of Tri-State in normal operating condition and in at least as good a condition as such assets were when this Temporary Management Agreement became effective, normal wear and tear excepted.

3. Financial Condition. Bed Rock will use commercially reasonable efforts to maintain the Tri-State Retained Business Assets in a revenue and net income financial condition at least equal to the condition of the Tri-State Retained Business Assets upon the effective date of this Temporary Management Agreement.

4. Financial and other Matters.

(a) Financial Statements. During the term of this Temporary Management Agreement, Bed Rock will maintain monthly, quarterly and annual financial statements regarding the operations of the Tri-State Retained Business Assets. Any monthly financial statement shall be prepared within 20 days after the end of the month to which it relates. Any quarterly financial statement shall be prepared within 45 days after the end of the quarter to which it relates. Any annual financial statement shall be prepared within 90 days after the end of the year to which it relates.

(b) Other Material Events. Bed Rock shall report to Trism promptly in writing upon the happening of any material event relating to the Tri-State Retained Business Assets, which report shall provide adequate disclosure of such event. For this purpose, the term "material" shall have the same meaning as defined in Rule 405 promulgated by the Securities and Exchange Commission.

(c) Inspection. As shareholder of Tri-State, Trism shall continue to have all rights accruing to it in such capacities including inspection of the Tri-State Retained Business Assets and the books and records of Tri-State as it deems appropriate, which rights may be exercised individually or by its authorized representatives.

(d) Equipment. To the extent necessary hereunder, Bed Rock will lease or make available to Tri-State such tractors and trailers as necessary to operate the Tri-State Retained Business Assets.

5. Effective Date: Term. This Temporary Management Agreement shall become effective on the Closing Date as defined in the Asset Purchase Agreement. This Temporary Management Agreement shall continue in effect until the first to occur of the following events:

(a) The qualification of Bed Rock, in its own name, to perform transportation services of the kind and nature performed by Tri-State as of the effective date of this Temporary Management Agreement, the determination of such qualification to be the sole decision of Bed Rock;

the parties; or (b) Termination of this Temporary Management Agreement by mutual consent of

(c) December 31, 2002, unless extended by the parties.

6. Compensation. As compensation for Bed Rock's services while this Agreement remains in effect, Bed Rock may claim the net revenues generated by the Tri-State Retained Business Assets. Net revenues means revenues remaining after Bed Rock pays and assures discharge of its obligations under Paragraph 1 of this Agreement and Section 6.21 of the Asset Purchase Agreement.

7. Miscellaneous.

All notices, elections, offers or acceptances permitted or required to be made under this Temporary Management Agreement shall be in writing, signed by the party giving the same, and shall be deemed to have been duly given upon the date of delivery or the date of mailing if mailed by registered or certified mail, postage prepaid, addressed as follows:

(e) Remedies Cumulative. The remedies of the parties under this Temporary Management Agreement are cumulative and shall not exclude any other remedies to which any party may be lawfully entitled.

(f) No Waiver. The failure of any party to insist upon strict performance of a covenant hereunder or of any obligation hereunder shall not be a waiver of such party's right to demand strict compliance therewith in the future, nor shall the same be construed as a novation of this Temporary Management Agreement.

(g) Integration. This Temporary Management Agreement and the Asset Purchase Agreement, including but not limited to Section 6.21, constitute the full and complete agreement of the parties with respect to the management of Tri-State by Bed Rock as described herein.

(l) Computation of Time. Whenever the last day for the exercise of any privilege or the discharge of any duty hereunder shall fall upon Saturday, Sunday or any public or legal holiday, whether Missouri or Federal, the party having such privilege or duty shall have until 5:00 pm on the next succeeding regular business day to exercise such privilege or to discharge such duty.
