WITNESSETH:

WHEREAS, Assignor is the owner of all right, title and interest in and to those trademarks identified on Schedule "A" attached hereto and those patents identified on Schedule "B" attached hereto (collectively, the "Intellectual Property"); and

WHEREAS, Assignor is willing to relinquish all right, title and interest that it may have in and to the Intellectual Property and to assign to Assignee all right, title, and interest it may have in and to the Intellectual Property worldwide.

1. Assignor hereby assigns and sells to Assignee all right, title, and interest as Assignor may possess in and to the Intellectual Property, and all registrations and applications therefor, including any renewals and extensions of the registrations that are or may be secured under law, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. At any time hereafter, Assignor shall, upon the Assignee's written request, take any and all reasonable steps and execute, acknowledge and deliver to the Assignee any and all further instruments reasonably necessary to vest all right, title and interest in and to the Intellectual Property more effectively in the Assignee.

3. This Agreement will be governed by and construed under the laws of the State of Delaware without regard to conflicts of laws principles that would require the application of any other law. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.
